STUDENT PUBLICATION OF YOUNGSTOWN COLLEGE

VOL. 24 - NO. 1

YOUNGSTOWN, OHIO

Wednesday, October 17, 1951

Mark Markos Voted 1st Homecoming King Marilyn Dunn Is Queen

Judges' Choice Receives Most Popular Votes

Marilyn Dunn was chosen 1951 Homecoming Queen from a group of nominees elected by Youngstown College students. Miss Dunn had received the most votes in the popular election.

A sophomore, Miss Dunn is a student of the Business school. Her parents are Mr. and Mrs. William J. Dunn 270 Griswold Ave., Youngstown.

Judges of the five candidates were picked by Mrs. Howard W. Jones, wife of the president. They are: Miss Carolyn Higgins, medical social worker at the Mahoning County TB Sanatorium and former Youngstown College registrar. Mr. Sydney J. Collins, member of the Youngstown College board of trustees and attorney with Clark and Collins, and Mr. Kenneth Lloyd, executive secretary of the Mahoning Valley Industrial Council.

Prof. Crites Named Jambar Advisor

Professor Harold R. Crites, an assistant professor of English and social science teacher, was named faculty advisor to the JAMBAR this semester.

Crites, who lives at 224 Arlington St., Youngstown, is also faculty advisor to the local chapter of Alpha Phi Omega, national service fraternity, and is a former director of the Canfield Players. He received his B. A. degree from Hiram College, where he was editor of the college paper, and his M. A. degree from Western Reserve University.

Before coming to Youngstown College, his varied career had included professional acting, social work, teaching in the Lordstown Township and Warren schools, and a wartime position as Safety and Training Director of the Lordstown Ordnance Depot.

Prof. Crites

Counseling Office Holds Open House

The new Student Counseling office will hold open house on Thursday and Friday from 1 to 4 p.m.

YoCo has steadily been expanding its student counseling facilities beyond the registration advisement and student-teacher relationship.

Continued on page 8

Popular Queen Is Pretty, Busy

Who is the new Homecoming Queen? Of course you know her name, but do you know anything about her? Did you know she was a sophomore secretary with Clark and Collins, and Mr. Kenneth Lloyd, executive secretary of the Mahoning Valley Industrial Council?

Well, here are some things that you might not know. Marilyn likes swimming and water skiing - she'll play an occasional game of tennis - as a matter of fact, she enjoys sports in general, although she would rather watch football than play it. Her secret ambition is to learn how to play golf.

Already you can see that she is interested in being interested. But we're just getting started. Add Student Council to the list. And music. Marilyn likes to listen to nice, sensible music. Something cool like Stan Kenton. Be-Bop just doesn't have it, in her opinion. The only thing she does not do is work - that is, she is a full time student, having no outside job. Where would she find the time?

Canfield Players Produce 'Harvey'

"Harvey," the recent movie and stage success, is being presented by the Canfield Players in their 16th season's opener Oct. 23-25. Curtain time is 8:30 p.m.

King Mark The 1st Is Vet, Sportsman

How does it feel to be Homecoming King? And the original one at that? Ask Mark Markos - he knows. He can tell you all about it. But maybe you would like to know something about the new King before you ask him.

Mark is a senior, majoring in Business Administration. He spent two of his 25 years in the Naval Air Service. He is an active member of Sigma Delta Beta fraternity as well as an active participant in inter-mural basketball and softball.

As a matter of fact, he likes all sports, so already he and Queen Marilyn have something in common. Swimming and football come first, but you are liable to find Mark engaging in any type of sporting activity, and he is often seen at various district sporting events.

Another interest he shares with the queen is an appreciation of good dance music. Mark was an instrumentalist himself in his high school days, and likes Ralph Martiere's orchestra the best of the present crop, although no one can touch the old Glen Miller band, in his opinion.

Well, that's all we can think of right now. Anything else you want to know you can ask him when you see him next. And by the way, don't forget to congratulate him. We do!

Homecoming Recalls Events Of Yesteryear

Homecoming, a magic word representing football, exciting school spirit, and colorful pageantry, marks its 11th, annual appearance on Youngstown College's Campus October 20, 1951.

The year 1938 ushered in Yo Co's first homecoming, and with it an arousing victory over Clarion State Teachers' 46 to 0. Marie Barrett was crowned "Homecoming Queen" at special halftime ceremonies.

In 1939, with Margaret Ann Lowell selected as queen, Youngstown College continued in winning form, repeating the score of the previous year over Westminster College. It was in this year that Pete the Penguin abandoned his arctic home to become Youngstown's official mascot.

Three more years 1940-41-42 resulted in successful Homecomings with Adelaide Finnegan, Jean Belleville and Mary Dolwick in the royal spotlight.

During World War II football was Continued on page 8

Senior Wins Close Election Will Receive Crown at Half

The first Homecoming King in Youngstown College history will be crowned Friday night during the halftime ceremonies. Mark Markos of 1517 Stewart Avenue, Youngstown, a 25 year old senior and veteran, won out in a close race over Wally Feichtenbinder, Rud Mayberry, and Chuck Zidian, who followed in that order.

The new King, chosen by the women of the college, will share honors with Queen Marilyn Dunn after receiving his crown from Mayor Charles P. Henderson, and will escort her highness to the Homecoming dance.

Queen Candidates Form Royal Court

Mary Lou Parker

Rose O'Horo

Barbara Sowers

Martha Clark

Four Youngstown College co-eds chosen as candidates for Homecoming Queen will serve as attendants in the 1951 Homecoming Court.

They are: sophomores Rose O'Horo, Mary Lou Parker, Martha Clark and freshman Barbara Sowers, all education students.

These attendants will escort Queen Marilyn Dunn in halftime ceremonies at the Youngstown College-St. Francis football game.

Freshman Rally Parade Of Floats Open Homecoming

A freshman pep rally Friday afternoon, the traditional float parade and a bonfire rally and stag dance Friday night are the first day's events in next week's two-day Homecoming celebration.

Activities for the 11th annual Homecoming will begin at a rally at 12:00 noon, Friday Oct. 19, 1951, on the College Campus. The purpose of the rally is to acquaint the Freshmen students with homecoming tradition. Entertainment is planned and all students are invited to attend.

The King, Queen, attendants and floats will take part in a parade through Wick Park at 3:30 p.m. of the same day. The floats submitted by the following fraternal organizations: New Sigma Rho, Sigma Delta Beta, Sigma Sigma, Phi Gamma, Phi Sigma Epsilon, and Kappa Sigma Kappa, will be judged immediately after the parade.

In the evening, at 7:45, the traditional bonfire rally for the upper classmen will be held in the school Continued on page 8

Celebrations Climax At Half-time Fete. Dance at Stambaugh

Homecoming celebrations will reach a climax Saturday night, October 20.

Pre-game activities will consist of a circling of the field by floats, King, Queen, and attendants and an exhibition by the Youngstown College Band. At half time the crowning ceremony will take place, President Jones will welcome alumni and guests.

Lois Zuercher, 1950 Homecoming Queen, will present the crown to Miss Marilyn Dunn. Mayor Charles Henderson will crown Youngstown College's first Homecoming King.

The Homecoming Dance will be held after the game at Stambaugh Auditorium, and the intermission program will be handled by John Adams.

Vic Stuart out of Cleveland, will play for the Homecoming dance. Stuart played at Euclid Beach outside of Cleveland this summer.

Shea Heads Council During Fall Term

Jack Shea, junior merchandising student took over duties as Student Council President this semester. Shea was elected last May for a one-semester term.

A resident of Sharon, Pa., Shea is attending Youngstown College on a Sharon Steel scholarship. He is co-producer of the weekly JAMBAR radio program, "The YoCo Quarter-Hour". He is an independent and a member of the Newman Club.

Shea had been a council member for one semester before he was elected president.

Things to Come

With the first issue of the paper, something should be said concerning the editorial policy for the coming year. New writers bring new ideas and new styles, so changes can be expected. We do not intend to put any limit on subject matter. Any subject of worth or interest will be considered. No preference will intentionally be shown. Our intention is simply to speak for and to the greatest possible number of readers, and to keep in mind the fact that there are a great many people who judge Youngstown College by this paper. Nothing will be printed, therefore, that will make impressions unfavorable.

J.P.M.

How, White Man

The how being how are we treating the original and rightful owners of the hunting grounds which we now occupy. In this sad season of Indian Summer it seems fitting to comment on the sad series of events that the student body has had the opportunity of witnessing, namely the dismantling and moving of what was a Bryson street landmark for many years. We mean, of course, the Indian who guarded the rear of the Art Institute. Although a member of a race that is badly outnumbered in these parts, he stood his ground boldly, in all kinds of weather, until the White Man's brand of progress literally cut the ground from beneath his feet.

For a while he could be seen sitting forlornly beside a large tree on the far side of the new library site, watching with sad heart, no doubt, the ruination of his former private reservation. But now he can be seen in his new, and, we hope last stand, in a prominent position in front of the art gallery.

Worrying about the woes of a bronze statue would be silly and ridiculous if it were not for the fact that, in this case, the events described above are symbolic. The only difference between what happened to the bronze brave and what to the race he represents is one of scale. Substantially the same thing happened to the American Indian, beginning with the interruption of his long supremacy in his own land, followed by the complete remodeling of that land to the White Man's liking, and ending with the resettlement of the dispossessed on land of the intruder's choosing.

Which brings us to the point of this editorial namely, that the Indian has been given a raw deal, to put it mildly. We can find little in the record of our Indian policy to be proud of, from the days when we bought his land for songs that would never have made the Hit Parade, down to the present policy of generously giving him land that nobody else wants, where he is expected to live and die quietly, changing from the Wapath to the White Man's Way.

So there he stays, being too proud, not too ignorant, to complain. And if he should be so foolish as to leave the reservation for any reason, - even such a reason as dying in Korea he usually finds that he is not wanted, dead or alive.

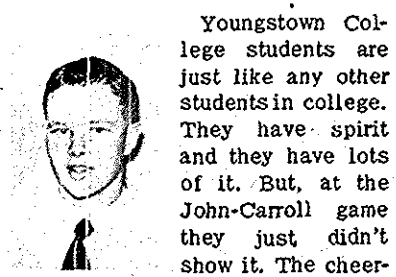

Perhaps some serious consideration of these facts would change not only our opinion but also our attitude towards the Indian, and make us realize what a serious injustice has been done him. After all, who knows but that we, the leaders of tomorrow, may not find ourselves in a position to right this wrong?

Photopinions

QUESTION --- ARE YOUNGSTOWN COLLEGE STUDENTS LACKING SCHOOL SPIRIT?

RAY FIEHLER (Fresh.)

Don't show it

Youngstown College students are just like any other students in college. They have spirit and they have lots of it. But, at the John-Carroll game they just didn't show it. The cheerleaders are good, but they should get together on their cheers. The players on the field will play a lot better if they can hear their fellow students shouting for them to win. I think, that as the season progresses the school spirit will begin to come out in full force. We have a good team and we have a tough schedule and we can do very well if the school spirit of Youngstown College can be brought out.

GERRY LEWIS (Soph.)

Better in High School

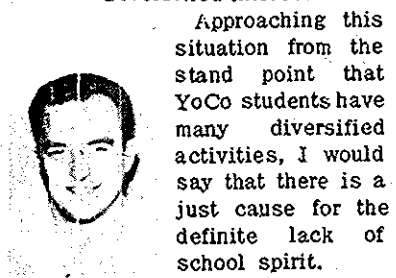

I feel that college students don't display the spirit we find in the high schools. It must be taken into consideration that the students are older and won't be doing many of the senseless things that are called school spirit.

As far as lacking school spirit this is out of the question. If you attend a school function you'll find a very representative turn out of the student body. This I think shows that we have school spirit but it doesn't "flare up" in emotional acts that are often only a ruse used by many to gain attention.

EDWARD VONTOM (Soph.)

Diversified Interest

Approaching this situation from the stand point that YoCo students have many diversified activities, I would say that there is a just cause for the definite lack of school spirit. On the other hand I would say that the students of YoCo miss a wonderful opportunity to express some degree of school spirit at football games, basketball games and other relating school activities. It is very evident that the student body could easily express school spirit, although they are taxed by other outside activities.

Yes, I do think that Youngstown College is sadly lacking in school spirit, and especially in activities that take the least amount of time and energy.

Five-Dollar Prize Offered For Cheer

Five dollars will be awarded the author of a prize winning cheer in a JAMBAR-sponsored college cheer contest beginning today and ending at 12 noon Thursday, Oct. 18.

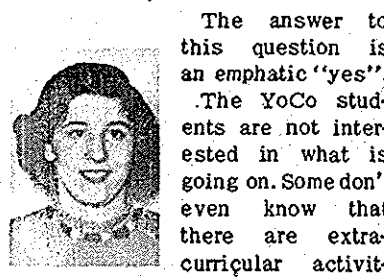

Entries must be original on this campus. Gestures and routines to fit the cheer may be submitted but are not necessary. Cheer patterns from other colleges may be used but must be adapted to the colors and tradition of Youngstown College.

Contest entries can be placed in mail box 69 in the Main Office. Judges will be Prof. Harold Crites, JAMBAR editor Jim McFadden and Bob Hritzco, Cheerleader captain.

Announcement of the prize winner will be made at the assembly homecoming, at noon, Friday, Oct. 19. Hritzco promised that the winning cheer would be used at the homecoming rallies as well as the remaining football games.

ROSE ITALIANO (Soph.)

Will you be there?

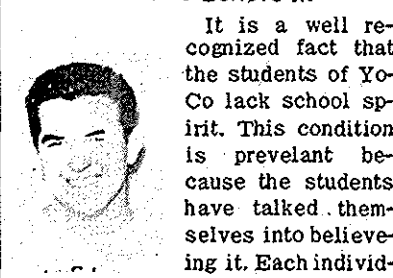

The answer to this question is an emphatic "yes". The YoCo students are not interested in what is going on. Some don't even know that there are extra-curricular activities in which to take part. What is the reason for this? All activities are posted at least ten days before the event.

Let's make our next social something to talk about. Student Council will sponsor a dance after the football rally, Friday, October 19. Will you be there?

A college education is supposed to be a well rounded education. Where else can one meet the students, but at these assemblies and dances.

JOE GORSKI (Senior)

Students Believe It.

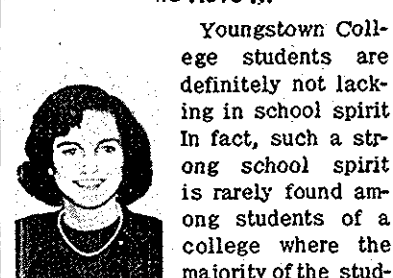

It is a well recognized fact that the students of YoCo lack school spirit. This condition is prevalent because the students have talked themselves into believing it. Each individual claims that he has school spirit but that no one else does.

Look around you, everyone here has just as much spirit as you do! For example, why doesn't anyone go to the assemblies? The answer we always hear is, "No one else does why should I?" Is that school spirit??

GERRY CANTOR (Fresh.)

We Have It!

Youngstown College students are definitely not lacking in school spirit. In fact, such a strong school spirit is rarely found among students of a college where the majority of the students live at home and there is little campus life.

Evidence of this school spirit can be found in almost every college activity. The support given to athletics and social functions is a common example of this.

Since this spirit is so strong among the upper classmen, it is readily recognized, adopted, and practiced by most if not all, new students coming to Youngstown College.

Sainato Appointed Homecoming Head

At a recent meeting, Student Council selected Leo Sainato as chairman of the 1951 Homecoming activities. Leo, the son of Mr. and Mrs. Goldie Sainato, 1015 Oak Street, is a liberal arts senior, majoring in History.

Mr. Sainato is a member of the Sigma Delta Beta fraternity and also a member of the Newman Club.

Herb Williams and Harry Ritchey of the Kappa Sigma Kappa fraternity were named publicity chairmen. Bill Martin (R.O.T.C.) is parade chairman, and John Adams, Sigma Delta Beta, heads the Saturday dance program.

Continued on page 8

Looking Around...

with Jack De Rose

With this first issue, fella students, you'll notice you have a new gossip monger to hate during the next semester. My only hope is that I can do as able a job as "Josie & Dootie". Come to think of it, I never found out who "Dootie" really is. For all I know she's probably one of my closest friends. As for Josie well, everyone knows "Miss Petite of Youngstown College".

Let's get on to the business at hand. I see that Homecoming is well under way under the able leadership of LEO SAINATO. Let's all get together and attend all the events concerned with this celebration.

The Phi Sigs are going all out to plug their dance. If any of you saw our first home game, you know what I mean. Speaking of the Phi Sigs, congratulations are in order for BOB HRITZCO who was recently elected President of the Pan-Hellenic Council. GOOD LUCK, BOB. MARY WEICHSEL was chosen Secretary-treasurer.

Someone wanted to nominate FRANCIS McHUGH for Homecoming Queen. I told him he wouldn't make it as long as GEORGE HURTUK was in the race. In the "also ran" column were PHIL SNYDER, TONY MASSARO, and CHUCK POLISKY. I don't think any of them have the "material" needed to be queen. Oops!

LIL SALEM'S first name is not a contraction of a word "little" but it should be. TOM MAR is seeking to back someone for class officer. Says he can make good posters. We'll see, eh!

Attention, all sororities! We have a new addition on our fair campus - a MISS JEANNE SHUTRUMP who just transferred from Carnegie Tech. Was introduced to her by PEGGY CRISHAL. Welcome Jeanne.

I asked JULIA KARAVARA how she liked coming back to school this year, and she answered, "If I start before I leave, I'll have to come back so I might as well wait until after I'm gone so I can be sure to be here when I return". Umm - I guess so (?)

Business -- Have we any good salesmen or women at YoCo? If so, contact the Neon office immediately.

Something new will make its appearance at YoCo this year. We've always had a Homecoming Queen but for the first time we'll have a King. Who will be the lucky man? This department would like to donate a Dogpatch Ham to him.

It's good to see PAT GILBOY back in school with her wonderful warm smile to keep our "spirits" (?) up during the cold winter months. We ought to have a date bureau here at YoCo. Then when tickets are being sold, there won't be the old standby excuse of, "I can't get a date."

This week's ideal man and woman.

Man	Woman
Hair - Bob Hall	Hair - Marilyn McCallen
Eyes - Paul Rogazan	Eyes - Betty Savage
Nose - Dick Jackanich	Nose - Eabs Glancy
Teeth - Pete Finamore	Teeth - Joan Klein
Shoulders - Joe Conroy	Body - Evelyn Booth
Physique - John Boliver	Smile - Nancie O'Connell

TOM ANDRES told me that Shakespeare is his pet subject. Not so for JOHN HUDZIK who signed up for the course but never even attended one class. Prof Reid calls his name, anyway. I won't tell you how much money JIM McFADDEN has but he's the only man I know who can commit suicide by jumping off his billfold.

Can anyone lend a suede brush to JACK CRITZER and BOB WATSON so they can comb their hair?

If you'll notice, the Gamma Sigs are all wearing white bucks this year. By the way don't forget to buy your mum from any Gamma Sig before the homecoming game.

With BUSTER McCLOUD on the team YoCo should win every game this season. ROSIE O'HORO is following in her sister Sally's footsteps. Both were up for Queen. JIM DUNN asked me to vote for MARILYN DUNN for Queen. Why?

The Gamma Sigma sorority is again selling mums (Chrysanthemums) for the Homecoming game, October 20, 1951. Boys! Be in the run, buy mum!

Civil Service Exams Will Be Opening Soon

Two Federal civil-service examinations designed for the outstanding college-man and woman will be announced during the third week of October, the Civil Service Commission said today.

The Junior Management Assistant examination will be open to students with training or experience in the social sciences, business or public administration, who show leadership and management ability. The positions pay entrance salaries of \$3,100 and \$3,825 a year.

Students may also apply if their major study is in government, economics, international relations, industrial management, industrial engineering, sociology, psychology, anthropology, geography, or history.

The Junior Professional Assistant examination, which will be used for filling positions paying \$3,100 a year, will be open to students in the fields of bacteriology, economics, geography, geophysics, social science, and statistics.

MAY APPLY FOR BOTH

Persons who wish to do so may apply for both examinations. The JMA examination will be used to fill positions in Washington, D.C., and throughout the country in social science and administrative fields where the need is for high potential for executive and administrative development. The JPA positions to be filled are located in Washington, D.C., and vicinity with the exception of geophysicist positions which are located throughout the country. These positions will require a high type of professional competence and the duties will involve professional research.

Applicants for both examinations must pass a written test, in addition to having had college training in the appropriate field of work. Students who plan to complete work on their bachelor's or master's degrees by June 30, 1952, may apply for these examinations. If they qualify, they may be offered appointments before graduation and go on full-time duty immediately after becoming available.

WANT QUALIFIED APPLICANTS

In announcing these examinations the Commission is hoping for a high quality, rather than a greatly increased number of applicants. The examinations are for the purpose

of bringing into the service promising young people, who are experienced or trained in specific fields of work, who wish to begin a career with the Government.

After the examinations are announced, additional information will be available at the college placement office or from the heads of the departments offering pertinent study. Copies of the announcements and application card forms may be obtained from the school placement office, second floor, third annex, from most first or second-class post offices, from civil service regional offices, or from the U.S. Civil Service Commission, Washington 25, D.C. The closing date for receipt of applications will be Nov. 13, 1951.

U.S. Civil Service Commission.

Librarian Training Offered This Fall

Complete preparation for Children's Library Work or General Public Library Service are the chief objectives of the two new library training programs introduced at Youngstown College this semester.

Both curriculums, open to liberal arts students pursuing a four-year B.A. degree, offer a broad liberal education but include specific library work concentrated mainly in the last two years of the students' training. General class instruction on library service, practical field work, and six weeks of "on the job training" in the Youngstown area make up the thirty-four hours of special library work required.

Mr. James Pirie, library director of Youngstown College, has announced that the new program has been set up in compliance with the local and nationwide need of trained librarians. This need has arisen due to recent increases in school libraries and an enormous growth in former library systems. Mr. Pirie also stated that there is a very special need for well trained children's librarians in most of the present library systems.

College Announces Recently Acquired Part-Time Faculty

Ten new part-time faculty members are teaching this fall at Youngstown College, Dr. Howard W. Jones, president of the college, has announced. The new instructors and the departments in which they are teaching are:

Donald L. Block, Hugh N. Houck, Ernest A. Grimes, and L. B. Rademacher are additions to the faculty of the William Rayen School of Engineering. Mr. Block, who is teaching production planning and control, is a graduate of Ohio University with the bachelor of science in industrial engineering degree. Mr. Houck attended Massachusetts Institute of Technology and has the bachelor of science in electrical engineering degree from Geneva College, and is teaching industrial engineering.

Mr. Grimes, teaching in the electrical engineering department, has the bachelor of electrical engineering degree from the University of Akron, and Mr. Rademacher has the bachelor of science in electrical engineering degree from Illinois Institute of Technology and has taken graduate study at the University of Pittsburgh.

YoCo Graduate Hired

Jack E. Umbel, Struthers, is teaching industrial organization in the School of Business Administration. He has the bachelor of engineering degree from Youngstown College and has taken graduate study at the University of Pittsburgh and Pennsylvania State College. Mrs. Mae D. Turner, is teaching secretarial studies in the School of Business. She has the bachelor of arts degree from Youngstown College.

Father James A. Forgac, O.S.B., is a new member of the philosophy and religion department. He is a graduate of St. Benedict's College with the bachelor of arts degree, is a theology graduate of the University of Ottawa, and has his master of arts degree in philosophy from the University of Notre Dame. In the same department is Rabbi J. Leonard Azneer, who is a graduate of Yeshiva University with the bachelor of arts degree and has the master's degree from the Jewish Theological Seminary of America.

Clingan Jackson, is teaching in the political science department. Mr. Jackson is political editor of the Youngstown Vindicator and former state senator, and is well known in political circles of the locality.

A student comforted the temporarily dismantled brave as he looked before being installed in his new position on the front lawn of the art gallery.

R. Edgar May, is a new member of the health and physical education department faculty. Mr. May comes to Youngstown from Taylor University. He has the bachelor of arts and bachelor of physical education degrees from Oberlin College, the master of arts degree from New York University, and has taken graduate study at Washington and Lee University.

Jambar Program On WKBN Oct. 20

The "Yo-Co Quarter-Hour", the weekly JAMBAR radio show aired over station WKBN, will begin broadcasting at 10:30 a.m. Saturday, Oct. 20.

Co-producers of the show this year are "Red" Tyrell, voted "Most Popular Man", last semester, and Jack Shea, Student Council president. The first program, according to the producers, will be devoted to explaining the purposes and topics of the "Quarter-Hour". A round-up of summer activities will also be reported.

The weaker sex is the stronger sex because of the weakness of the stronger sex for the weaker sex.

Joe: "Have you got a picture of yourself?"
Roomate: "Yeah!"
Joe: "Then let me use that mirror I want to shave."

Jarman SHOES FOR MEN

(Men's Shoes, Street Floor, McKelveys)

Off the Record . . .

by JIM MCGINTY

Jawbone, U.S.A. Oct. 12. . . . Well snookie, here we are back at YoCo Half-Normal, the home of handsome men and beautiful women. --Wow, how's that for an intro. Anyway now that I've got you reading this bit of hash, you might as well finish it. The other night it was decided by the brass hats of this newspaper that I should "get

on the stick" and start listening to the latest records. I started slowly so as not to upset my nervous system, well at least not all at one time. Anyhow I failed! In less than one hour I was so thoroughly disgusted with the so-called music coming out of my little Sunbeam, I wondered if maybe I had turned on the toaster, by mistake.

Ha, no such luck--after waiting for about three minutes for something to happen or pop-up, I conceded that the awful disturbance in the room was the radio. GAD, what a horrible weapon--Imagine being a rich play-boy and having to stay home all day and listen to all the trash music that comes out of a radio. What a tragic existence. Then the Voice of strain popped-out ---- TONY BENNETT alias PERRY COMO, VIC DAMONE JOHNNY DESMOND and FRANK SINATRA. You would think some of these guys would hang up, or else take a few lessons ---- but no, they stand there and ---- as Shakespeare would say "wallike a bunch of sick cats!" But if that's what the people want, it looks like they got it. Yep, just too many crooners on one radio program. Awreeddy.

Well so much for the death notices. This brings us up to the live part of this treatise. Namely the proper introduction to the dancing element of YoCo to the band of BERNIE RAGAZZO. Bernie employs eighteen men in his band and claims the "loudest brass section between New York and Chicago."

In addition to having a fine band Bernie blows his horn long and loud in the College Marching band ---- plus owning one of Youngstown's suburban, night spots. Ragazzo's Supper Club, located in Robbins Avenue, Niles, Ohio. So with all these things, Bernie manages to keep the "woof" from the door. Anyway the best description of how the band's music sounds can be summed up by saying -- the band has the "look" of Kenton, the "playing technique" of Les Brown, and the mellow screeches of "Harry James". Yet!

Who's Where and Why

STAN KENTON'S "Innovations in Modern Music II" has been set to open a two-month tour of the country on September 27th in Dallas, Texas Stan will be in Cleveland on Oct. 13, at the Public Auditorium and the following night he will be at Cornell University. (What a budget, their Student Council must have.) Why so quiet Jack? -- And for all those capitalists who own TV, look for DINAH SHORE beginning in Nov. The RAY ANTHONY band is still the big name on the West Coast. --

Remember this name -- GEORGE SHEARING & CO. -- Headline in a local newspaper, "Mountain Moonshine Pays in Boardman if it Comes With Slightest Downbeat". -- They should live so long. -- Hillbilly Music. -- Focey. -- Nat "KING" COLE, DUKE ELLINGTON and SARAH VAUGHN are teaming up to play the concert halls across the country. -- Got a gander of songstress APRIL STEVENS the other week. -- Wow. -- now I know why they don't publish her picture. Every Tom, Dick and Harry would probably melt when they saw her.

Trumpeter Ray Wetzel was killed in an auto accident in Colorado. He played with Stan Kenton. -- remember the "big fat boy in the trumpet section." HARRY JAMES troupe takes to the road again this month and goes to Chicago.

DIZZY GILLESPIE is slated to "give out" at the Capitol lounge in Chicago. -- MEL TORME be-

comes the first pop artist to star on his own TV show over CBS. -- Mitt Color, too. --

HOME COMING DANCE -- when -- October 20, at STAMBAUGH AUDITORIUM. -- the band -- well your guess is as good as mine. -- lets really have a great big turn-out. You better get your date early, because the ratio of the sexes is still about four-to-one in favor of the men. Also the STAG DANCE on Friday the 19th, should pack them in. BERNIE RAGAZZO AND HIS ORCHESTRA will do the honors. --P.S. How about some cheering at the football games? The whole student section sounds like a bunch of old women. -- Have you checked the band, lately? -- Get with it boy, the band has reorganized and changed it's attitude. Why not SING the ALMA MATER -- and LOUD -- too. -- Lets show some school spirit by our actions, at the football games -- might help the team too.

Frosh Breakfast Held This Week

The annual Freshman Breakfast was held Wednesday, October 10, at the Pioneer Pavilion, from noon to 5 p.m.

Joe Iati was chairman for the event and Josie Frazzini assisted as co-chairman. Members of the Alpha Phi Omega Service Fraternity and the Alpha Pi Epsilon Service Sorority worked on the committees.

Music for dancing was provided by Bernie Ragazzo with vocals by Alexis Rufo. A variety of refreshments were served to the students, including cider, soft drinks and hot dogs. Decorations followed the traditional fall pattern.

General Andrus Inspects R.O.T.C.

Major General Cliff Andrus, deputy commander of the Second Army, visited Youngstown on the morning of October 1. He inspected the R.O.T.C. unit at Youngstown College and the new South Side Reserve Armory, General Andrus, who was accompanied by his aide, Captain E.W. Potter, was met in Youngstown by Colonel H. Jordan Theis, acting chief of Ohio Military District, and his deputy, Colonel S.D. Slaughter, accompanied by Major Donald L. Miller, senior unit instructor of the Organized Reserve Corps in Youngstown.

At the college, General Andrus inspected the facilities of the R.O.T.C. unit and conferred with the P.M.S.&T. and President Howard W. Jones. General Andrus was well pleased with the R.O.T.C. program in Youngstown.

General Andrus had a distinguished World War II record. At the time of the Pearl Harbor attack, he was stationed there as Artillery Commander of the 24th Division, one of the units now serving in Korea. After May 1942, he was first Artillery Commander and then Division Commander of the famous 1st Division which campaigned in Africa, Sicily and Europe, including the Omaha Beach landing in Normandy. His American decorations include the Distinguished Service Cross, the Distinguished Service Medal, The Silver Star, with Oak Leaf Cluster The Legion of Merit with Oak Leaf Cluster, The Soldiers Medal and The Bronze Star with Oak Leaf Cluster. In addition, he was awarded the French and Belgian Fourrageres, the French Legion of Honor and the French Croix de Guerre, with Palm.

OSU Offers Award

COLUMBUS, O., -- The Ohio Journal of Science will award \$150 for the outstanding original research paper by a member of the Ohio Academy of Science's chemistry section.

Manuscripts must be submitted by next Jan. 1, and announcement of the winner will come at the Academy's 1952 meeting.

Details on the award may be obtained from the editor-in-chief of the Ohio Journal of Science, Prof. Earl L. Green, a member of the zoology and entomology faculty at Ohio State University.

Attention, Freshmen And Sophomores

There will be an open house rush party given by the Sigma Delta Beta fraternity Wed. October 24 at the Boardman Vet's Club. Anyone wishing a ride will meet in the main hall at 7:00 p.m.

Enrollment Figures Show Change In Ratio

by Nancie O'Connor

The college opened this semester with 3,478 students including night students, day students, in-between students, and people you wouldn't call students. Of course this isn't the most accurate number because there are always a few stragglers. We all straggle at one time or another so I don't mean to hurt anyone because you know stragglers and I know stragglers.

The ratio between male and female is four to one. Subtract the married men and you have three to one. Subtract the engaged men and you have two to one. Subtract the fellows that "go steady" and you have one to one. Subtract the fellows that are still "one of the boys" and do you know what you have left? An all-girl school.

I will give all you girls a very helpful solution. The best of the men are the married men, and do you know why? They might possibly have a son your age that they keep chained in the cellar. I know I have a brother that we keep chained in the cellar. I almost told you something.

So therefore, we come to the conclusion that there was a drop in veteran enrollment and a gain in non-veteran enrollment. But now that the school year has started we're one big happy family so when you upper classmen see a freshman -- give them a smile because they're made of the same protoplasm you are. I know they'll appreciate the smile and you'll appreciate yourself for giving them one.

With the ENGINEERS . . .

by Ted Herman

Welcome back Engineers! Here we are again, the start of a new semester and already faces show signs of burning the midnight oil. A special welcome goes to the 110 Freshmen who have enrolled for the current semester. This class is one of the largest to enroll since the G.I. Bill of Rights was passed. The largest class during this period was 112 students in 1947.

Wow! You sure can tell whether the student is a freshman or not. Look at those new blue jeans tightly drawn at the ankles and those flashy sport shirts. I only know one senior who fits in this bracket but he is from Campbell. Is that right S. M.?

It is worthy to note that all of the full-time engineering faculty have Master's Degrees in their respective fields and over ninety per cent are working on their Doctorates. This shows that the faculty wants to become educated too. (Forgive me please) I am sure that the late Dean Deetz would be proud of this achievement if he were with us today.

Theses Again Seniors

All seniors are urged to see their respective thesis advisers. Titles of theses must be turned into the Engineering Office by October 17, 1951. The grading procedure on theses this year is somewhat different.

A grade of A to F will be given for the first semester's work on each thesis based upon a rough draft of your progress. This is due on or before January 5, 1952. Then in June a final grade will be given.

It has been announced by Mr. Karl Benkner that "How To Make Good Concrete" will be the topic of a lecture given by William J. Hagenlocker of North Canton, Field Engineer for the Portland Cement Association. This will take place on October 25, 1951 in the strength of materials laboratory at 1:30 p.m.

The lecture will include illustrations and instructions on how to make good concrete through proper selection of ingredients, proportioning, mixing, placing, finishing and curing. This is for engineering students only and should be very interesting make it a date!

Mu Pi Drive

Mu Pi Epsilon is opening membership drive and any engineering student with 76 credit hours plus a 2.00 point average can apply. Mu Pi is an honorary fraternity and if you have the qualifications, do not take it lightly, for it sends a recommendation before you even apply for a job.

A business firm will always ask if you belonged to an honorary frat-

Two New Teachers Added To Staff

Miss Joan Riley and Miss Babette Marks have joined the faculty of Youngstown College as full-time teachers, in full term classes, Dr. Howard W. Jones, president of the college, has announced. Miss Riley will teach in the School of Business and Miss Marks will be an instructor in the women's physical education department.

Miss Riley is a graduate of Mercyhurst College where she received the bachelor of science in commercial education degree. She was formerly with the faculty of Edgewood High School of Ashtabula.

She is a member of the N.E.A., Ohio Business Teachers Assoc. and Northwestern Ohio Teachers Assoc.

Miss Marks is a graduate of Ohio University where she received the bachelor of science in education degree in June of 1951. She was with the New York Girl Scout Council this past-summer as waterfront director of Camp Brady, Towners, N. Y. She is a member of Kappa Delta Pi, American Association and the Ohio Association for Health, Physical Education, and Recreation, and a member of the American Camping Association.

"Will your wife hit the ceiling when you come in this late?" "Probably—she's a rotten shot."

emity. If you have, your acceptance is enhanced over eighty per cent of all other applicants. So Juniors and seniors, check those point averages. Become a Mu Pi!

Thanks and appreciation go to Mr. Frank D'Isa and Miss 'Marge' Besenia, our office girl, who were responsible for the making and distribution of those pre-schedule forms we all filled out. This is to let Dean Ellis know what courses are in demand so that they will be on the curriculum next semester.

An "Advanced Physics Laboratory" course will be taught by Mr. Ross next semester. It will consist of the more difficult experiments on statics.

That's all for now fellows but don't forget, help keep the building clean by depositing those cigarette butts in the receptacles provided, for we all enjoy the privilege of smoking here.

5 times, also shirt and shoes will sell for \$25. Phone 5-8468.

Student Council Digest

.....The first meeting of the new council was held Sept. 21. The new officers for this semester are: President Jack Shea; Vice-president Dom Martin; Treasurer Lou Charles; Secretary Evelyn Booth.

.....Social Chairman Joe Dailey gave a report on the Freshman reception. Total cost was \$102.85.

.....Council approved an advance of not more than \$50 to Bob Hritzko for a cheerleader's uniform. This amount is to be charged to the Band Allocation Fund in the 1951-52 budget.

.....Alpha Pi Epsilon Service Sorority's charter was granted by council.

.....The Chairman of the 1951 Homecoming named by council is Leo Sainato. Sainato's plans included dance, rallies, parade and crowning of king and queen.

Rushing

Full time students who have attended Youngstown College for one semester and meet the grade requirements as specified on page 65 of the catalogue are eligible for rushing. This rule does not apply to those who previously have been initiated and are members of fraternities and sororities.

General regulations governing rushing are as follows, rushing season shall begin on Monday of

the fifth week of each semester and end on Sunday night of the ninth week, Sunday being designated as the first day of the week.

Rush parties shall be limited to three per semester. A joint rush party is one at which both fraternity and sorority members are present, and either or both has rushers present. This shall constitute a rush party for each organization.

Silent Period begins at 12:01 a.m. on Monday of the ninth week of each semester.

IT'S EASIER THAN EVER!

Students! Make money writing Lucky Strike jingles!

MORE FUN, TOO!

No tricks! No gimmicks! Takes no time—no special talent! You can make \$25.

Just write a simple four-line jingle based on the fact that

LUCKIES TASTE BETTER THAN ANY OTHER CIGARETTE!

(or other qualities of Luckies such as those listed below.)

Write a Lucky Strike jingle, like those you see on this page, based on the fact that Luckies taste better than any other cigarette, or other qualities of Luckies such as those listed below. If your jingle is selected for possible use in Lucky Strike advertising, we will pay you \$25 for the right to use it and your name in our advertising. Lucky Strike jingles will soon be running in your paper. Start today—send in as many jingles as you like. Be the first to write a jingle in your school!

Just made a great discovery which I announce with haste: Folks go for Lucky Strike because they like that better taste!

Before each class—and after too, I do just what I like—Relax—enjoy the better taste of good ol' Lucky Strike!

READ THESE SIMPLE INSTRUCTIONS

1. Write your Lucky Strike four-line jingle on a plain piece of paper or postcard and send it to Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y. Be sure that your name, address, college and class are included—and that they are legible.
2. Base your jingle on the fact that *Luckies taste better than any other cigarette*—or on any of the alternate themes below.
3. Every student of any college, university or post-graduate school may submit jingles.

IMPORTANT:

To make money writing jingles, it is not essential to base your jingle on "Luckies taste better than any other cigarette." You may base a jingle on other outstanding qualities of Luckies such as the following:

L.S./M.F.T.
Lucky Strike Means Fine Tobacco
Be Happy—Go Lucky!
So round, so firm, so fully packed
So free and easy on the draw
Buy Luckies by the carton
Luckies give you deep-down smoking enjoyment
Luckies are the world's best-made cigarette.

COPYRIGHT, THE AMERICAN TOBACCO COMPANY

ALPHA PI EPSILON

Rumors are flying --- and they're right, too! We now have our charter and we're rarin' to go with lots of new projects and ideas. Already on our "accomplished list" is the chairmanship of the Freshman Tea. We also helped out at the Freshman Breakfast.

Since our student mail project was successful last term, we are going to keep it going again this year.

One of our new projects is saving sales tax stamps for the blind. Serving refreshments at the Homecoming Rally is on our "coming up" list. All this and picnics too! Yes, we actually had time for two get-togethers this summer.

Our new officers, recently installed, are: Josie Frazzini, president; Cathy Bestis, secretary; Martha Clark, treasurer; Rosemary Bucieri, historian. Mrs. Dobrich is our senior faculty advisor, assisted by Mrs. Mills and Mrs. Shale. Congratulations to all of you! And an extra-special "Congrat" to Muffie on her nomination for Homecoming Queen.

KAPPA SIGMA KAPPA

Welcome to all of you innocent freshmen. May your stay here be happy and draft-free. Should you run into any trouble in a course, remember, all your worries will be eliminated if you drop it.

An all-day outing for rushees will be held at the East Palestine Country Club. Golfing for the early birds, and a varied sports schedule has been planned.

Plans for the 15th Annual Sadie Hawkins Dance are in the making under the co-chairmanship of Al McHugh and Gene Larsick. Tentative planning shows that it will be held at the Elms Ballroom with Bernie Rigazzo's orchestra.

The ranks of Kappa Sigma Kappa have been depleted somewhat, but the brothers are doing a grand job in successfully running the Frat. Everyone is sharing the load and doing a fine job.

A lengthy report on the national convention was given by Delegate Dick Hueskens. Dick Cercone, Al McHugh, Wayne Ault, and Bill Latham accompanied Dick to the convention. Indianapolis will never be the same, believe us.

All the luck in the world to Leo Sainato with his chairmanship of Homecoming.

PHI GAMMA

Well brothers, we begin another year. Summer hasn't left too many scars. Congrats to Bill Snyder who passed out cigars, I never thought we would see the day when Muzzle-mouth (G.H. guess who) was hen pecked, but it happens to most of us. No reflection intended towards our untrepid brothers.

A fine time was had by all at our anniversary dance. A bouquet of roses for Marilyn Dunn our choice for Homecoming Queen.

We had a social last Monday night and played cards. Tino won first prize; Conger won the booby prize, a barrel.

If anyone needs any hula dancers for a party, the Phi Gams can supply you with some.

PI BETA CHI

Members of Pi Beta Chi extend congratulations to our new officers: President, Dick Davis; Vice-President, Jim Donegan; Secretary, Dick Mills; Treasurer, Ray Feranchak; and to our other officials: Sergeant-at-arms, Dave Flint; Social Chairman, Dean Hawk; Pledge Master, Sam Pitocchia; Student Council Representative, Bill Williams; Pan-hellenic Representatives, Dean Hawk and Tom Hoyt.

While we are in the department we have hearty felicitations for Allen Crouch on his engagement.

We regret that our active membership list no longer includes Charles Beight who is at Wittenberg this year.

Pi Beta Chi had a hayride September 29th. Those who didn't have hay fever had a good time, and maybe even those who had hay fever had some fun too.

Rush season is rushing right at us, and our first rush party will be on the 18th of October.

Look out for our raffle tickets! Here is a wonderful opportunity to get yourself a new radio, it's both portable and plug-in.

We wish to extend our very best wishes to Miss Barbara Sowers, our candidate for Homecoming Queen.

SIGMA DELTA BETA

After starting the season off with a bang we pulled all the straw from the hayride out of our pockets and settled down to some serious work. John Adams was elected president for the fall semester while Jack DeRose and George Finora were elected secretary and treasurer respectively.

Leo Sainato is chairman of Homecoming and with all of us behind him, we hope it will be a tremendous success.

Our first rush party will be an open house affair and all freshmen and sophomores are cordially invited. Posters designating the time and place are displayed in the main hall.

ALPHA IOTA

Most of us have been here for summer school so we can't say it's good to be back, but we certainly will say it's good to see everyone else back. (In spite of the fact that we can never find a seat in the cafeteria at noon anymore.)

First our congratulations to Nancy Ferguson, our newly elected president. May the year bring you good fortune and smooth sailing.

Other new officers are Carol Owens, vice-president; Lou Ann Reader, treasurer; Dolores Bryan, secretary; Betsy Dustman, pledge captain; Joan Butler, chaplain; Florence Strang, marshal; and Millie Stefanick, historian.

It's a sad good-bye to Mrs. Filz, former co-sponsor of the sorority, who resigned this summer. A surprise miscellaneous shower was held in her honor Sept. 18. We certainly will miss her and all the many lovely shorthand assignments she gave us.

Our first rush party, under the chairmanship of Dolores Bryan and Millie Stefanick, was in the form of a square dance at Pioneer Pavilion. Plans are being made for another one at Ravers Tavern.

GAMMA SIGMA

Things are really happening now that the fall semester is under way.

First of all, congratulations are in order for our sisters, Lou Parker and Rose O'Horo, candidates for Homecoming Queen; also to our brothers Leo Sainato, Homecoming chairman, and Mark "Fizz" Markos, our candidate for King.

We are sure everyone misses Mary Jo (Nurse) Davin as much as we do. No one else could apply iodine with such a fiendish grin. If you have time for a good laugh ask Lil Salem about a slight case of mistaken identity.

Our annual sale of mums is now in full swing. Order yours today for the Homecoming game from any Gamma Sig. Price is \$1.00.

Let's turn out for the Homecoming celebrations and make it the biggest affair of the semester. Fellas, ask your favorite girl (decked out in a mum, of course) and let's all cheer YoCo on.

PHI SIGMA EPSILON

From the smiles on all the Phi Sig's it's easy to tell they had a good summer.

The annual Phi Sig Reunion was held July 1, at Dunn-Eden. All alumni, their families and the active members had an enjoyable time with ball games (the actives were beaten), swimming, various contests and a bonfire. To terminate our summer we spent the Labor Day weekend at Geneva in a vacationer's dream cottage, the "Donald Duck".

Two of our boys received the call, Steve Mislav and Ray Grazier. Best of luck to them.

Four Phi Sigs have joined the cheerleading squad, "Mouse" Moskalik, Bob Hritzo, Bill Martin and Bob Anderson. Good luck, fellows.

Special thanks to Bob Hritzo (newly elected Pan-hellenic president) and Gerry Lewis for starting the ball rolling on the Touchdown Trot.

ALPHA THETA DELTA

Spring is sprung and fall is fell, we're all back at YoCo and things are swell.

Our officers for the coming year are Carolyn Clark, president; Pat Baluck, vice-president; Jean Penneck, recording secretary; Jolly Cox, corresponding secretary; Pozzie Martin, treasurer; Gerry Lewis, social chairman; Carolyn Clark, student council representative, Marilyn McCallen and Josie Frazzini, Pan-hellenic representatives.

Congratulations go to last year's president Betty Dimenno, who is now Mrs. Chuck Bannon, and to our Homecoming candidates, Martha, Clark and Wally Feichtenbeiner.

Our fall and winter schedule is getting under way with the help of our social chairman. Coming up next is a party with Sigma Sigma.

'White House' Meet Hits Child Problems

Under the direction of Dr. Essig representatives from the Mahoning County high schools and Youngstown College met recently to discuss the findings of the White House Conference on Youth and Children.

The purpose of this meeting was to plan a "Little White House Conference" which will deal with the problems of youth in this county. The aims of the representatives are to discuss the problems of youth and offer suggestions for improvement.

In the future meetings mental hygiene, the education of the mentally deficient child, the child at home and school, health problems, housing conditions, care of delinquents, child labor, work opportunities and other topics will be discussed.

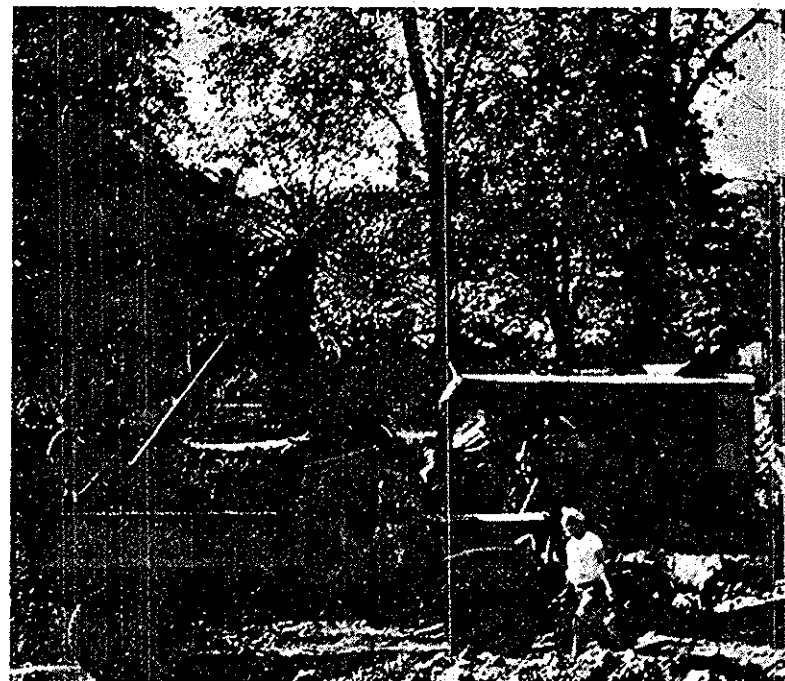

Will Continue Meetings

The representatives, attending the first meeting were Jack Shea and Josie Frazzini. Miss Boyer attended as an advisor. The representatives for the next meeting will be Alex Muntean and members of the Psychology, Sociology and Education departments.

Sponsoring the project is the Junior Presidents Club. Also affiliated with the project are the Parent Teacher Association and the Education Department of Youngstown.

BUY A MUM

New College Library Construction Begins

Above, some of the wealth of equipment which is speeding the construction of the million-dollar college library.

- Marilyn McCallen

The bronze Indian scout has been dislodged, the trees have been removed, and the steam shovels are at work on the location of the three-story, million-dollar library that is to grace the northwest corner of the Youngstown College Campus. Located on the corner of the Bryson and Spring streets, the two-hundred and two foot long structure, with its main entrance facing the college, will hold a total capacity of 260,000 volumes.

Veteran, Total Enrollment Show 1951-52 Decrease

Youngstown College opened fall classes this semester with a total enrollment of 3,351 students to date, showing a gain in non-veteran enrollment of 91 and a loss in veteran enrollment of 481, Dr. Howard W. Jones, president of the college, announced. Total enrollment last fall was 3,741.

Veteran enrollment for this fall total 1,292 as against 1,773 for last fall. Two hundred and eighty-three veterans were graduated from the college last June, which accounts for a part of the drop, Dr. Jones said.

Although the breakdown of enrollment is by no means complete as yet, Dr. Jones said, a partial breakdown shows an enrollment of 1,576 full-time students, 1,675 part-time, including both day and evening students, and 100 law students, or a total of 3,351. The veteran enrollment of 1,292 includes 518 full-time students and 774 part-time, Dr. Jones said.

Even though the total enrollment is somewhat lower than last fall, because of the attempt to keep classes from becoming overcrowded by dividing large classes into sections, the college has been forced to increase the classroom space. This has been accomplished by utilizing all of the Youth Center at 21 E. Rayen Ave., formerly used by the Y.M.C.A. Several classes also are being held at the Public Library and one at the Board of Education building, Dr. Jones said. The space in the Youth Center is devoted to courses in metallurgy, iron foundry practice, and statics.

Hritzo Elected Greek President

At a recent meeting of the Pan-Hellenic Council Bob Hritzo, of Phi Sigma Epsilon Fraternity, was elected president and Mary Welch, of Gamma Sigma Sorority, was elected Secretary-Treasurer.

Council voted to hold its meetings on the first Wednesday of every month at 3:00 p.m. The room number will be published in the daily bulletin. Neon pictures of Pan-Hel Council will be taken on October 17 at 3:00.

Mr. Kenneth Kitchen, faculty advisor, presided over the meeting during the nominations and elections.

The modern architecture, designed by Kling and Frost will provide efficiency as well as beauty in the new structure. Charles Shurtz and Sons are doing the general contracting and if all materials can be obtained on schedule, hope to have the building completed within twelve to eighteen months.

The library portion of the building will accommodate six hundred students. At the north end of the structure nine classrooms will be located on the three floors and the second floor will house thirteen offices for faculty members.

Three large reading rooms will be included, with two located on the first floor and one on the second floor. An extra combination smoking and reading room will accommodate about eighty-five people on the third floor. For individual study students will find fifty-nine carrels, or small enclosures throughout the building and eight sound-proof typing booths will be found on the first and third floors.

The building will also house a visual education or forum room, a faculty lounge, a women's lounge, a micro-film reading room, and cases for college and art exhibits.

The site for the new structure was purchased by the college in 1949 and funds were obtained from local industries and business concerns along with individual gifts and a student-faculty contribution of approximately \$27,000.

James W. Pirie, director of libraries at Youngstown College, worked with architects during the designing and made extensive studies with them in order to produce the best accommodations for college students needs.

Dykema's Daughter Enters Columbia U.

Miss Patricia C. Dykema, daughter of Professor and Mrs. Karl W. Dykema, of Youngstown College's English department, has recently been accepted as a freshman at Barnard College of Columbia University. Miss Dykema graduated from the Schweizerische Alpine Mittelschule, Switzerland.

YoCo Seeks 11th Straight Homecoming Win

Dayton Smothers Locals, 27-7 In Fourth Straight Flyer Win

Dayton University's Flyers displayed a deceptive offense and an almost impenetrable defense as they downed the Penguins by a 27 to 7 count in YoCo's second home appearance. It was the Daytonites fourth straight win over Youngstown who has yet to beat the Flyers

Early in the game, Felix Rutecki intercepted a pass and got back to the Dayton 34-yard line. The Flyers gave up only three yards in four tries. In five plays Dayton then traveled 69 yards for their first touchdown. The score came on a 51-yard jaunt around end.

Goldston was hurt and George Dokmanovich, who hadn't seen action yet this season because of an injured knee, was sent into the game. In the second period Dokmanovich and the Penguins took to the air in an effort to get back in the ball game. Dayton intercepted one of the aeriels to halt the drive near the Flyer goal line.

The clever Dayton quarterback then began to move the Flyer team goalward. Four passes helped gain distance for a score and a sensational catch was good for the touchdown. On the first play of the last quarter the brilliant Dayton quarterback passed for the Flyers Third touchdown.

Youngstown wasn't able to move the ball after the kick-off and Boliver was forced to punt, the ball going out of bounds on the YoCo 29-yard line. The Flyers went off tackle for their final score of the game.

Youngstown's only score came when Ed Nogowski, sub fullback from Pittsburg, intercepted a pass and raced 34 yards to pay dirt. The game was dominated almost entirely by the huge Dayton line which smothered the Penguin offense. In the yards rushing department the Penguins had a minus number. Leo Coughlin was a sensation as he backed up the Youngstown forward wall.

Ralph Goldston

Vivo Clarifies Ticket Sales, Student Seating

Ticket sales manager Tony Vivo announced that tickets for all remaining home games are on sale at the Athletic Office (located directly west of the main building).

Students desiring to take dates into the student stands must have an activity book. The student must have his football ticket book. His or her date must have a general admission ticket. The activity book is only good to get into the student stands.

Any member of the alumni wishing to sit in the section of seats that is reserved for them may do so. When purchasing a ticket, either from the school or at the game, all that is necessary is to ask for the alumni section.

Information regarding this or any other detail may be had by calling the athletic ticket office.

Sports Editor George Mitchell
Sports Writer Snarky Parker

Face Heavy St. Francis Team At Rayen Stadium Oct. 20

The Youngstown College football team will be out to notch its eleventh straight homecoming victory Saturday when they tangle with St. Francis College from Loretto, Pa.

The Frankies boast a fast team. On numerous occasions to date the backs have been able to break through the line and get away for long gains. Thus far the teams have met only once, that was back in 1939. The Penguins were victorious in that encounter 20-6.

Xavier Rips YoCo, 48-0

The Xavier University Musketeers struck through the air and on the ground to run roughshod over an injury riddled Penguin team, Saturday 48-0. Ralph Goldston, YoCo's running threat, didn't even suit out for the game and George Dokmanovich, Youngstown's ace passer, was injured early in the game.

The Muskies opened fast and were able to push over four touchdowns by half-time. Outweighed considerably by the mighty Muskies, Youngstown's line waged a determined, but almost futile struggle. Coach Beede used a five man line with four linebackers but the edge in weight and reserves were too much for the Penguins to over come.

A look at the statistics will show the wide margin enjoyed by the Xavier team. Youngstown didn't get its initial first-and-ten until after the half-time intermission. Dokmanovich passed to George Ceremuga for the first down. The Penguins were able to notch only four first downs and wound up with a minus number in the yards rushing department.

After losing three of their first four games the Penguins hope to get back on the winning trail against St. Francis Saturday night in the homecoming tilt. Ralph Goldston will be back in uniform to strengthen the running game for the light but fast Frankies.

Pete Finamore

Following are a list of the Homecoming games that have been played to date:

1938	YoCo	46	Clarion Teachers	0
39		46	Westminster	0
40		28	Tennessee Tech	13
41		19	Akron University	0
42		35	Illinois Wesleyan	6
43-44-45			Football suspended for	
			War duration	
46		33	Scranton	14
47		13	Central Michigan	7
48		36	Mississippi Col.	7
49		21	Mount Union	6
50		14	Niagara	6

Goldston, Rutecki Star As YoCo Shades JC's

A forward pass from Ralph Goldston to John Boliver and a field goal and an extra point by Felix Rutecki accounted for the Penguins 10 points as Youngstown shaded the John Carroll Blue Streaks 10 to 6 in YOCO's home opener.

Defensively the Youngstown team looked very capable as they held the Streaks on numerous occasions when the visitors seemed headed for a score.

In the first period, Goldston, Ceremuga and Housteau moved the ball deep into John Carroll territory before the Penguin offense bogged down. At this point Rutecki booted a field goal and Youngstown led by three points.

Both teams displayed a strong running game. Neither, however, could muster enough punch to push over a score during the second period although both were able to penetrate deep into enemy territory.

After Youngstown's aerial game went astray in the third quarter, the Streaks moved 66 yards to a touchdown. Lou Chiaro blocked the placement attempt for the point-after-touchdown and John Carroll led six to three.

In the fourth quarter the Streaks seemed headed for another touchdown. They were deep in Penguin territory and needed one yard for a first-and-ten. Henry Pezzuolo recovered a John Carroll fumble and the Youngstown team made a determined effort to get back in the ball game.

Housteau and Goldston moved the ball to the 34. Angelo Pezzuolo was the target of a completed pass and carried to mid-field. Goldston then brought the crowd to its feet as he raced deep into Carroll territory. Housteau rammed the line and got to the JC four yard line. The deciding marker came on a pass from Goldston to Boliver. Rutecki kicked the extra point to boost the margin to 10-6 in favor of Youngstown College.

With time running out John Carroll took to the air lanes in an effort to pull the game out of the fire. A screen pass moved the Streaks deep into Penguin territory where at any moment a long pass might pay off with a touchdown. Francis Schaville intercepted one of the enemy aeriels on the YOCO six and brought it out to the 25 yard line. The game ended there as Youngstown ran out the remaining time.

Rosselli Announces I-M Bowling Teams

Intra-mural bowling will officially open next Sunday, Oct. 21 at the Northside Alleys. Director Dom Rosselli announced today.

The entries bowled practice games last Sunday to establish individual handicaps. Rosselli said competition will continue for 18 weeks.

Dom Rosselli director of intra-mural athletics today announced that the following teams were entered in the bowling league:

Phi Sigs - (Tony Kubilis), Newman No. 1 - (John Curtis), Newman No. 2 - (Dave Massaro), Kappa Sigs (Ed Komp), Phi Gamma No. 1 - (Jim Dunn), Phi Gamma No. 2 - (Jim Dunn), R.O.T.C. - (Bob Webster), Phi Beta Chi - (Bill Dell), Sigma Sigma - (None), Alpha Sigma (None).

SNARKY SEZ . . .

by Snarky Parker

Here we are back again to give forth with some comments on the sports world and also add to the confusion of experts with some mild bits of agitating remarks.

First of all, I'd like to pat myself on the back for the prediction I made in the April 13, 1951 issue of the JAMBAR. Seems I stumbled upon a good pick for the National League. Here is an excerpt from that paper. "Over in the Senior circuit, the beautiful Lorraine Day and her husband's New York Giants get the nod over Charlie Dessen's hustling Brooklyn Dodgers." Believe me when I said nod. I had no idea how close a nod it was going to be. "How About that?"

The American League predictions jings were quite a bit off - I picked the 1-2-3 to be Boston, Cleveland and New York and it ended up 3-2-1 with the Yanks, Indians and Boston.

All I have to say is that if my boy WALT DROPO was hitting, it would have been no contest in that league. Poor Walt's bat never did get in from Louisville.

In answer to the many inquiries about why they shipped DROPO to the coast, well it was like this, the BIG SERB was sick and needed some change of climate, so, on to the coast and some good hot weather. Smoke that in your pipe "Bear".

HERE 'N THERE

Something new to the column, things of interest that have been picked up "HERE 'N THERE..... I'd like to take time out to give a couple of fellows credit for the job of umpiring they did in last Springs Intra-Mural League. Seriously, BOB LYNN and LOU CHIARO were the two best umpires in the league... I'm glad to see another RED SOX fan, FRAN RESTELLI, has become a cheerleader for YOCO.... WALTER ANGELO, former YoCo grid stalwart, is in the Marines down at Paris Island, S.C.... "WALLY" writes and sends along a big hello to all his friends around the campus.... TONY MARCOVECCIO, another YoCoite, is in the army and is stationed at Indiantown Gap, Pa. TONY also passes along a greeting to all his friends....SAM PAGANO, Penguin griddler, helps his brother run a laundry in his spare moments....It's over in Girard, Ohio and for some excellent laundry service, see SAM....If you see TONY CLEMENTE walking around with a smile, it's because two of his FIREPLUG buddies, YOGI BERRA and PHIL RIZZUTO did great in the stretch drive for the YANKEES....Can't see how RIZZUTO got away from that rule barring midgets....That's enough for this issue but if you have some news you picked up "HERE 'N THERE", drop them off at the Jambar office in care of 'Ole Snarky....

So until next issue remember this,if you ever need a friend,.... BUY A DOG.....

Marine Passes Are Too Much For Ground-Geared YoCoites

A tough marine defense and an 86-degree temperature kept the Penguins from getting off to a winning season against Camp Lejeune marines. The big difference came in the aerial game. The marines threw a dozen passes and completed seven of them for 146 yards. On the other hand the Penguins only completed four out of 17 passes for 30 yards. On four different occasions the YOCO passes fell into the defenders hands to halt drives toward the Lejeune goal. Until the lone Youngstown touchdown the marines were able to keep the Penguins from penetrating deeper than the Lejeune 39-yard line.

On the ground it was a slightly different story. In the first down department the Youngstown team held a 11 to 10 margin. In the yards rushing YOCO led by a 42 yard edge. This makes it look like the Penguins have a terrific running attack but sadly lack a passer that can keep the defense loose enough to permit the backs to "get away".

Augie Yahn, former Youngstown, gave the leathernecks their first "break" when he recovered a Penguin fumble. A pass interference put the marines on the YOCO four yard line. Another pass provided the first Lejeune score. In the

third period a Penguin flatpass backfired and the marines raced to their second touchdown.

On the same type of play that chalked up the marines' second TD, the Penguins dented the scoring column when Bob Housteau intercepted a pass and went all the way for a score. At this point the Lejeune team really poured it on. After the kick-off following the YOCO score, the marines traveled 69 yards in only four plays for their third touchdown.

Defensively Leo Coughlin, a line backer, and end John Boliver were standouts for Youngstown while Ralph Goldston was the offensive show. The marines had a net gain of 115 yards rushing and the elusive Goldston churned out 114 yards, almost as much as the whole marine team amassed.

Counseling Office

Continued from page 1

which is a significant factor on every college campus.

A well staffed and equipped Testing Office under the supervision of the Dean's Office is available to the two Student Counselors, Dr. Gould and Mrs. Botty whose counseling services may be used by YoCo's students for guidance in vocational, academic and personal problems.

Dean Smith and Dr. Gould's offices are located in Room 110 of the Main Building. Mrs. Botty's recently re-decorated office is in the Tower Room - number 210 next to the Testing Office in the Main Building. Mrs. Botty expressed her thanks to the Administration and to the Art Department for their help in placing the counseling office on our campus.

Basketball Tryouts Begin Mon., Oct. 22

Varsity basketball tryouts will begin at 7 p.m. Monday, Oct. 22 in the upper gym of the YMCA. Head coach Dom Rosselli revealed today. Anyone interested in playing varsity basketball must attend.

Class Election Results Told

Election results were announced today by Jack Shea, council president after students of all classes voted for officers last week.

Jack DeRose was elected president of the senior class, Robert Clayton treasurer and Carolyn Clark secretary. The vice presidential election was contested and will be held again Friday.

Juniors elected George Geletha to head their class and Josie Prazzini vice president. Lou Charles and Marilyn McCallen were voted treasurer and secretary.

Robert W. Jones outdrew opponents in the sophomore class election. Nancie O'Connor was elected vice president, Rose and Charlotte Italiano secretary and treasurer.

In freshman voting Lou Mirage won the presidential election. Chuck Dillmar was chosen vice president, Shirley Blake treasurer and Jean McNulty secretary.

Coroner: "And what were your husband's last words?"

Widow: "He said, 'I don't see how they can make a profit out of this stuff at a dollar and a quarter a pint'."

Homecoming

Continued from page 1

abandoned and with it Homecoming plans were sacrificed for the war effort.

After the male enrollment increased a revival of interest in Homecoming spread through the College and provided YoCo with another victory to honor its chosen queen Wanda Foremski.

The same undaunted school spirit prevailed in 1947-48-49, and Youngstown remained in the winning column, keeping an unblemished Homecoming record. The queens' throne in these years was occupied by Martha Altman, Peggy Biga and Joyce Webb.

Seek Managers For Cage Squad

Two varsity basketball managers will be chosen in the near future by the athletic department. Dom Rosselli has asked any students interested in the job to get in touch with him or the athletic department.

"They say that if you don't drink, smoke, or run around with women, you'll live longer."

"That's allie, it only seems longer."

There's a new hollow moth ball, girls. You tuck your bathing suit safely inside.

Freshman Rally, Parade of Floats

Continued from page 1

parking lot. The King, Queen and her court will be introduced, and entertainment will follow. After this rally there will be a stag dance in Strouss Memorial Auditorium, featuring Bernie Ragazzo and his orchestra.

Last year the traditional ceremonies were carried into the second half of the century, with a YoCo victory over Niagara contributing to the success of this Homecoming. Lois Zuercher reigned in the royal court.

Sainato Appointed

Other committee chairmen are: Bob Hritz, Friday afternoon rally; Jim McGinty, Friday night Stag dance; Bob Watson, halftime ceremony; Evelyn Downie, flowers and gifts; Caroline Clark, Special Display; Susan Carlyle, Jim Adsit, and Bill Houeks, decorations.

Frosh Co-Ed Clubs Are Organized Here

All full-time Freshman Women students are being scheduled for one of three Frosh Campus Co-ed Clubs by Mrs. Pauline E. Botty, Student Counselor. Meetings will be held in Pollock House once a month during the school year on the second Monday, Tuesday, and Wednesday of each month beginning with October.

The Clubs, Mrs. Botty says, are intended to provide the fellowship and associations usually found in college dormitories. The women are being notified by mail of their meeting hours while lists are also being posted on Mrs. Botty's bulletin board next to Room 210 of the Main Building.

"The Dean says he's going to stop smoking in school."

"Next thing he'll be asking us to stop."
