I really love you I should get married
when I was home on furlough so I
could keep you here with me so this
way your old people they want you
to go work don't matter what happen
to you they don't care about you but
I do because you are mine your my wife
Mary if you think I don't care about
you I hope I can't come home anymore
because I do care about you that why I
argue with you, Mary I love you more
than you think.

you 5 days. I been very mad and thinking
everyday I'm going crazy for you Mary

about that.

wait for the day oh boy I like
to see the day be before we get
married ha" ha" what's different anyway
we better start early I hope we
will be very happy and when I
marry you the day will be very short
because we going sleep about 7 PM ha" ha"
