- II. Thank you for your patience while I was on medical leave for the last month. We are reviewing all courses in CIM that require general education approval. In summary, there are currently 9 proposals - 7 are requesting to be moved from the SPA domain to another domain and 2 are new course proposals. We hope to act on these in the next week and report at the March senate meeting.

Adam Earnhardt, Chair, General Education Committee (2022-2023)
