SC Takes Parking Problem To City Council

SC President Outlines YU's 'Old Problem'

By Dick Blake

Action has finally been taken against the ever increasing parking problem here at Youngstown University. Student Council, under the leadership of President, Bill Moore, has made the initial move by taking the question to the Youngstown City Council.

A petition was circulated and signed by the students, then presented to City Council with the following letter:

Mr. Richard J. Barrett
President, City Council
City Hall
Youngstown, Ohio

Sir:

The students of Youngstown University are faced with a problem, the seriousness of which cannot be emphasized too greatly. This problem has plagued us even before the enrollment had risen to the high point at which it now stands; and with the large number of students attending the University, the situation is becoming more and more difficult.

The problem is the lack of parking facilities in the University area. The resulting confusion has prompted us to seek the aid of the City Council.

As the situation exists, there is parking space for 350 to 400 students. At least twice that number drive to school every day. It is impossible for all of the students to be accommodated in the four University parking lots.

With the two-hour parking limit on the streets in the immediate vicinity, the possibility of student utilization of public parking space is greatly reduced.

In writing this letter, the Student Council

Faculty Members Attend Conference

Four members of the Youngstown University faculty recently attended a conference at Mount Union College on college testing.

Mrs. Olive Pope McCarty, dean of women and the official representative was accompanied by Prof. Karl Dykema, director of the division of language and literature; Prof. William C. Baker of the English faculty; and Dr. Joseph F. Swartz of the education faculty.

The conference, which was sponsored by the North Central Association Committee on Liberal Arts Education and Mount Union College, consisted of general sessions and small group discussions pertaining to methods used in college testing including essay and objective testing.

Judy Millard

Judy Millard Will Receive Crown At Intermission

Charming Judy Millard reigns over the 12th annual Newman Club Mardi Gras tomorrow evening at Idora Park from 9 to 1. Dancing will be to the music of Nick Barile and His Orchestra.

Recital, Opera On Schedule for Dana School Of Music

A recital by the Dana Concert Band on March 27, 1957, and presentation of the opera "Cosi Fan Tutte," April 5 and 6, are numbered among the coming attractions sponsored by the Dana School of Music of Youngstown University.

The announcement came following this Wednesday evening's recital in C.J. Strouss Auditorium by the Delta Eta Chapter of Phi Mu Alpha Sinfonia, national honorary music fraternity on campus.

Included in this performance were "Golden Sonata," by Henry Purcell, with Francis Pittcock on the violin, Russell Colton, viola, and Robert Lewis, piano; vocal selections by David Riley, Norman Cassidy, Edward Maykowski, Ronald Gesaman, and Ronald Hatch, baritone; trumpet solo by John Sanchez; and piano solo by David Stokan.

Prof. Raymond Dehnbostel of the Dana faculty will direct next month's performance of the Dana Concert Band. The program will be announced at a later date.

Lauger Elected Sec Of Student Forum

The Youngstown University Student Forum elected Miss B. Lauger to the office of secretary in order to fill the vacancy created by the graduation of Miss W. Stein.

The election took place at the Forum's last regular meeting.

The organization also discussed projects to be undertaken in the near future. The next meeting of the Forum is scheduled for March 3 at 6:30 in the Green Room of Pollock House.

This meeting will be open to all students of Youngstown University.

ATTENTION SENIOR WOMEN

All senior women, January, June, or August graduates, are to come in for interview with Dean of Women, prior to April 6. Please make appointments in Room 210.

Kennedy, Komer Will Head Religious Emphasis Week

Ronald Komer, Newman Club president, and Paul Kennedy, president of Religion In Life, are student chairman for Youngstown University's second annual Religious Emphasis Week.

Catholic services during the week will be held at St. Joseph's Church on Mon. and Tues. noons and on Wed. at 11 a.m. Classes will be excused for the Wed. services.

Catholic activities will culminate with the Ash Wednesday service. Father Paul M. Petric, Catholic chaplain will conduct the services.

Rev. Albert L. Linder, Protestant chaplain, and Paul Kennedy, committee chairman, announce the appearance of Dr. Roy S. Lee, Chaplain at Oxford University, Oxford, England.

Dr. Lee will present the first of his addresses at the opening convocation at the First Christian Church. There will be a reception for Dr. Lee in the Fellowship Hall of the church after the convocation.

Faculty and staff are invited to attend St. John's Episcopal Church Mon. night when Dr. Lee will again speak. He will deliver another address.

Ault, Capuzello Give Recitals

Miss Joan Ault, contralto, and Miss Theresa Capuzello, pianist, were presented by the Dana School of Music of Youngstown University in their sophomore recital recently.

Miss Ault, daughter of Mr. and Mrs. Stephen Ault, Western Reserve Road, Poland, sang compositions by J.S. Bach, Bizet, Gabriel Faure, Tschaiikowsky, Franz, Brahms, Ralph Vaughn-Williams, John Duke, and Beethoven.

Miss Capuzello is a daughter of Mr. and Mrs. John Capuzello, 5618 New England Boulevard. She played selections by Bach, Chopin, Mozart, Gershwin, Dmitri Shostakovich and Beethoven.

Council Will Place Suggestion Boxes

By Sam Sanfilippo

Student Council has recently ordered a number of suggestion boxes which will be placed at various points on the campus, in the near future.

Many complaints have been voiced on campus about numerous matters which should be handled by the council. Unfortunately, none of these complaints have reached Student Council Meetings.

It is the hope of council that any grievances or suggestions for correction will be written up and placed in these suggestion boxes where they can reach the meeting and action may be taken in consideration of them.

NOTICE

Any Freshman or Sophomore girl having completed 12 credit hours or more and wishing to become a sponsor for the Pershing Rifles, please contact Dean McCarty for an application blank.

All applications must be returned by March 5, 1957 to the Dean's office. For further information, contact our present sponsor, Mary Lou Moss, or any Pershing Rifleman.

Miss Millard, a sophomore majoring in education, is a member of Phi Lambda Delta sorority. Members of her court are Joanne Kaschak, Loretta Liptak, Madalynne Sweeny and Mary Ann Gillespie.

Intermission Highlight

A highlight of the intermission program will be the crowning of the 1957 Mardi Gras Queen, following presentation of the queen and the members of her court by Master of Ceremonies, William Sponster, former Newman Club president and now president of Sigma Phi Epsilon fraternity.

Tom Fortunato is general chairman for the dance. Aiding in preparation for the dance are Ed. Hritzko, advertising; Vido Leardi, publicity; Carol Emery, decorations; Betsy McClurkin, chaperones and Angie Stizza and Joyce Doyle, guests.

Tickets for the semi-formal dance are \$2.25 per couple, it has been announced by ticket chairman, Nick Pupino.

Penguins Win Last Five; End Season With 18-3 Record

By Ron Vanasky

Surrendering to the Steel Town quintet in five big sweeps were Westminster, Steubenville, Slippery Rock, Laurence Tech, and Detroit Tech, as the Cardinal and White extended its win streak to eight in succession, 18 of 21 for the season, and 16 straight on the home floor.

The Penguins met Westminster in a road tilt on Feb. 9 at New Wilmington and toppled the Titans in a terrific tussle, 81-77. Lake, with 27 markers, and Yugovich and Taylor, with 25 and 18 each, respectively, led the Youngstowners. George Strehler bagged 20 points to top the Titans.

Hank Kuzma's towering College of Steubenville aggregation invaded the Field House on Feb. 13 for a long-awaited game, but fell to the Penguin's steady attack, 78-59.

Featured in the contest were two of the nation's top four smaller-college rebounders, in 6-5 Herb Lake of Youngstown and 6-6 Jim Smith, sensational Steubenville star and All-American candidate.

"Big Orange" Mickey Yugovich topped the Penguins with 20 tallies and Charley Moore added 16. Smith was high for the Barons with 18.

Hospitality

Recently the newly organized Youngstown University Student Association sponsored a bus trip to an out-of-town basketball game at Slippery Rock. Youngstown students supported this trip with much enthusiasm. Successful as the trip should have been we were saddened to say it was not as pleasant an experience as we had expected.

Possibly the fact that Y.U. trounced them 106-68, Slippery Rock's hospitality "slipped". We were very sorry it "slipped". Y.U. students have always, we believe, clearly realized the value of good inter-collegiate relationships. Evidently this is not the case with certain elements of the present Slippery Rock students.

Under the leadership of the cheerleaders everyone gave the team the moral support which is usually lacking at an away game. And on the whole, before and during the first quarter until Youngstown took the lead, they seemed as friendly as could be expected. They very nicely invited the YU students to attend their "winners" frolic.

Then things started to happen as the Penguins started to walk all over the Rockets and, evidently, where Slippery Rock "slipped". The dance was quickly changed to the "losers" frolic and YU students were informed that the dance was strictly for Slippery Rock students ONLY. Maybe this was a decision made by only a few of their students but, if so, they have the wrong attitude.

At Youngstown, the students have always to my knowledge been very friendly in all respects. I'm sure what has been said here will serve as a lesson to Slippery Rock and a reminder to YU students.

Speaking for the student body and the administration, visiting college students will all be welcome at YU activities, including Slippery Rock.

A Letter To The Editor

Spotlighting Complaints

Conditions at Youngstown University, both property and student body, have reached a point where definite action should be taken to rectify their shortcomings.

Many students attending classes have made pointed remarks concerning classrooms, restrooms, and total lack of respect on the part of some students for reference volumes.

It is not beyond one's capacity to realize that the record enrollment has taxed existing facilities beyond the point they were meant to serve.

Can't Be Denied

This cannot be denied, but with the help and cooperation of the student body, maintenance department and persons responsible for operation of the University they can be improved.

Cleanliness in our classrooms poses a major problem for the maintenance department. The rooms are in continual use from morning till late in the evenings, limiting custodians hours from 10 p.m. to 8 a.m. Oft repeated remarks about the mode of dress of students is met with a terse reply.

"A person can't spend the entire day attending classes in proper at-

tire befitting a university because of the classroom conditions."

Reference must be made to our new Library building in this summarization of campus conditions. Its construction was made possible by the efforts of President Howard Jones and the University Board of Directors to win support from industry and civic minded persons.

Many volumes on the shelves have been contributed by the "Friends of Youngstown University", either in monetary contributions or physical volumes.

Extend Thanks

A hearty thanks should be extended by the entire student body to these staunch backers of the school. However this is not the true picture which exists in regards to our reference room volumes.

Many times it has been the students lot to consult the reference room volumes only to find the strategic pages of information missing.

This misdemeanor must be curbed and should fall upon the conscientious cooperation of all to eliminate the nuisance and to protect the

College classes consist of students fresh out of high school as well as students who have served several years in the Armed Forces. The question in this issue is concerned with whether or not students who have come to college from high school have an advantage or a disadvantage over veterans.

Tom Glover, Sophomore

"A veteran knows the need of a college degree and being older realizes that he cannot waste time in acquiring his degree. He also has the benefit of the G.I. Bill to help him financially. The high school graduate is immature and too willing to put his studies aside to have a good time."

Carol Crisal, Sophomore

"For perhaps the first semester of college, students entering from high school have the advantage. This advantage is in the fact that these students are used to sitting through hours of classes and also they still have good study habits. However, the maturity of veterans helps the veteran to realize his goal and thus the veteran is willing to work toward the fulfillment of that goal."

Harry Joyce, Senior

"I definitely think the veterans have an advantage over the students just out of high school. First, the majority of vets, are more settled in their ways. Secondly, the veterans are at a point where they have to decide what they plan to do in the future. Thirdly, it is my opinion that vets get more value out of a course. Each veteran knows how he stands at the end of each month and he is also required to attend all his classes."

Anthony Verdream, Freshman

"Students fresh out of high school have not fallen away from the habit of studying. They are also more alert in class about current topics, or events. A veteran who has been out of school for several years finds it difficult to settle down to the grind of studying. On the other hand a veteran is surer of what he wants to do in the future and therefore is conscientious about his school work."

Joanne Mondora, Freshman

"I think there are advantages as well as disadvantages to entering college fresh out of high school. A young student, who has had no worldly experience, is too willing to accept the word of his instructor, instead of using his own judgment and reason. Also, younger students want to have a good time while they are in college. This causes them to neglect their studies. But a student fresh out of high school has acquired good study habits and a quick mind."

60 Awards To Be Offered

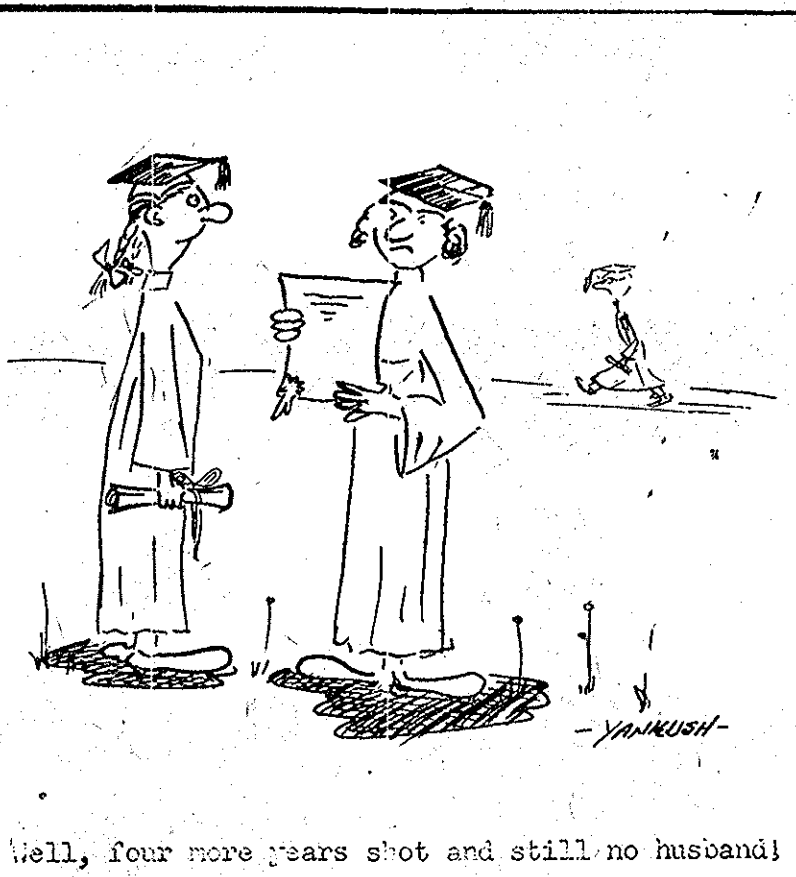

Competition is open for over 60 awards for study in Germany during 1957-58. 50 awards are offered by the Federal Republic of Germany in gratitude for the help of the American government and people in the post-war reconstruction of Germany.

In addition to the Federal Republic Fellowships, ten are given by the Deutscher Akademischer Austauschdienst, two by the Free University of Berlin, two by the Germanistic Society of America and five by other schools and organizations in Germany.

These awards are open to American graduate students for study in Germany during 1957-58.

March 1, 1957, is the closing date for applications.

Further information may be obtained from the Institute of International Education in New York or its regional offices in Chicago, Denver, Houston, San Francisco and Washington D.C.

ENGINEER'S ANGLES

By Two Engineers

Since we have just received the Nobel Peace Prize for literature, we have decided to return to the desk and turn out another literary masterpiece.

Well, all the shouting, stamp thumping, and campaigning is over and now the organizations have new officials, and here they are:

A.I.E.E. - Chairman is Dills, Vice Chairman, - Lloyd, Wells - Treasurer, Barley - Corresponding Secretary, and Glozier as Recording Secretary.

Frantz is Pres.

In the Dean's Council we have Frantz as President, Gyurek - Vice President, Fedorchak - Treasurer, A. Bernard - Corresponding Secretary.

Sanky was voted President of A.S.M.E., Gyurek - Vice President, Brown - Treasurer, Snyder - recording Secretary, and Yeager - Corresponding Secretary.

O.S.P.E. - Zbell - President, Fortine, - Vice President, Gyurek - Treasurer, Wilthew - Secretary, Bell - Corresponding Secretary.

Team Is Tough

The O.S.P.E. basketball team is really tough this year. Their opponents aren't even showing up for the games. Their record is now 5 wins, 2 losses. Keep up the good work boys.

If you happened to be down in Canton a few weekends ago, you might have met a friend of ours. How about it, Tom? We would like to know more about those excursions to Canton.

We have heard from our tremendous spy system that a certain Dean was seen doing a dance that would put the young "rock and roll" set to shame.

Hold's Hot Lead

It seems that he was caught holding on to a hot lead while the other end was well grounded. Keep up the good work "Dean O" and maybe Arthur Murray will sign you up.

60 Graduate From Technical Institute

Sixty employees of the Youngstown Sheet and Tube Company received certificates in the first graduation program of the Youngstown Technical Institute of Youngstown University last Thur., Feb. 21.

W.H. Yeckley, vice president in charge of operations of the Sheet and Tube, addressed the men during ceremonies at C.J. Strouss Memorial Auditorium.

He congratulated them on their accomplishment, and along with Prof. Harold R. Crites, director of the institute, presented the achievement certificates.

Opens With Music

The graduation program opened with music by the Dana Concert Band, under the direction of Prof. Raymond Dehnhostel of the Dana faculty.

The Rev. Paul M. Petric, chaplain of the University gave the invocation, and Dr. Howard W. Jones, Youngstown University president, gave the welcoming address. Benediction was given by The Rev. Albert L. Linder.

The graduating class was made up of the first group of Sheet and Tube's mechanical and electrical maintenance men to enroll for a special two-year course at the University, which was developed by company and university officials after department superintendents were asked to recommend subjects which would help the men.

Have Full Schedule

During their first year, students studied mathematics through trigonometry, mechanical drawing and blue print reading. Second year subjects included statics, a branch of physics; strength of materials, and electricity.

Classes were held twice a week with morning and evening sessions to accommodate men on various work schedules.

By Pat Hrinko and Pat Gubany

Judy Millard, Mardi Gras Queen and her court, Madalyn Sweeney, Joanne Kaschak, Loretta Liptak and Maryanne Gillespie, will be the center of attraction at the Annual Mardi Gras Dance to be held tomorrow evening at Idora Park. Many thanks, Tom Fortunato, you do good work!
Edlam was heard on the Y.U. Campus last Sunday as the various sororities entertained the rushes. They were the most "rush-rush" rush parties in the history of rushing.

Alpha Phi Delta

The chapter was recently informed that they would be host to the National Executive Committee meeting next month. They are all honored so let's be on your best behavior boys. (DiBuggio, Morano and Martino).

Tom Fortunato is finally moving! He's real busy lately and the reason is apparent - Chairman of the Mardi Gras. Good luck Tom, we're looking forward to a very successful Dance this year.

Cupid has been exceptionally busy this year! Recent engagements are Vito and Joanne, and Frank Ciavarella and Cathy DeMarco. The summer should be a ball with all the weddings.

John Felde, who has a sprained ankle, is convalescing very nicely. You ought to learn to jump higher John!

The Alpha Phi's are extremely proud of the Rossellimen for such an outstanding basketball season. Their incomparable skill is exceeded only by their fine sportsmanship. Good luck in the coming tourney, boys!

Belated congratulations to the newly installed brothers: Guido Frantangelo, Bob Nocera, Ed Stizza, Frank Ciavarella, Tony Moreno, Al Di Buggio, Ettore Tranquillo, Richard Ricci, Tony Martino, John Catheline, Frank Tavolaro, Larry Tivolier, Sam Lalama and Carl Nuziati. Glad to have you aboard, fellows.

Best wishes are extended to the Phi Lams, Gert the IPC Queen and Judy, Mardi Gras Queen.

Will someone please give their basketball team a few pointers on the game. They seem to be loosing quite a few close ones, or maybe it's just that a few "stars" can't make their foul shots. Any comments, Tom?

Does anyone have an extra living room suite they won't be needing for a few years. Tony Martino and Ed Stizza, the new apartment tenants prefer antiques.

Beta Sigma Omicron

Now that the basketball season is nearly over, several of the Beta Sigs can turn their thoughts and efforts to the rushing season already started, and pledging coming up. They would like to extend best wishes to all the Greeks for successful rushing and pledging seasons.

Watch out for the Beta Sig basketball team, with such stars as Foo and Judy on it.

"And a good time was had by all" who attended the party with the Phi Gams: Upon entering the Phi Gam room, Ann Arbutina and Joan Melek were heard to remark, "This doesn't look much like an ice cream social to us." Several Betas seemed to have trouble remembering their numbers in the "Bingo" game, right, Pat Sfara? The big question was why Judy Johns took her mug along when she didn't even get it wet. For atmosphere right, Judy? Memo to Herb Bartelmay - you looked darling as the fourth member of the girls' quartet, Herbie, but why didn't you SING?

The party broke up sort of early (?), but when last seen, Marianne Kalosky and Steve Goryanec were busily collecting empty bottles so they could get the deposit. Rather selfish, I think. And what Beta Sig and what Phi Gam were "observed" by the police radar car while walking

up Market St.? Thanks to the Phi Gams for a terrific time.

Belated congratulations to Lucy Liberatore, now a real R.N. (The kind you can't hardly get no more.)

Nu Sigma Rho

Well, with the arrival of rushing season. Tony Jannetto takes over the position as Pledgemaster. His committeemen are Sam Trafficant, Ed Hritzo, Ace Verdream, Larry Menosky and Ron Wolfgang.

A party was recently held with the Gamma Sigs with everyone having a terrific time. Ask Loretta Liptak, JoAnn Kaschak or Gloria Katula who won the match for endurance?

The Nu Sigs are working hard shaping up the "FRAT" house. They are divided into two teams in a contest on interior decorating of the various rooms. Don Keck and Bob Buccieri are captains of the H...R... and the N...H... respectively. Dr. Glenn, their advisor, will have the honor of naming the winning team.

Belated congratulations to the Queen of the IPC Sweetheart Dance, Gert Bury, and her attendants. The decorations of the fraternities were beautiful and the competition great.

ATTENTION SENIOR WOMEN

All senior women, January, June, or August graduates, are to come in for interview with Dean of Women, prior to April 6. Please make appointments in Room 210.

The booth this year was under the guidance of the following committee, Al Fedor, Jack Menosky, Tony Jannetto, Don Keck and last but not least, Fred Seminara. Nice going men!

Recently the Nu Sig bowling team has shown their abilities and are fighting for the first place position. Watch out for them. The team is comprised of Dan Donofrio, Wendell Jones, Jack Menosky, Gib Marquis, Chuck McDermott, and Ralph Donofrio.

The spirit of the basketball team is at its peak with signs of improvement. Frank Kpicak, Jeep McDonald, John Andreyko, Bill Baker, Randall Porter, Sam Trafficant, Nick Rosian, Ed Hritzo, Pete Torek, and Larry Menosky make up the hardwood handlers.

We want to wish Chuck McDermott a speedy recovery. His services on the basketball court are missed by all.

The Nu Sigs would like to extend their congratulations to Mr. Yozwiak, their advisor, and his charming wife on the new addition to the family and to lovely Judy Millard, Mardi Gras Queen and her attendants.

Best of luck to Brother Fred Krollop who left for the Navy on Feb. 19, and also to Brother Nick "Runt" Rosian, who will be leaving for the Army next month. Hate to see these men go!

A letter was received from "DUTCH BROTHER", Bob Jaarsma, who misses Youngstown University very much. He hopes to hop a vessel of the Holland-America Line so that he can come back to visit.

Don't forget all you "Guys and Dolls" that the Nu Sigs are going to raffile off an Easter Suit, tailored to your own measurements. Hurry and buy a ticket!

Phi Mu

Election of new officers was the main event of the meeting Friday night. The new officers for next year are: President, Charlotte "Chuckie" Van Den Handel; Vice-President, Phyllis Trope; Treasurer, "Dolly" Lenton; Secretary, Jan Davis. Congratulations, sisters.

Special thanks for a wonderful tea is offered to the chairman Phyllis Trope. That was one terrific job.

Cupid really hit his target on Valentine Day for two sisters. Congratulations are offered to Faye Baker and "Chuckie" Van Den Handel, who are now sporting diamonds. Wonder who is next???

Phi Gamma

A very strong TKE team dumped the Phi Gams last week but Coach Price says the PG's will be tough in the playoffs. Let's hope so!

Congratulations to lovely sister Judy Millard for being elected 1957 Mardi Gras queen. The Newman Club couldn't have made a finer choice.

The men of Phi Gamma had the formal installation of new members on February 17. A healthy T-Bone was served at the newly remodeled Astoria in Warren. Dr. John Bare, one of the founders of Phi Gamma, was guest speaker along with Tony Vivo, P.G. extraordinary. New members are Rick

Looking Around...

By Tim Bowser and Bill Sponsler

Writing as we are from this dimly-lit cavern of yellow journalism, we often find our the bed-bug reporters creeping out from yon wall. For from the foul minds of these leeches are spawned the gems you good people read, (sad, oh sad!).

But a good reporter does not grasp the essentials of good gossip by melancholy loafing in his office. Rather he must saunter out gaily with his unshaven mug jutting northward, and mix it up with the riff-riff, (strictly newspaper talk for "students"), on campus.

Once firmly settled in his snug little corner of the cafe, he is safe from everything except this riff-riff. For as much as we hate to admit it, it's from these living-dead that we procure our tidbits of info which enliven your tea-time discussions.

So now we treat you to some blurbs from your two debonair columnists' notebooks, taken freely as we gandered around the caf. one day...

Ron Pisani is taking bug slips for the big boys down you know where (kidding Ron).. Pat Hrinko is now taking in socks and old flags to mend, (sorry Pat, but we think Betsy Ross had the jump on you)....

Speaking of rackets, as we were earlier in the column, Carl "Feets" Morell reports that he has started a new racket. He is now the sole distributor of the infamous "Tinkle Cards" ...

Confusion reigns supreme again, in fact it seems to be a permanent state around here any more, with the start of sorority rushing.

Nobody has been able to figure out what is going on, in-

Anzelotti, Ron Bartoli, Don Brothers, Chuck DeBene, Jerry Munno, Don Ruggieri, Art Moore, Chuck Ratcliffe and "Juice" Nannicola.

What's this we hear about Don Miller buying ladies' coats? We also understand he's sweating a ten dollar bet with Mac June '58 is a long way off Redman!

A real blast was held with the Beta Sigs two weeks ago as they (Beta Sigs) initiated their new mugs. Was HEB there? (Lasttime Larry Baytos saw him was on the spaceship.)

There are a lot of knots being tied in the near future. Bill Finn and Joe Phelan in May and June and Jack McGuire in September. Three more bite the dust!

Frank Gugliotta and Dick Price are taking over that illustrious J-J's in Girard. Is that right fellows, or just a nasty rumor?

The Phi Gams and the Phi Mu's had a "little get-together" last week at the room. A good time was had by all.

Jim Hudson, Bill Burby and Steve Goryanec make up the new party committee. Four parties in four weeks isn't a bad average, is it?

It seems the Phi Gam representatives in the S&T labor gang have been supplemented by Peano Yankel and Tom Ceranic. Mac and Herb don't think the newcomers will be able to take it!

Speaking of the S&T they also have a contingent up in the front office. Ken Schaefer, C.A. Port and Jack Schoessel keep all those pretty girls happy! (Their boss is an old Phi Gam.) Well, that's the way the grape shapes.

See you at the Mardi Gras.

Sigma Delta Beta

The first rush party of the current season was held on Feb. 26, at the Army-Navy Club. Highlight of the

intellect stimulated as we view out from yon wall. For from the

cluding the sororities. It doesn't seem logical to us, that the rushees should have to wear name tags when they aren't allowed to talk to actives anyway.

(Oh, well - look out for the Pan-Hel Police force!) It must be very quiet around the Stizza household these days.

In case anyone is wondering where Don Riley, Dick Shoemaker, Lloyd Kranz, Peggy Higgins, and the McDermott twins are scurrying to, with their arms full of books, you can be sure their destination isn't class.

They are heading for the University Trading Post (back in the alley), to get money for these old books in order to pay their daily assessments up at North Hall.

While we are on the subject, the trading post carries everything from paper clips to baby clothes, as reported by proprietor Moe Brown.

And now, to end our printed madness, we offer you this small paragraph of wisdom (?):

Once upon a raw egg, a little giant flew to a football stadium in a banana boat. He found an IBM card and began to enjoy the fight.

The Hnxj were engrossed in striking a bop with a large dingbat. Suddenly, one of the Fjcw's skates broke! Such a sight, and no one enjoyed it more than the blind balloon.

Aw, alas and alack, and nuts! Also, -- Phooey.

Tight lines everyone!

program was the movies of the Youngstown University-Westminster basketball game. Chairman are Ron Zidian, Bill Dusch, and John Hernandez.

A surprise birthday party was thrown by the Sig Deltas for President Ernie Bodo on Feb. 19 at the Avalon. Another surprise party was thrown for Joe Wickete on Feb. 25.

The Sig Del's raffle sales are progressing rapidly, and it won't be too long before the drawing.

How about those Sig Delt jackets that have been seen circulating around campus? Real cool, huh?

Theta Chi

Theta Chi's pledge class was installed last Sunday afternoon at the residence of Bill Beeman. Following the installation a banquet was held, honoring the new brothers, at the 422 Club.

Dr. Andrews was presented with an award from the Grand Chapter for active service. All the pledges presented their paddles to their big brothers. John Hite received the best pledge award.

The new brothers are: Bob Amy, Harry Sinn, Jack Ebert, Jim Trimble, Sam Sanfilippo, Jim Rounsley, John Hite, Cal Stroble, Jim Roof, Ted

Caine Mutiny Court-Martial Termed As 'Superior Production'

By Pat Muretic

The Drama Guild production of "The Caine Mutiny Court-Martial" goes into its final two performances tonight and tomorrow night with all indications of being one of the superior productions of the year by the Youngstown University group.

Curtain time is at 8:30 p.m. in C.J. Strouss Memorial Auditorium, with admission by Student Activity Ticket, No. 5.

"The Caine Mutiny Court-Martial," a drama in two acts by Herman Wouk, is based on his novel, "The Caine Mutiny."

Action Centered on Maryk

In the dramatic and highly moving play, Wouk has centered the action on the defense of Stephen Maryk, a young lieutenant up for court-martial for having taken

command of the mine sweeper "Caine" during a typhoon on the grounds that the captain was incapable of fulfilling his duty.

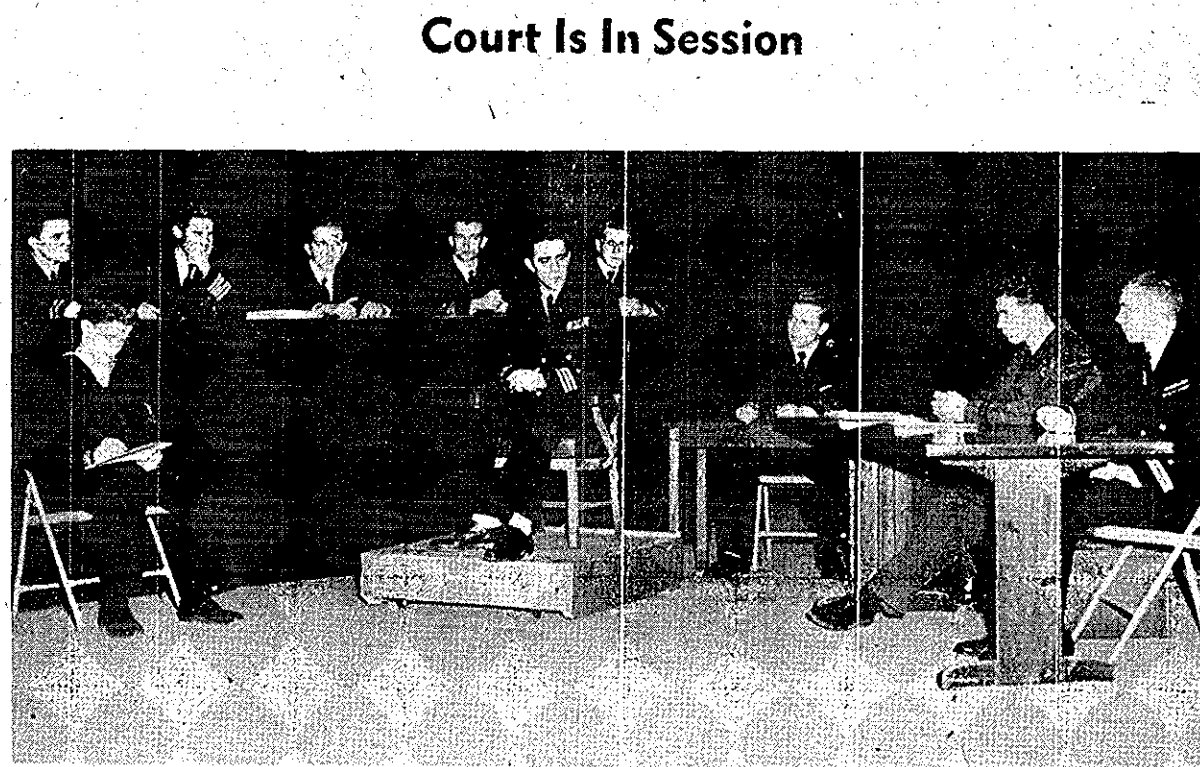

John Baker, veteran of several Drama Guild productions, is cast as the accused officer.

Greenwald, portrayed by Rex Miller, is the navy air force pilot who argues Maryk's case. As a good attorney, Greenwald recognizes that his best defense of Maryk is to prove that Captain Queeg (Sam Sanfilippo) was mentally incompetent to command the "Caine."

Seems Rational

At first, Queeg seems to be a rational man and an efficient officer, but under cross-examination Greenwald is able to establish doubt about Queeg's fitness and then to lead the captain into betraying himself.

As the trial proceeds, Green-

Court Is In Session

wald recognizes that the wrong man is being tried, and that it is the immature and warped war novelist Thomas Keffer, played by Jim Pickering, who is guilty.

The testimony of two doctors, Michael Shirilla and Dr. Mayer,

is called for, and the two men agree that the commander is mentally fit for command now and "has never been unfit."

Becomes Nervous

However, in his second appear-

ance, Queeg becomes nervous and falls into repetition, stumbling, and finally becomes incoherent.

The performance is filled with action, and well acted and directed, with all members of the cast contributing to its successful run.

'Old Problem'

dent Council is expressing the opinion of the entire student body and wishes to urge you to consider the possibility of removing this parking restriction.

Very truly yours,

William R. Moore, Pres.
Youngstown University Student Council

In representing the student body at the Council Meeting, Feb. 20, Moore summed up the problem and expressed the general opinion of students, concerning this matter, in these statements: "All we have to do to realize what a problem exists is to check the fines for parking violations in this area."

"City Makes Money"

"The only possible reason the students can see for these restrictions and fines is a means for the city to make money." "We feel that it is unfair to charge students, who are working to earn tuition, fines for minor parking violations."

"It appears that these laws are direct discrimination against the students of the University, when one considers the fact that there is no parking limitation existing on either side of Bryson St. farther north toward Ursuline High School and that the road is equally as wide at either point."

Asked To Repeal Laws

Student Council asked that City Council repeal the laws that govern parking restriction existing in the following areas:

1. On Phelps between Lincoln and Rayen, a 30 minute restriction.
2. On Lincoln between Wick and Elm, a 2 hr. restriction.
3. On Bryson between Lincoln and Spring, a 3 hr. restriction.
4. On Bryson between Spring and Scott, a 2 hr. restriction.
5. On Elm between Lincoln and Scott, a 1 hr. restriction.

The main objection voiced in City Council against the removal of these parking limitations was the possibility of the people who work downtown parking in the area once the time limits were removed.

This objection was answered, by Moore, "This situation is highly improbable as the students would fill the parking areas by 7:30 and the people from downtown wouldn't arrive till around 8:45."

Meeting is Planned

The issue was turned over to the Traffic Co-ordinator, John F. Pietnik, who will meet with Dr. Howard W. Jones, President of the University, and Bill Moore for further discussion.

Moore asked the right to return to City Council in two weeks to find out the decision on this question.

Youngstown To Be Host To ACNA

Plans have been drawn up by the Area College News Association for their spring meeting with Youngstown's Pick-Ohio Hotel chosen as the site.

There will be representatives of six area college newspapers participating in the program. Representatives of Allegheny, Grove City, Hiram, Slippery Rock, Thiel, and Youngstown University will meet May 4 with leading figures of the newspaper profession in an endeavor to broaden their horizons in the field of journalism.

Poulson to Speak

The Association president, John Poulson of the Y.U. JAMBAR, will welcome representatives in behalf of the association and serve as master of ceremonies at the luncheon and dinner.

The program includes separate meetings of panels for the discussion of all phases of newspaper work. The panels will be conducted solely by students.

Following the separate panel will be a panel of professional men and a motion picture on communications and public relations.

Will Present Awards

Awards will be presented, at the dinner, for the best association name, editorial, newspaper, news story, sports story, feature story, column, photograph and cartoon. The material for these awards will be chosen from past issues of the competing newspapers.

Dress at Chapel on Tues. noon and will lead a conference at Rev. Linder's residence, 634 Bryson St. on Tues. evening on "Campus and Vocational Leadership."

A luncheon for students and faculty will be held on Mon. noon in the Fellowship Hall of the First Christian Church. Dr. Lee will speak on "Our Biblical Heritage."

Dr. Lee has written several books including "Freud and Christianity" and "Psychology and the Church." He will be available for counselling and interviews throughout his stay at the University.

During his three month stay in the United States, Dr. Lee will be addressing students audiences on most of the leading university and college campuses.

The RIL banquet is scheduled for Friday, March 8, at 6:30 p.m. at the First Presbyterian Church. The theme is Chinese and is called "The Day of Ascending On High."

assets which have been added to our library shelves in the past years.

Apprehension of "artists and poets" should be effected with concentrated diligence. No greater shame can be possibly reflected upon the mental attitude of the students than that greeting visitors to our new library who must at times make use of the facilities.

Should Centralize Efforts

Efforts should be centralized by three groups on the campus to rectify these problems. The many student organizations should consider steps to be taken to weed out persons responsible for the destruction of property and punishment imposed.

Adequate surveillance of the reference department by alert persons assigned from the student body, aiding the library personnel will help eliminate the "page rippers" and preserve one of the most complete departments in the University.

of Hell Week

by Hornet and Wasp

Overheard by a roving tape recorder.

Innocent Young Thing: Pardon me, Wise Old Senior, but why is that freshman boy carrying a duck to class? And didn't beanie go out with D-Day?

Wise Old Senior: (chuckle) You must be new here. These boys are going through (chuckle) Hell Week.

IYT: Oh (chuckle). What's Hell Week?

WOS: Hell, Week? Everybody knows what Hell Week is.

IYT: I don't (chuckle).

WOS: It's the core of the whole fraternity system.

IYT: Why? What's its (chuckle) purpose?

WOS: Purpose . . . ah . . . ah . . . oh yes, our fraternity public relations chairman gave us a mimeographed sheet about that last night. I haven't read it yet but (chuckle) let's see now . . . "Purpose: The purpose of Hell Week is to unite the pledge class." See?

IYT: No.

WOS: Look at it this way. You take a bunch of fellows and make them all hate one thing, see? Then with their minds all focused in one direction, they work together.

IYT: This thing they're supposed to hate, is that the active chapter?

WOS: Exactly—you're fairly intelligent for one so young.

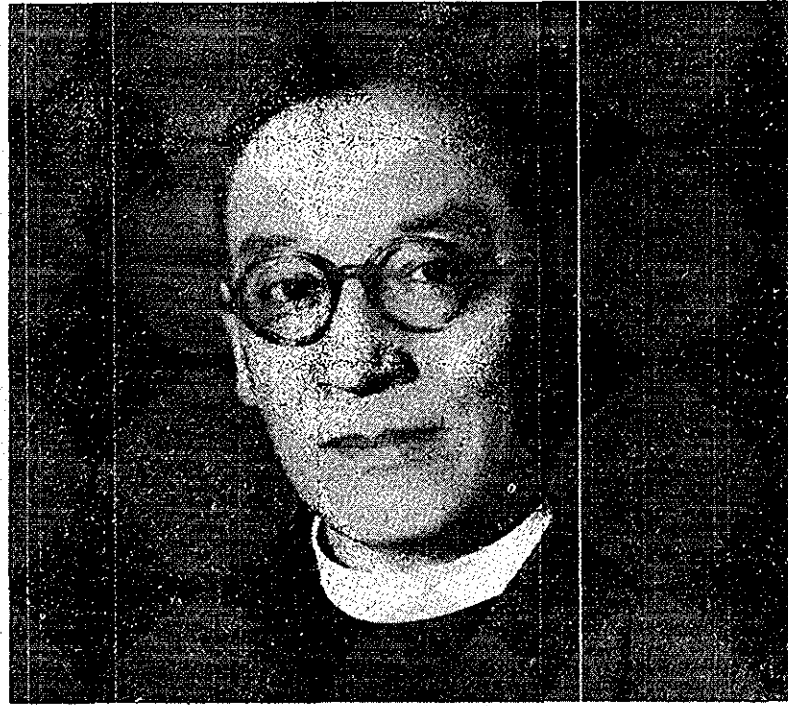

IYT: It wasn't hard.

WOS: To create this unity, pledges are made to play "games", do house work or calisthenics.

IYT: Exercise? What is that?

WOS: That's obvious. It builds men. All fraternities do that.

IYT: (chuckle) (final words muffled in tramp of column of quick stepping pledges.)

Dr. Roy S. Lee, chaplain at Oxford University, will address students at various religious activities during his stay at the University. He will also be available for counselling services.

Study Available In Switzerland For Graduates

Opportunities for American graduate students to study in Switzerland during 1957-58 have been made available by Swiss universities and societies and by the American-Swiss Foundation for Scientific Exchange.

Closing date for application is March 1, 1957.

The Universities of Basel, Bern, Fribourg, Geneva (including the Graduate Institute of International Studies), Lausanne, Neuchatel, and Zurich; the Federal Institute of Technology, Zurich; and the School of Economics and Public Administration, St. Gallen; offer tuition grants.

Grants Are Offered

The American-Swiss Foundation for Scientific Exchange, offers one or more grants for advanced research in the natural and medical sciences. Candidates must hold the Ph. D. or M.D. degree by date of departure.

Application is open to men and women, preferably under 35 years of age. Candidates must be U.S. citizens.

Other eligibility requirements are bachelor's degree at time of departure; good academic record and capacity for independent study; good knowledge of French or German; good moral character, personality, and adaptability; and good health. Preference will be given to candidates who have not already studied abroad.

Fields of study open to American students in Switzerland include architecture, chemistry, engineering, geology, physics, international law, economics, banking and insurance, as well as language and literature.

Information on the Swiss awards may be obtained from the Institute of International Education in New York City or its regional offices in Chicago, Denver, Houston, San Francisco or Washington, D.C.

H S Seniors Compete For Scholarship Aid

Youngstown University officials are preparing to award approximately 65 scholarships from the general scholarship fund, ranging from \$100 to \$300 each to area high school seniors who plan to enroll in the University next September.

Awarding of the general scholarships will be based on the results of competitive examinations that were given at the University last Tues., Feb. 26, on the student's high school record, recommendation of his principal, and his financial need.

The Youngstown University Student Scholarship Fund which provides the general scholarships is financed by prominent industrial, commercial, and professional firms of the community, as well as by private individuals, clubs, and other organizations.

Variety Available

In addition to the general scholarships, the University's extensive scholarship program includes a variety of scholarships and grants-

In-aid for worthy students given by companies, individuals, and groups.

Some of the company scholarships are given to employees of the company only, others are a combination of work and study, some are available to freshmen only, and others to upperclassmen who have distinguished themselves in the University.

Students who are interested in, and are scholastically eligible for scholarships are invited to call the office of the dean of the university for further details.

Jet's Jargon

By John E. Tudhope

The old familiar crack of ball on bat, the smell of linaments; the sounds (including "throw the bum out"); are all coming back on the scene in a great hurry.

Almost all of the major league clubs have begun their yearly workouts in the warm climates of the country. *Lake-front Louie*, our Cleveland partner, always contends that they don't really practice but just go south to get nice tans and to fool the home folks.

Louie may have something there. The way the Indians have been playing the past several years, they didn't look like they did any practicing down "Arizona" way.

"Senators" Made Official

While we're on the subject of baseball, *General Confusion*, our Washington aide, tells us that the Washington Baseball Club, has officially been named the "Senators."

It seems they had been trying for years to be called the Nationals but recently gave that up as a lost cause and reverted to their original name.

It really doesn't matter what they are called because it looks as though they are going to assume their old position:

"First In War"

"First In Peace"

and

"Last In The American League"

The Senators may not finish too far behind the Chicago White Sox. *Breezy Lake*, up in Chi-town, is a bit afraid that the "GO-GO" Pale Hose under Senor Al Lopez will become the "Whoa-Whoa" Sox. Al's teams are not noted for exciting base running or daring play like the Sox of old.

All-City Picked

The Vindicator recently published selection of the All-City squad, and they really picked a fine team. For my money, Bob McMasters of South, is probably the finest player on the "Cream" squad.

Bobby possesses a fine pair of hands which enable him to pass and score very smoothly while leading his South team mates to victory. It would be nice to see him in a red and white uniform next year. What do you say, Dom?

McMasters could be one of many in the area that could continue to carry the standard of Youngstown University the way this year's team has.

Finished Strong

The Penguins this year finished the season in a blaze of glory with two victories in the Motor City, Detroit. Lawrence Tech did not furnish too much competition as the Rosselli men rolled over the Techers 101-74.

Detroit Tech made the score look a little better but still didn't offer any serious threat. Youngstown dealt them an 81-67 defeat. The subs played a great deal in the game but did not let up the rout. That's quite a ball club we have here!

Here I go out on a limb. I predict Youngstown will represent Ohio in the NAIA Tournament.

See you in Kansas City.

Second Period Of Rushing To Start

By Pat Muretic

Rushees will enter the second period of formal Panhellenic rushing when they attend the second parties held by the four social sororities at Youngstown University this Sunday afternoon, March 3, from 1 to 5 p.m.

The parties will be held at Pollock House, the Dana School of Music, and the Valley Park Motel, all within walking distance of each other, to enable the girls to attend all parties to which they have been invited.

The Panhellenic Tea on Sunday, Feb. 17, and open house held by the four sororities, Phi Mu, Beta Sigma Omicron, Phi Lambda Delta, and Gamma Sigma, last Sunday, Feb. 24, opened the period of formal sorority rushing for 62 full-time women students at the University.

New Rules Issued

Under the new regulations for formal rushing issued by the Panhellenic Council, which supervised Greek relations on campus, only these girls who had indicated their desire to be rushed and had completed the necessary registration requirements are eligible to be rushed for sorority membership.

Following this Sunday's party, invitations will be issued to the third and final rush period to be held next Sat., March 9, and Sun., March 10, from 6 to 8 p.m., and 8:30 to 10:30 p.m. A rushee may accept only two invitations to the third period parties.

Preferential bidding, a method of matching the rushee's sorority preference with the rush lists of the sororities, will take place Monday, March 11.

Pan-Hel In Charge

This year for the first time, the Youngstown City Panhellenic Council shall have charge of the operation, in order to assure impartial supervision.

Rushees will then pick up their invitations to pledge on March 13, and the pledge period, which will run until May 8, will begin with pledge parties held by the sororities.

Officers of Panhellenic Council, which is in charge of campus sorority rushing, are Lucille Elias, president;

Lahni Stanier, vice-president; Joanne Kaschak, treasurer; Mary Lou Perunko, secretary. The advisor is Dean McCarty.

points. Incidentally, Steubenville has a 40 game winning streak at home.

The Penguins, one of the top offensive, and defensive, teams in the Mid-west, smothered Slippery Rock College, 106-68, in a road tilt on Feb. 16.

All 13 boys on the varsity squad saw action, and Bob Alterholt, who popped in 22 points, including 10 of 17 fielders from the outside, led the pack of scorers.

Rosselli's rollicking raiders rambled across the state to the shores of Lake Michigan for a couple of road tilts with Laurence Tech and Detroit Tech.

The Laurence quintet was no match for the Penguins as the Youngstowners topped the century mark for the second time in succession, winning handsily by a 101 to 74 count.

This was the 17th win in 20 starts for the Ohioans, who posted a new team victory total, surpassing the old mark of 16 set by the 1950-51 squad, and equalled the following season. Lake had 25 points and Moore hooped 24 to lead the Penguins. Ross' 28 markers topped the losers.

The next evening, Feb. 20, Y.U. rolled over highly touted Detroit Tech, the leading contender for the Michigan NAIA title, 81 to 67. The Penguins raced out to an early lead, gained a big margin 56-33 at halftime, and looked headed toward another 100-point game.

Sophomore ace, Herb Lake, led the locals, totaling 25 points and 25 rebounds for the second night in succession, and the lanky Lansingville looper Mickey Yugovich bagged 20 tallies for runner-up honors.

Youngstown University's red hot cage quintet enters tournament warfare Monday night, March 4, going against the strong Defiance five, title holders in the Mid-Ohio Conference. Rounding out the four team representatives to the District 22 NAIA playoff are the College of Steubenville and Wilmington.

The Penguins enter the tournament with a record-breaking squad, Coach Dom Rosselli's charges having established a new record for total number of season wins, 17, just last week. The Penguins are highly favored.

In the opening session, which gets under way at 7:00 pm the College of Steubenville is pitted against Wilmington, with the Youngstown U. - Defiance go slated for 9:00 pm. Championship and Consolation play is billed for Tues., March 5, with the first session starting at 7:00 pm.

After the eliminations at South Field House, the winner travels to Kansas City for the national event which will be held the week of March 11 through the 18. 32 teams will participate in the Kansas City affair.

Marks Second Time

This is the second time Youngstown University has reached the playoff, Coach Rosselli's squad turning the trick back in 1947. That squad lost out to Findlay College.

The Athletic Department has announced that all reserve seats have been sold, but if you haven't gotten your ticket and you want to see the tournament, you are urged to get to the games early so that you may purchase good general admission tickets.

GREEKS

Continued from page 4

O'Neill, Stan Swope, Tom Flynn, Dick Johnson, and Dave Felger.

Wed., Feb. 20 the brothers of Theta Chi entertained a rush party, their first of the spring semester, at the P of O Hall in Girard. The setting was a gambling Casino, and everyone who attended, enjoyed themselves very much.

Plans have been made for a very active spring semester. Theta Chi's will travel to Kent State for a regional get-together, called the "Corral". Many other trips, parties, banquets, etc. have also been planned.

Gamma Sigma

The girls are trying to become athletes overnight. They're all taking part in the Intramural Basketball Tournament. Good luck, cagers!

After the crazy time they had at Pat Quinlan's P.J. party they've decided they want more of the same. One is to be held at Patty O'Brien's house sometime next week. The sisters will still be practicing for their "Follies."

Thanks to the Pan-Hel Council for making the Freshman tea a success.

They're looking forward to the parties with the Phi Gam's and the Theta Chi's.

Sigma Phi Epsilon

The Sig Eps would like to congratulate their new brothers. We are happy to see that everyone survived the night. Our first rush party was held Feb. 27 and was quite successful.

Congratulations are also due Brother Robert Reesh and his wife, Joyce VanSack (Mrs. Robert R. Reesh) on their marriage Feb. 23.

Zeta Phi Eta

The Zeta Phi's held the first rush party of their short existence and it was a roaring success. "Corky" Parm handled the arrangements very admirably. Good job, Cork.

To "get with the sounds" in preparation for their jazz concert, the boys traveled to Cleveland to "dig" Ted Heath, June Christy, Eddie Heywood and other big names of modern music.

The fame of Zeta Phi spreads all over as the boys were invited by a group of girls from the Sharon-Parrell area to mix it up. Ask Mike D'Amico about the blondes.

Kane is full of surprises and once again the "hinter" is keeping it quiet until the right moment.

Inactivity of the basketball team is probably due to their tremendous reputation. Mel Klingler extends a challenge to all daring comers. He's always in that cafeteria class.

Phi Lambda Delta

Best wishes are extended to our lovely sister, Judy Millard, 1957 Mardi Gras Queen. Many thanks Tom Fortunato, chairman and his committee for a lot of hard work.

The Sig Eps and the Phi Lams were socializing again when Brother Bob and Sister Joyce were married on February 23. Then there's Eileen Larson who went and got herself engaged to Donny Bennett. We're looking forward to June 15, Eileen.

March is the month of birthdays again for the Phi Lams as Angie Stizza, Fran Doyle, Ginny Krupa, and Norma Jo Mitchell add another one to the already staggering amount. Happy Birthday to Ruth's "Mountain"!

Congratulations to the new actives of Theta Chi, Phi Gam and Sig Epsilon fraternities.

Vivian Sherwin has packed her bags again. She's on her way to Pittsburgh and the "Engineer".

Tau Kappa Epsilon

Thursday, Feb. 21 saw the Tekes at a "hobo" party with Delta Chi Sorority. The fracas was held at Willow Ranch where everyone had an

enjoyable evening showing off their gala array of clothes.

We understand Bob King and Jack Snow had a "hobo squabble" which concluded with their shirts getting the worst of the bargain.

Under rather unusual circumstances John Bradshaw has pinned Shirley Stiver. Frater Bradshaw applied the pin while Shirley was in her pajamas. As for the hour, you'd better ask John.

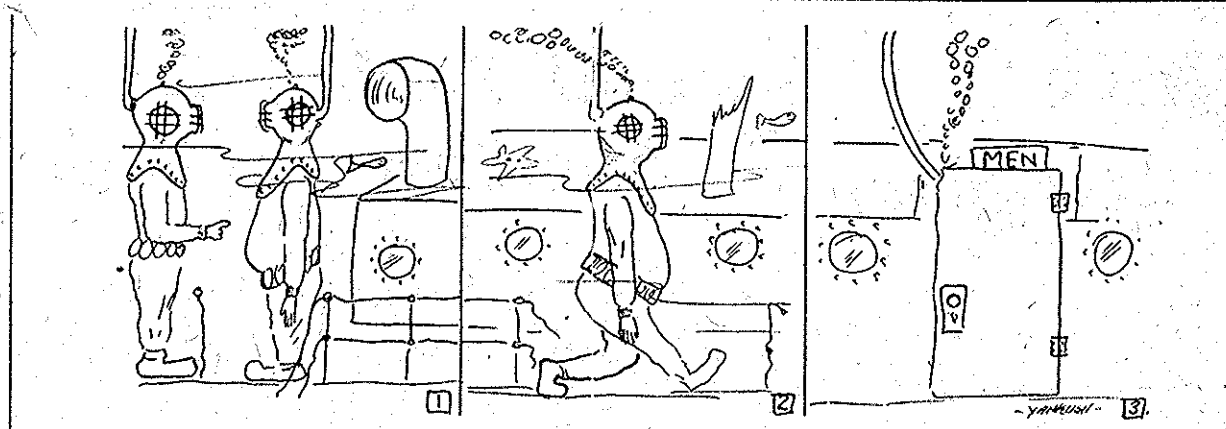

All the Teke pledges are looking forward to razz night, Thursday, Feb. 28 and hell night, Friday, March 8 with a "take it or leave it" attitude. However, we think that on their part there will be more taking than leaving.

Lloyd Kranz, treasurer and pianist, will be leaving on an all expense paid trip, March 11. Uncle Sam is treating for this one. We can see it now, the second sergeant Bilko. Good luck, Bang-Bang.

In intramural sports, the Teke Basketball team has a 5-1 record and is out to win the cup. In other sports, we understand Patty Safara is now talking to Joe Vlasic.

Kappa Sigma Kappa

All the brothers are raving about this year's Mardi Gras dance and nominating it as one of the best Mardi Gras dances ever. Congratulations Mardi Gras Committee and to Judy and her court.

Eleven brothers went to Slippery Rock, Pa., Feb. 16 to cheer the Penguins on to victory. A good time was had by all who went but, oh those Slippery Rock women?

Brother Eviavuk is an outstanding specimen of physical fitness. He scored a perfect grade in the physical fitness test which only 11% of all college males who take this test pass. This test is being given in all the Gym classes at the YMCA.

Good luck Penguins on your future trip to Kansas City. All the brothers of Kappa Sigma Kappa wish you "Lots o' Buckets" men. They are proud of your showings in all your games this year.

With the integration of the new members complete, the brothers are in high gear again with the spring rush period approaching. Al Sandel

is doing a fine job as rush chairman as Smode Reilly did last semester. The first rush party was held Feb. 24 at Stambaugh Club House. It was a huge success.

The KEK "Mad Bomber" struck three times during the past week. Victims were brothers Creps, Lehnerd, and Wollitz. He was finally caught wasn't he Bruce Robert?

You can be sure of one thing when you help out a pal in trouble. He won't forget you next time he's in trouble.

"Remember," warned the minister to his friend who was about to sign a TV contract, "the big print giveth and the small print taketh away."

Sticklers!

WHAT IS A LUCKY AT DUSK?
(SEE PARAGRAPH AT RIGHT)

ASTRONOMERS! Long sunsets make you impatient? Do you hate standing around, twirling your telescope, waiting for dark? Cheer up... now you can fill that gap! Take out your Luckies —and you're in for a *Twilight Highlight!* Luckies are out of this world when it comes to taste. That's because a Lucky is all cigarette... nothing but fine, mild, naturally good-tasting tobacco that's **TOASTED** to taste even better. Light up a Lucky yourself. You'll say it's the best-tasting cigarette you ever smoked!

STUCK FOR DOUGH? START STICKLING! MAKE \$25

We'll pay \$25 for every Stickler we print—and for hundreds more that never get used! So start Stickling—they're so easy you can think of dozens in seconds! Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send 'em all with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.
