Provisional initial accreditation was conferred at the CoARC quarterly board meeting. In the interest of substantial financial savings, the site visits were scheduled as one CoARC visit. The site visits were performed virtually while retaining the multiple program savings.</p> <p>All three programs performed a Report of Current Status (RCS) evaluation in July 2022 that was accepted by CoARC to have met or exceeded all accreditation standards for the year. The program continues to meet CoARC's high academic standards.</p> <p>YSU has increased capacity of the BSRC entry into practice program, placing initial cohort enrollment at 25 allowable students per cohort to enter, which is maximum for classroom capacity, clinical rotation sites, and accreditation standards.</p>
<p>Social Work Council on Social Work Education (CSWE)</p>	<p>The BSW accreditation site visit occurred on October 21, 2020. At its February 2021 meeting, the Commission on Accreditation (COA) voted to reaffirm accreditation for eight years, ending in October 2027 due to a one-meeting deferment received this cycle.</p> <p>In 2012, the Council on Social Work Education granted reaffirmation of accreditation of the Master of Social Work program until 2020.</p>

Program	Status
Social Work (continued)	On October 15, 2020, after reassessing the program's candidacy, the COA placed the program on Conditional Accredited Status based upon non-compliance with Accreditation Standard M3.3.4(c). The COA restored the program's accredited status as of April 12, 2021. The COA review of the program's restoration report found that the program had taken corrective action and is in compliance with all standards. The program is fully accredited through February 2028.
Theatre National Association of Schools of Theatre (NAST)	Due to cuts in the number of tenure-track faculty and ongoing staffing issues, the Department of Theatre and Dance officially resigned its NAST accreditation effective May 3, 2018, and will not seek reaccreditation until these issues have been resolved. Additional faculty reduction preceding the 2021-2022 academic year has further delayed the program's ability to reapply for specialized accreditation.
World Languages and Cultures American Council on the Teaching of Foreign Languages (ACTFL) Recognition for Italian Education and Spanish Education	Resubmission of the Italian Education and Spanish Education programs to the American Council on the Teaching of Foreign Languages (ACTFL) in March 2016 resulted in national recognition for both programs effective August 2016. Spanish Education is currently seeking accreditation through the State of Ohio rather than ACTFL. Submission is due in Fall 2022.

Update on Assessment of Student Learning

YSU has made and continues to make progress in fostering meaningful and relevant assessment of student learning.

Assessment of Student Learning Activities

- Academic Assessment:** Academic programs engage in assessment reporting on a five-year cycle through an Assessment Plan, Assessment Update, or a Cycle Reflection. Programs identified for sunset through APEEI with enrolled students will complete a shortened Teach Out Update. Annual reports are due next on October 31, 2022, through Taskstream AMS. To encourage high submission rates, on-demand training videos, drop-in consultation hours, and scheduled one-on-one consultations occurred (and are occurring) in September and October 2022. The Assessment Council convened in October to review assessment processes.

Assessment Council members will be acting as volunteer peer reviewers to annual program submissions in November and December 2022. Programs will be given feedback in early 2023.

- **Co-Curricular Assessment:** Co-curricular programs continue to engage at high levels with student learning assessment. During Summer 2022, 90% of co-curricular programs submitted annual assessment reports. Co-curricular assessment coordinators participated in peer review feedback groups in September 2022 and had critical discussions about the assessment of student learning in their areas. Feedback summaries were provided via Taskstream AMS to all co-curricular areas.

Current Student Data Collection

- **Noel Levitz Student Satisfaction Inventory & Adult Student Priorities Survey:** Student data from the Spring 2022 administration of the Noel Levitz Student Satisfaction Survey continues to be shared widely across campus, primarily through the Fall Noel Levitz Snapshot Series. Each Monday, the Institute for Teaching and Learning releases (via newsletter and website) a focused data one-pager including key data points. Topics have included: Overall Experience, Out of Class Support, Facilities, Admissions, Finances, Student-Centered, and Registration/Course Availability.
- **National Survey of Student Engagement:** YSU registered to participate in the National Survey of Student Engagement (NSSE) in Spring 2023. Survey administration dates will be March 15, 2023, through May 14, 2023. All first-year and senior students will be invited to participate.
