Dearest sweetheart Pete:

Well honey here I am again writing you a few lines to let you know I'm fine and hope to hear the same from you. I haven't got a letter from you since Monday. But today I got a just a little note Feb. 27. but it's postmarked 2 of Mar. anyway I hope I get a nice letter from you to morrow. By the way sweetheart I hope you got my letter of 22 because I sent the the true story receipt with it because you wanted the address. I hope you got it.

You say sweetheart you're in a different outfit and you will be there for a while. You don't know how happy I was when I read that in other letter. I really thought you was going and I was just about sick. But you can't imagine how I felt when you says they put you in different outfit. I just felt so happy I just can't explain.

You say sweetheart you will be home soon at least I hope so but I wish you come home for Easter anyway it will be warmer then but now sweetheart it's cold and this crazy weather makes me get nice colds. So night I called your brother place and they are all fine your brother

said you will be home soon too. Well  
I really can't wait to see you Sweetheart.

About Nancy A. honey forgot about her  
besides she don't read any mail anyway  
I don't care about any of them. Just like  
father picks on me too but I don't care.  
Just like I say to your brother, I don't  
care what they say as what they do I was  
worried about you but now since you  
will be here for a while yet well I don't  
care about them or anybody.

You now what sweetheart your  
future father in law today hit the big  
for \$100. He isn't here now because he is  
working 3 to 11 this week but he sure will  
be happy when he hears that. This M.A. & he  
had good luck but 7 years ago M.A. & my  
mother died. Time sure passes but that way  
it goes.

Tonight sweetheart & his is going to have  
blackout about 9:25 so I'll have to finish but  
I will go to sleep at 9:25 there is no use staying  
up with lights off. I wish you could be here.

Well how is the Hawaiian fellow Jerry?  
Maybe he got married now. But your brother  
hasn't heard from him and he was going to send him  
a telegram. I don't know if he did because I  
forgot to ask him how Jerry was.

Well how I guess I'll close now.  
I don't have anything more to say. The family  
sends best regards and I wish you best  
of luck always - God Bless You.

Your Sweetheart,  
Mary Masullo.  
Good Night Honey.
