Dearest Mary Darling

Today I received your letter and
post cards very happy to hear your
in a good health so far I'm doing

Darling did I make you laugh
on the other letter. Just because I
get sick once in while well honey
do you blame me, if you want to
know much every time I see your
picture I get sick ha" ha" honey
you can say anything in letter
because soon you'll be my wife
and I be your husband, honey
I really love you very much

Yes honey will be very
nice to be together and eat together
sleeping together yes honey some day
we will I hope if dear God want

Now darling why do you want
be afraid of me I won't hurt my
love don't worry honey we will be fine
and happy only pray God to let
me come home soon then we will be
very happy don't you think so honey?

Well darling you says she ~~allo~~
always arguing with you well
honey try the best you can
because some day we get married
then you don't have to ~~listin~~
listen to her anymore but honey
I think you like to stay with her
because every time I come home
you don't want to get married why
tell me are you afraid

Also honey this weather is very
hot I don't know what to do

I feel like come home I hate
this state honey our Ohio is
very good state every body say so

Bye the way darling do you
want come down here with me but
I like to see you here with me but
I think you better not because
if we was married would be different
anyway honey can't tell because
we might move out then what
oh no sweetheart we better wait
little more I don't want
see my love suffer for this weather
I know you get sick its too hot for you

Bye the way darling don't worry about
me to get sick because I like to read
such good think you say to me
I like write anything you like to
say but after I go cross you can't
say such things anymore but I hope
I never go cross ha" ha" darling don't
think I'm afraid to go cross only
I like to be closer to my love
Mary I love her very much with
all my heart.

Now darling I can't stay no where
here it's really hot I get far but
she blow all my paper away I
can't write so good with the fan
running. By the way honey I'm
going send my little radio home
because we going move in woods
