Dear sweetheart:

How's my darling today. Mary says she feels fine although its too warm. Maybe I'll go swimming so I'll drown and Pietro won't have a girl anymore. Today hello sposa mia I received your letter and two post cards so very glad to hear that your fine and hope that you will be same always. So sorry hon that it is too warm there but it awful warm here too and why do they have to send you so far away sweetie I hope you come east.

[[heart with arrow]] Dear Pete I wish you can come home for eighteen because my father is going to have the birthday party. How I wished they would let you come. Tell them that its very important that you have to come home anyway try because I want you to be here. Your brother and sister-in-law will be here. Maybe if you don't move they'll let you come.
