Dearest sweetheart Pete:

Well honey here I am again but today I haven't heard from my honey. Monday I got your letter of 16.

My dearest sweetheart nothing's matter with me I've been writing to you. You say you haven't heard from me a week oh how you now that not right maybe a couple of days but not a week. Well I hope you have heard from me lately. I'm very sorry dear I don't want my sweetheart going crazy but I know how you feel because I feel the same way when I don't hear from you.

Don't worry dearest everyone's fine here now but last week everyone was sick. Your brother isn't feeling well either but he is coming along fine.

You say your not sure if they will let you come home for Easter well I hope they do, I hope you will be on your way before you get this letter. I'd love to see my sweetheart again once just to see that handsome face. Give a nice kiss to that funny face too I really can't wait I hope it's soon.

They are always changing you around

but that's okay as long as my sweetheart stays here. I wish they would send you to this camp here in Sharon.

Now sweetheart what's matter with the Easter Card I think it nice anyway sweetheart I know you send it with all your heart and that's all that counts. I sent you a card too I hope you got it. Gilda got a card from you too she says thanks and I say thanks for my card too sweetheart.

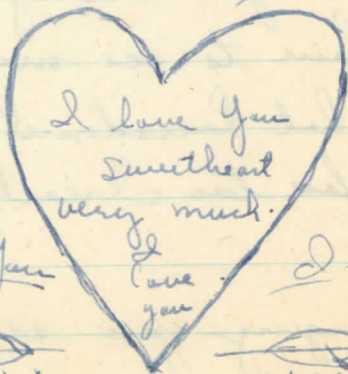

Well sweetheart we are having nice weather now after last weeks snow its about time. I hope its not too warm down there. By the way sweetheart the other night I dreamed that you were here and I said oh Pete its 22nd and your home so maybe my dream ^{will} come true.

Well hon I'll close now wishing you best of luck and God Bless You always.

Your sweetheart,
Mary Masullo

I hope I see you soon.

Good Night
Honey

I love you

I love you

Its about 10:30 now so I think I'll go to sleep after I do some homework. Good night beloved.

Sweetheart I'm sorry if I
ruin your evening but I
love you because you will
always be my sweetheart always.
