Dear darling Mary

a few line to lett my
love know I'm doing

the some from you

Well honey how
are you today did you
have any good dream
about me last night
I can't dream anymore
like I used to because
this cots are very hard
break my back but
when I get married
then I might sleep soft
ha ha

Bye the way honey
did you go to dance
Sunday don't lie now
I better forget
about it such things
because our next move
I will be overseas I tell
you honey soldier are
like dogs here we
eat plenty dirty any
way if the people know
whats army life is they
would help soldier I
mean civilian people
they make plenty money
now I bet they say
hell with soldier but
if I ever get out of
this army then I will
be mean too

Honey how do you getting
along working? are you
still work an day light
one night

Now I don't have
much more to tell you
Wishing you best luck
in world God Bless you
your darling
sweetheart.
