Faculty Enlarged to Meet Increased Enrollment; Former Teachers Return

Due to the increased enrollment this semester, many new additions have been made to the faculty to fully satisfy the needs of the students. Several former faculty members have laid aside the duties required by the war, and have taken their positions on the faculty.

Doctor Worley

Miss Haddow

Among those who are here for the first time is Mr. Cabot, who makes his home in Warren, O., where he is principal of Francis Willard School. Mr. Cabot's first class is Problems of the Modern Classroom. Mr. Cabot is a graduate of Kenyon College and received his Master of Arts degree from the University of Pittsburgh and is now working toward his doctorate.

Mr. Hughey

Mr. Raymond Dehnstiel has joined the Music Department of the college after having served with the armed forces stationed in England for several years. He has played with a circus band, a minstrel show, in several theaters, and has organized a number of junior band organizations. He received his Bachelor of Music and Master of Music degrees from Dana's Musical Institute. He also holds a Bachelor of Science in Education and Master of Arts degree from Kent State University.

Mr. Cabot

Miss Haddow, director of elementary teaching of the Youngstown schools, a leader in the educational field for many years, is an associate professor in Education at the college. Miss Haddow received the degree of Master of Arts from Columbia University where she taught in the Teachers College. One of her lectures given while there was used as the subject of an entire column in the New York Sun. She originated and led in the program of home-making courses in the public schools, their being the first of their kind in the country.

Mr. Mart Hughey, who is on leave of absence from State Teachers College, California, Pa., is with us this year teaching in the English department. Mr. Hughey, during the war years, was with the Air Technical Service Command, Area A, Wright Field, Dayton, O. He graduated from Ohio University with an A. B. degree and received a Master of Arts degree in Journalism and English from Ohio State University. He has also attended the University of Pittsburgh and the University of Colorado. He taught for a time at Washington and Jefferson College, and State Teachers College at California, Pa.

Mrs. Fay Litvin, also a new member of the English department, makes her home in Niles, O. Mrs. Litvin received an A. B. degree from Youngstown College, and a Master of Arts and Library of Science degree from Western Reserve University. Before entering the teaching field, Mrs. Litvin was a librarian.

Lilley Yee, Robert Fox Attend Convention

Lilley Yee and Robert Fox were Youngstown College representatives at the Northern Ohio Conference of the World Student Service Fund held Sunday, Oct. 7, at Fenn College, Cleveland. Dr. Ernest H. Wilkins, president of Oberlin College, introduced the main speakers, Dr. T. Z. Koo, Andre de Blonay, and Dr. Huntley Dupre, who spoke on student relief around the world.

Miss Yee and Fox reported on the conference at the International Relations Club meeting held Monday afternoon at the college.

Buchanan Attending Registrars' Meeting

Registrar P. P. Buchanan is attending the 20th annual meeting of the Association of Ohio College Registrars which is in session Thursday and Friday, Oct. 11 and 12, at the Commodore Perry Hotel, Toledo, O. Higher education in the postwar period and veteran's education are the keynote topics of the meeting. Mr. Buchanan will take part in today's program in the "question box" presentation of unique procedures in registrar's offices.

Class Election Results

One of the most heated election campaigns ever held at Youngstown College was brought to a close on Wednesday when 220 students voted. The campaign was made colorful by many clever posters advertising candidates. The election was supervised by Student Council members. Jones Named Vice Prexy Of "Y" Colleges Assn.

Dr. Howard W. Jones has been named vice president of the Association of Y. M. C. A. Schools and Colleges, according to an election report received last week from the retiring president, K. E. Norris of Sir George Washington College, Montreal, Canada. President Jones will serve for a three-year term in the central area of the association. The new president of the association is Alan S. Wilson, Hillyer Junior College, Hartford, Conn.

A meeting of representatives from all Y. M. C. A. schools and colleges was held in July at the New Haven Y. M. C. A. College, New Haven, Conn. P. C. Pickard attended as delegate from Youngstown College. Eight other schools from this district were represented at this meeting when the candidates were chosen. The election was by mail.

The election of President Jones is another step on the ladder that will put Youngstown College on top.

Student Council Elects War Bond Chairman

By Bob Hum

On Monday, Oct. 1, Jerry Watt, president of Student Council, appointed Alice Woodside to the position of Youngstown College War Bond chairman.

No committee has been organized as yet, but it will be appointed in the near future.

Alice is a graduate of Fitch High School and is now enrolled in the Dana Musical Institute of Youngstown College.

Last year a grand total of \$25,635 in war bonds and stamps was sold by college students. The college purchased a trainer plane for the army air corp through bond sales. The Treasury Department presented the college with a citation in recognition of student and faculty efforts during the equipment drive.

Watch the Jambar for more news concerning this year's victory bond drive.

Jerry Watt, Junior, Elected Student Council President

By Jean Mellinger

Jerry Watt, representative from the junior class, was elected president of Student Council at the organization meeting on Friday, Sept. 28. He succeeds Frank McArtor who held the position last year.

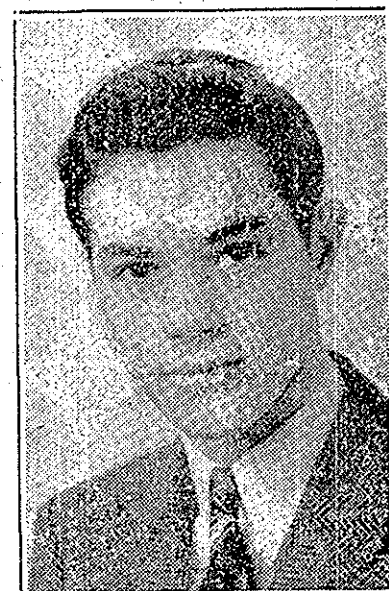

Other officers elected were Marcia Welsh, vice president; Jeanne Grice, secretary; and Virginia Blackman, treasurer. Mrs. Karl Dykema is acting faculty advisor.

A junior in the Liberal Arts College, Jerry Watt is a mathematics major and intends to teach or do professional Scouting. Since his enrollment at Youngstown College in the fall of 1943, he has been influential in campus affairs and has held a number of important offices. He has proved himself sincere and vitally interested in the college and has worked for unity as a basis for achievement.

In addition to this new distinction, Jerry Watt was recently re-elected chairman of Pan-Hellenic Council and is president of Kappa Sigma Kappa Fraternity. He is a member of the Religion, in Life and the Mimes Clubs.

During his sophomore year he was president of his class, vice president of Kappa Sigma Kappa Fraternity, chairman of Pan-Hellenic Council, and treasurer of the Mimes Club.

Regarding the responsibility entailed in his new position Watt states, "Only with enthusiasm and co-operation can we make this the biggest year at YoCo."

NEON EDITOR APPLICATIONS

Applications for the editorship of the Neon must be submitted to Student Council by noon Monday.

Sigma Tau Delta Membership Extended

A plan for extending membership in Sigma Tau Delta National Professional English fraternity to include students minoring in English was adopted at a recent organization meeting of the group. A major in English with at least a B average was previously required for membership.

The new plan established the following classification: sophomores, juniors, and seniors who are majoring in English and have at least a B average in English may become active members; sophomores, juniors, and seniors with English minors and at least a B average in English will be taken in as associate members; freshmen with at least a B average in previous English work and who plan to major or minor in English, may become prospective members leading to full membership. All three classifications will participate in meetings and social activities.

The Psi Gamma chapter of the national organization is located here. The group endeavors to promote active interest in modern and classic literature through discussion meetings held monthly. Creative writing on the part of members is encouraged. Prominent guest speakers are included in the varied program. Prof. O. L. Reid is faculty advisor to the group.

Lois McCallister was elected president of the honorary fraternity at the initial meeting. Other officers elected are: Judith Megala, vice president; Lotus Koken, secretary; and Mary Elaine Malloy, treasurer.

Complete plans for the semester were made at an executive meeting last Saturday. Committees were appointed for the three meetings and the January banquet. Semester program booklets are being prepared.

The first regular meeting will be held Wednesday, Oct. 24, at Buechner Hall, 620 Bryson St. (Continued on Page 3)

Prof. Webster Better

Biology students will be glad to know that Prof. W. L. Webster is recovering from his throat infection and will return to classes soon. He expects to be discharged from St. Elizabeth Hospital within the next few days. Professor Webster was very pleased by the thoughtfulness of his Embryology class. Each member sent Professor Webster a single rose with the sender's name attached to the stem.

Servicemen . . . Attenshun!

We want to send the Jambar to you. Will all servicemen who receive this issue and whose addresses have been changed from the last one on file at the college, please send us their new addresses as soon as possible? Rapid redeployment and shift of service personnel have put our address book somewhat out of date. So, if we are to continue sending you news of the college and old friends, we must have your current addresses.

The family or friends of any serviceman who attended Youngstown College prior to entering the service can also help if they will send his address to the office.

Open Letter to Rushees . . .

The Greek organizations on campus are playing host to you for a three-week rushing season. They are showering you with novel favors, wide smiles, and cheery hellos. They are sincere in pleasing you, for you will be the future backbone of some organization. You have received invitations to parties that have been given a great deal of planning and preparation. A response of your being able to attend or not will be appreciated and can ward off any misunderstanding.

Now a duty to yourselves remains. It is a very difficult problem to judge a group with just three meetings. At the parties, notice if they like the same things you like. And, even more important, observe them at college. Notice the activities of their members, see them in the Lounge, and listen to them in class. Make sure they're the people you want to be associated with on campus. This sounds very dramatic and well it can be! A social organization is for your relaxation and leisure time, not to replace your study time and class hours. So again, choose wisely. These new-found friends may help to hurdle the unfamiliar college life, or they may cause a minor disappointment. Remember that they will be your friends for four years.

And to the Greeks . . .

Rushing season is here again with its fun . . . and heartbreaks. Remember that you are playing with human feelings, not inanimate objects. Your passing by a person for a superficial reason can be a cruel blow to a new college career.

You can be the making or breaking of a personality. You, too, must choose wisely. Know your prospective members. Don't judge them just from outward appearances. Don't build up their hopes and then let them fall with a crash. Rushees have tender feelings and can be easily hurt. Treat them kindly.

Library Notes . . .

Did you ever try to describe a spiral stairway without using your hands? Try sometime to tell a freshman how to get to the Library. But, on second thought, maybe the freshman could give you some directions. Many of the first-year class have already made the acquaintance of the conference and study rooms and have discovered that the Library goes on and on around, and has books and magazines tucked in all available corners.

We are happy to welcome back our old friends, too. Your favorite chair may not be in the same spot where you left it last spring, but your favorite magazines are still coming.

Introductions are in order, for we have two new staff members this fall. Miss Margaret Humelbaugh is our new assistant librarian. She comes from Franklin, Pa., and is a graduate of Simmons College. Before coming to Youngstown, Miss Humelbaugh had been on the staffs of the Mt. Holyoke College and Lakewood Public Libraries.

Mrs. Clair Catherman is our part-time assistant. She is a graduate of Western Reserve University, and is known to many of you who hail from South High, where she was librarian a few years ago.

The proceeds of our book sale last spring was supplemented by some funds from Student Council, and we have secured some popular magazine subscriptions for the Lounge. Watch for current issues of LOOK, CHARM, COLLIER'S, and THE NEW YORKER.

Looking Around

By Judy Megala

OCTOBER: . . . when multi-colored leaves take their time falling to the ground; when life is wonderful because we've finally gotten our nose to the grindstone (??); when all the pros decide we've learned enough for a while, and give us an examination to learn the enough we've learned . . . Ah, yes . . . October . . . cozy thought, isn't it?

The Freshman Reception was really a solid affair . . . more people than we've seen in a long time. The faculty in Sunday best; students, new and old, with bright, beaming faces. More excitement: "Bucky" learning the art of jitterbugging . . . Anne Yewell, a sensation in that black dress . . . Nice decorations by Bob's committee . . . Woody and Hoody looking like Abelard and Heloise (come to think of it, Abelard was about 50, wasn't he?); let's make it Bob Walker and Judy Garland then . . . Bob Schettino giving Phil King a good impersonation of Frankie out in the cafeteria during intermission . . . And how about a big, big hand for Candy Grice and Jean Mellinger—co-chairmen?

POEM:

*Of many, many study rooms,
We have at Youngstown College,
It seems to me the Lounge can be
The place we gain most knowledge!*

Well, the excitement of meeting people is over, and we now come to the serious business of rushing, attending classes (??), and entering the general spirit of college life. . . Politics came to the fore when Student Council held those elections. One more reminder that we're going to a prewar YoCo. Congratulations to Jerry Watt, Council prexy, and other Council officers. . . That new girl in the dean's office is Evelyn Wining. . . Little Smedley has become Findley (reference: "The Southerner"). . . The officers of Sigma Tau Delta (English honorary) are planning an exciting year. . . The army's done something for John Sambolic. He was such a shy guy a few years back. . . That superiority complex Jackie Smith flaunted was due entirely to the Jambar; she read the article "Welcome Smiths" and thought it was meant exclusively for her. . . Something new has been added: music in the Lounge—soothing. . . Polly Velker is a marvelous bridge player. Ditto for Bill Parmenter. . . Male interest outside the college: a group of fellows known as THE RUBES. . . More relatives: Karen Delfs. . . That Sadie Hawkins Dance poster is really good publicity . . . early in the game, too. . . Those decks of cards in the Lounge were provided by Ginny D'Isa's mother. Thanks. . . Bill Shifka is improving steadily. . . And isn't it good to see Howard Edsall around again? They were practically roommates in the hospital, you know. . . The "Big" poster in the class election campaign was one of the best of its kind. These clever freshmen. . . People it's a pleasure to know: Mary Vesey and Danny Rich. . . That rumor that Tony Mastadonna is engaged is strictly unfounded. You can breathe again, girls.

DOTS WHILE DASHING:

Dawn McClelland offering her popcorn to Dr. Gould and ignoring all of her fellow W. A. A. members . . . Betty Hamady, sharpie Phi Lamb, enrolling in night school . . . Our editor in a flurry of excitement when Ed came home . . . The Dean and Mrs. Wilcox moving into town . . . Skinner and Stacy acting as postmistresses of the school. If you have any letters to mail, see them . . . The Greeks arguing about rushing—and why not? It's their baby . . . Liz Cole, former Delt, now at Mount Union, visiting the gals at Buechner Hall . . . Anne Fowler burning the midnight oil for Professor Reid's social science exam . . . Memo's of the R. I. L. Party: Jack Mehler hypnotizing the new Frosh; Jim Mellinger dancing with a broom all night; Barbara Green almost hitting an automobile in her hurry to get there; we hear tell the "Sloppy Joe's" were delicious . . . And it took SOME people about two hours to find the cabin.

QUERIE DEPARTMENT:

DOESN'T BOB HAMMER REMIND YOU OF VAN JOHNSON? . . . AND DITTO FOR MARIAN P. GLIASOTTI AND JENNIFER JONES. . . WHAT'S THIS RUMOR ABOUT A BASKETBALL TEAM? . . . ARE BOB HANSEN AND PATSY BRENNAN SOMETHING NEW IN COUPLES? . . . AND HAVE YOU SEEN THE DIMPLES ON BONNIE GRIFFITHS? . . . BY THE WAY, WE HAVE QUITE A COLLECTION OF LICENSE PLATES ON THE CARS IN OUR PARKING LOT: NEW YORK, PENNSYLVANIA, COLORADO, TEXAS. TO MENTION A FEW, AND, SPEAKING OF THE PARKING LOT, WHO BELONGS TO THE SHARP BLUE BUICK CONVERTIBLE? SOMETHING AS SHARP, PERHAPS? THAT WINDS UP THE NEWS FOR NOW . . . SEE YOU NEXT ISSUE.

« LIMELIGHT »

By Mary Vesey

Under the blinding glare of the Limelight this week we have spotted that young man about YoCo, HAL DAVIES. Hal is the new business manager of the JAMBAR. His job is to fill with advertising the gaps left by the writing staff.

Coming to our smoky city after attending Peddie High School in New Jersey, the University of Los Angeles, and the University of Arizona, Hal pays us the great compliment of saying that it's YoCo for him a hundred to one. Chalk that up, YoCoites! A social science major, Hal plans to do graduate work at Springfield College in Mass. He is interested in Y. M. C. A. or personnel work for the future.

Active in school affairs, Hal is a member of Religion in Life Club and is the newly elected vice president of Phi Sigma Epsilon Fraternity. He lists as his favorite professors, Dr. C. P. Gould and Dr. J. E. Smith. We quote: "Doctor Smith because he is a good Joe, and Doctor Gould for his interesting classes."

Delving into his past, we find Hal was a director at Camp Fitch where he taught horseback riding for three summers. He once made quite a name for himself as winner of a Y. M. C. A. swimming meet. As a less strenuous sport, he prefers bridge. Hal's special likes are Bing Crosby's rendition of "Candy," and dark-haired girls—namely, Jeanne Grice.

Moderately tall, Hal has brown eyes and black hair. His pleasing personality is topped with a keen sense of humor. You will see him dashing about the college, and if you don't know him—just look for that fellow with the winning smile.

CAMPUS COMMENTS

JAMBAR LAUGHS

They say the first hurdle is always the worst—the new Jambar editors and staff found it that way. About midnight the night before the deadline, the novice editors were almost beat and were afraid the first headlines might have to run something like: "EDITOR SHOOTS ASSISTANT AND SELF IN HEAD." But they made it without fireworks. While they typed away in the night at the dormitory, anxious thoughts of the lady in the next room greeting them in the morning with "Didn't get a wink of sleep last night!" somewhat bothered them. But they went right on typing. Anything for the Jambar, you know. Came morning the editors collected courage enough to ask the lady if their typing had disturbed her. She replied, "My goodness, no! I TEACH typing all day long—never heard a sound!" She said never to worry about typing bothering her. Nice lady.

NEW PLAQUE IN THE LOUNGE

The very nice plaque now adorning the wall of the Lounge is the symbol of Sigma Kappa Phi National Business Fraternity. This night school organization boasts 75 active members. James Cozza, national president of the fraternity, lives in Youngstown.

NEON AT LAST

We were all glad to have the Neon before we changed so much that we couldn't recognize our own pictures. Favorable comments imply that it was worth waiting for, and it was encouraging to the staff to see the autograph boards so active. One consolation on the Neon's tardiness is that many larger colleges just received their annuals, too. Miami's and Kent's just came out.

NEW BULLETIN BOARD PLAN

Some juniors and seniors, not required to attend chapel, are missing out on news of importance to them. They haven't developed the habit of stopping in the dean's office, 209, to read their bulletin board. Anyway, Student Council is toying with the idea of a complete new bulletin board system. An interested faculty member suggests enlarging the main board and dividing it into four parts, one for each class. It seems that we could use a more efficient method for posting bulletins and personal messages. Any other good ideas?

THAT LOUNGE AGAIN

We don't like to start harping on mis-conduct in the Lounge again—and so early in the year. It is not necessary to describe the misconduct. The few—VERY FEW—who are guilty know well enough what they do wrong. But it only takes a few un-thinking students to cause the closing-of the Lounge and harm the standing of the school. If these few do not know what the fuss is all about, we'll tell them; This year the Jambar is going to be a sounding board for the betterment of the college. That's what it's for.

MEMBERSHIP EXTENDED

(Continued from Page 1)

Disney Exhibit Featured At Butler Art Museum

The Butler Art Institute is currently featuring an excellent collection of original watercolors and sketches by Paramount's Walt Disney. Entering its second week at the Institute, the exhibition is composed of drawings used in the production of various Disney films.

The widespread appeal stems from the recognition that characters like Sleepy, Dopey, Happy, and Grumpy, drawn in "Snow-White," represent certain qualities and emotions present in human life. The characters are loved by children and adults who see themselves reflected slightly, and must smile.

Among the 44 drawings, are many memorable scenes. "Dumbo and Blocks" shows the baby elephant with his huge ears flapping, his trunk tossed into the air, and his eyes twinkling. In his drawings of Cleo, the fish of "Pinochio" fame, Disney portrays a happy and gloomy mood. He has caught the feeling of the character and has successfully transmitted it to the audience. These drawings are done in brilliant tones of orange and green.

In addition to scenes from "The Reluctant Dragon" and "Snow-White and the Seven Dwarfs" is the striking "Apollo Emerging from the Sun" from "Fantasia." The vivid yellows and orange radiate from a white-hot disc. At the left, Apollo is seen urging his steeds on to greater speed in their journey across the sky.

The exhibit would be appreciated by students, art majors, and the movie-goers alike. This display is one of many which will be offered to the Youngstown public this season.

E. T. P. C. Will Install New Officers on Oct. 23

The Elementary Teachers Professional Club will hold its annual ceremonies on Oct. 23 in room 303 to install the newly elected officers and new members of the elementary education field.

Polly Velker will serve as chairman for the meeting, and will be assisted by Levie Kosma, Judy Megala, and Margaret Higham.

Committees have been formed to serve for the coming year. Acting as social chairman is Lola Raptou; calling, Rose Csiss, chairman, Ida Adovasio and Margaret Higham; publicity, Judy Megala, chairman, Florence Bailey, and Frances Palotsee.

Elizabeth Patrick Heads Women's Athletic Club

Elizabeth Patrick was elected president of the Women's Athletic Association at a recent meeting of the organization. Other officers to serve for the school year are Dawn McClelland, vice president; Alice Woodside, secretary; and Jean Mellinger, treasurer.

The WAA has a dual purpose for college women. It furnishes social meetings and sport activities such as hikes, swimming, and bowling sessions. By their activity point system members may earn letters and pins.

The membership drive will continue for two weeks.

Don't be alarmed if, seemingly out of nowhere, music students appear frantically waving their arms, hands, and heads in the air—here, there, and everywhere. There really isn't anything drastically wrong with them, even if they do fling into a flying fit! Chances are they're just rehearsing for Doc's "ever-bound-to-make-you" conducting class. Just exactly where did that "tweet-tweet" occur? On the "on" beat or the "off" beat?

Those who attended the concert given by Rubinoff in Warren a few weeks ago, found it most interesting in many respects. We were surprised to find out that Rubinoff possesses quite a "knack" for comedy and swing—probably one of his many hidden talents.

S. A. I. girls had the honor of presenting red roses to Miss Josephine Antoine, guest coloratura soloist at the Symphony concert Tuesday evening, Oct. 4. Her personality, stage appearance, "the extraordinarily mellow upper range of her voice" held the attention of her audience completely. It is interesting to know that Miss Antoine is a member of the same Sigma Alpha Iota National Fraternity. One of her encore numbers was "Tis the Last Rose of Summer" which she sang while holding the roses. S. A. I.'ers who had the privilege of making her acquaintance were greatly pleased. Four of us gave her the "royal solong" at the Erie Depot. We know she has a fine memory, too! (Eh, kids?)

Practice rooms in the Annex are receiving considerable attention. Some are being decorated and remodeled by students; some are being made conducive to practicing; some are being generally left at peace, while still others are being argued about. Just what room 11 has we'll never know or tell. Could it be the haven for rest? Or is it the loud piano?

Who did what, where, and when? Kay Sullivan and Francis Monoc have been singing over WFCI Sunday afternoons at 3:15. Carol Jones is soloing at the Richard Brown Memorial Church. All three girls are pupils of Mr. Holzhausen.

Station WFMJ brings you "Melodies that Linger," starring our own Mary Ferranti and Delbert Mook every Wednesday evening at 8:15. WKBN brings you the new "Youngstown Hour" under the direction of Mr. Ficocelli every Tuesday evening at 9:30. Soon Station YCCP (Youngstown College Chapel Program) will bring to you at 11:15 in the morning the college band and orchestra. This is Station BCNU signing off.

Dr. Wilcox to Represent College at Conference

Dr. G. W. Wilcox will officially represent Youngstown College at the inaugural ceremony for Dr. Nevin C. Harner, who will become the eighth president of Heidelberg College, Tiffin, O., on Oct. 13.

Doctor Wilcox, dean of the college and head of the education department, attended the State Department of Education professional conference held Thursday and Friday of last week in Columbus. Dr. Clyde Hissong, new director of education, met with school administrators, heads of college and university teacher education divisions, and state supervisors for informal discussion on topics of general interest.

Miss Jenkins Awarded Knitting Contest Prize

Miss Vera Jenkins, instructor at the Business School, was pleasantly surprised when she returned home from summer studies at Pittsburgh University to find that she had won second place in the Alpha Iota International Victory Contest. Miss Jenkins knitted her way to second prize in the war project knitting contest held by the sorority in the United States and Canada. She received the official key and chain of the Alpha Iota International Business Sorority of which she is a member. Miss Jenkins is advisor of the Youngstown Alumna chapter of the sorority.

Last year Miss Jenkins won third prize in the same contest—this year, second prize—proof of what can be done for a worthy cause through the clicking of two knitting needles and one generous heart.

FACULTY ENLARGED TO MEET ENROLLMENT

(Continued from Page 1)

Miss Valentine Potor, the latest addition to the Math department, is a graduate of Youngstown College, holding an A. B. degree. She received her Master of Arts degree from Indiana University where she has also done some work toward her doctorate. Miss Potor taught under the Army Specialized Training program at Eastern Kentucky State College and at Berea College, Berea, Ky., in conjunction with the Navy V-12 program. Miss Potor lives in Campbell, O.

Dr. Igna Worley, wife of Dr. Clair Worley, is an associate professor of Biology with the college. Mrs. Worley has been doing research work with the Societe Haitiano-Americane de Developement l'Argriole, but now lives in North Jackson, O. Mrs. Worley is a graduate of the University of Wisconsin with the degrees of Bachelor of Science in Education, Master of Arts, and Doctor of Philosophy.

In addition to these new faces along Faculty Row are seen faces reminiscent of the prewar years. Mrs. Christine Dykema has returned to teach Freshman English and Beginning French. Mr. Alvin Myerovich has returned to Dana's, having served in the armed forces. Dr. J. E. Smith, after a two-year absence, during which he was area director for the War Manpower Commission, has returned as Dean of Men.

When the boss starts housecleaning the secret prayer of the help is that in his madness he will discard something the lack of which at an early date will cost him plenty.

Returned Servicemen Swell YoCo Enrollment

The enrollment of veterans at Youngstown College hit a new peak this fall with 187 returned servicemen pursuing college careers. No particular course appears to be favored by these veterans with the enrollment divided among all courses.

Along with this large enrollment, the Veteran's League of Youngstown College begins its second year as an organized group for returned servicemen. Election of officers is scheduled to be held soon and the purposes and aims of the League will be set forth then. Adoption of the constitution of the Gamma Iota Alpha, national fraternity for veterans, is another vital issue confronting the League. If this constitution is adopted, the League will become a branch of the fraternity and will follow the purposes and aims of the organization.

All new veterans are urged to join and participate actively in this group at Youngstown College. Any issue decided upon should be the opinion of the majority of veterans attending school and not merely that of those attending the meetings.

The Editor Reserves the Last Column

As the college begins its first year as a member of the North Central Association of Colleges and Secondary Schools, a serious responsibility falls upon our new Student Council. The task of maintaining and improving the basic standards on which we were accepted by the association is set before the Council members. Of course, the entire student body is responsible for the college's continued esteem, but the guide-lines are in Council's hands. The governing body needs to take a firm grip and hold on to it.

A splendid example was set by last year's Student Council. A brief resume shows several important and lasting accomplishments: Remodeling of the Lounge through Council funds and work; over the top war loan drives throughout the year; changing of the college colors to a more suitable combination; and the abolishment of extreme forms of freshman hazing. These were in addition to numerous successful social events.

The new Council has made a fairly good beginning. Increased enrollment has given it a larger activity fund to work with. How-

ever, matters other than financial are in need of attention. Prompt action can be taken on details of organization, appointments, and reforms without dollar and cents juggling. Delays on such matters fall into the inefficiency category. Since the guide-lines are in Council's hands, little excuse can be given for delays of this sort.

The student body has elected a fine group to Student Council. It is imperative that the members be sincerely conscious of the great responsibility which we have entrusted to them. Council has pretty much the say-so. — let its voice be quick and strong!

AMERICAN HEROES
by WOODY COWAN

SEEING his two squads of infantry pinned down by enemy machine-gun fire, Lt. Beryl R. Newman, Fargo, N. D., boldly advanced, wounding two with his Tommy gun and chasing two others into a house. When the latter two attempted to retake a gun, he killed them. Then he kicked in the door of the house and forced eleven armed enemy gunners to surrender. He was awarded the Medal of Honor. Victory Bond investments can support men in all services who made this drive for final victory.

To Joe from Judy

DEAR JOE,

I'm sorry I haven't been able to write sooner, but the college has been simply buzzing with activities, and you know me!

So you've finally been made corporal? Congratulations! I was talking to Bill Fiore—he's a sergeant now—and he's just returned from five months in Sicily, and he looks fine. I told him about your being made a corporal and he said it's only because the war's over and everybody else is getting discharged and SOMEBODY has to get the stripes.

Jerry Kahn, a former Phi Gam (he was very active, too) is home on a furlough, too. He was glad to know that we've so many veterans in school this year. One hundred eighty-nine—no less! And Joe, I think the way they're participating in all of our activities is wonderful.

Joe, you remember Ced Smith, don't you? The Kappa Sig who's a lieutenant in the air corps? He's home, too, and he came to college yesterday. Ced's stationed at Fort Sill, Oklahoma, and he knew Mr.

and Mrs. Alvin Myerovich when the former was stationed there as a special service director. Ced plans to study law when he goes back to college.

I walked into the publicity office and met Lt. (j. g.) John Pope and Staff Sgt. William R. Stambaugh, both of whom went to YoCo. Johnny, who plans to enter Case when he gets discharged, has been practically all over the world: India, Iran, Africa, South America, and Cuba, to mention a few places. And Joe, I wish you could have seen the medal on Bill Stambaugh: Liberation of the Philippines; one for serving in the Asia-Pacific area; a pre-Pearl Harbor medal; and one for good behavior, too. Bill was an engineering student when he went to college, and he's been overseas 40 months!

Joe, there's the bell, and I've got a class with Professor Dykema — American Lit. — you had it, too, remember?

Bye for now . . .

Yours truly,
JUDY LOU.
