My dear sweetie PEte:

How is my darling today? We're all fine so happy to say today I got your letters of 2nd and 4th and card of 3rd. It makes me happy to know that you aren't moving. I hope you stay there all the time or come east some place. I hope you had a nice 4th. We had the people from Pittsburgh, and Saturday we went to Idora, as if you get some funny cards its from there. How I wished you bould of been home. So sorry about your buddie and friends I hope they don't slip them across also glad to hear Gerry is fine.

You say for me to listen to the old folks, well who else I'm to listen to, I have to or else get out. Good thing you don't have to listen to nobody. You can do what you want. Well somebody maybe you'll have to sit and listen to me.

Well my love

I wish I could see you soon.

Today is Monday and it means all time my father just left to work at 3:00 o'clock. You say, would I ring your neck, of course I'd do anything to you, especially if I get mad well maybe you can tame me down. Well I won't do that, at least I hope not.

Well sweetheart you say you want be able to write when you go to Australia every day. I guess I'll die then or go crazy and your wrong because I'll still

love you funny face. Don't forget that.  
I hope that day will never come that  
you have to go across. I'd wish is

the boys will come back or else so  
many die every day.
