Dearest Darling Sweetheart:

Today I received your beautiful letter of Feb. 25. So very happy to hear from you. Happy your fine and for now hon I can say same for me. Everyone is just fine also.

You say darling you have bad news buy honey I think its the most wonderful news I have ever heard. Oh sweetheart I'm so happy. I never felt so happy in my life as I was when I read that wonderful letter. I hope I will always hear such wonderful news from you dearest one. But hon you say you will be going in about six months. I hope you never go because I want my sweetest one in world to stay here in good old U.S.

You say sweetheart that I did pray for you, I did every night from since you have gone to the army. But I never prayed as hard as since you said you were going. Everynight I prayed dear God to let you stay here keep you in good health and just everything. I just thank dear God for answering my prayers and I hope the war will be over soon.

marry me. Well I wish the war is  
over soon too so you can marry hon.  
Oh sure we will be very happy. Well  
hon I don't know if Adeline reads  
your mail but I don't think so because  
I take the mail I get to school so don't  
worry hon.

Tonight hon I called you people and  
your brother was way happy too I could  
tell how he talked over the phone. Well  
hon I don't have to tell you how very  
happy I am I think you know and I  
thank dear God for making us be happy.  
I hope it will always be this way.

Well dearest darling I'll close  
now I can't think of any more to say.  
I guess I've said all I can think of so  
everyone sends best regard and I wishing  
you all the luck in world.  
God Bless You.

Your sweetheart always,  
Mary Massullo
