

# THE JAMBAR

Friday, March 29, 1957

YOUNGSTOWN, OHIO

VOLUME 31 NO. 4

## ZETA PHI ETA JAZZ CONCERT IS TONIGHT

### Alpha Mu Elects Bender As Pres.

Members of Alpha Mu Advertising, Merchandising and Public Relations fraternity elected Fred Bender president, succeeding George Findlay.

Findlay has accepted a post with an out-of-town firm which necessitated his withdrawal from classes.

Bender is an Advertising major attending evening classes and is employed at the Youngstown Vindicator. He is a member of the Jambar staff and has availed his experience in the newspaper field to the group. He enrolled in 1953 and has liberalized his studies.

#### Active Off-Campus

Off-campus activities in which he participates are numerous and varied. Bender is active in Trinity Lutheran Church of Niles, O. where he serves as vice president of the church council.

He is active in the Scouting in the Western Reserve Council of the Boy Scouts of America serving on the South District Staff of Troop Commissioners.

At the present time he is Institutional Representative of Boy Scout Troop 30, and Explorer Post 330 and serves on the troop committee.

He is affiliated with the Men's Group of the Church, Mahoning Lodge 394 of the Masons, International Typographical Union, and Niles Community Corporation.

### Banquet To Honor Rosselli, Team

In appreciation of Dom Rosselli, Ohio NAJA Coach of the Year, and his Ohio NAJA Championship team, Youngstown University ticket manager Tony Vivo has planned an appreciation banquet.

The banquet will be held at Cardinal Mooney High School, April 10 at 6:30 p.m.

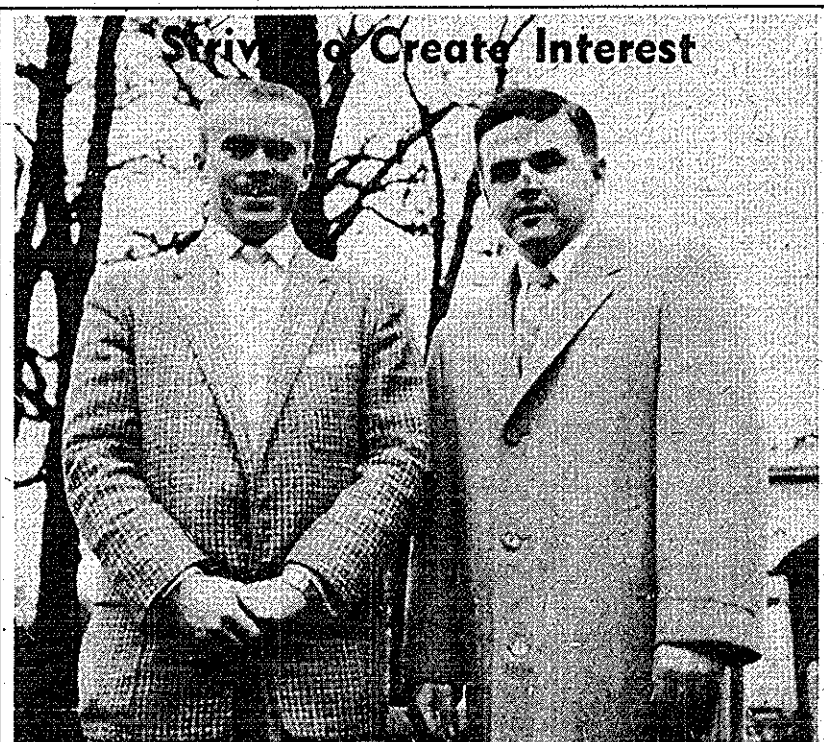

#### Tickets On Sale

Tickets for the dinner are \$5.00 with a special rate of \$2.50 for University students. They are on sale at the Main Building or may be purchased from any member of the Youngstown University Students Association.

Co-chairmen Fran Minghetti and Jim Roof are in charge of the dinner.

#### NOTICE

The Youngstown Police Department has notified the University that action will be taken to enforce crossing of Wick Avenue at the Lincoln Avenue light. Students crossing at any other point between Lincoln and Spring (particularly at the parking lot) will be penalized.

Striving to create more student interest in jazz, the Zeta Phi Eta fraternity, under the chairmanship of Robert Vaclav (L) and Jack Carlow, has contracted the Charles Pleasant quintet and Charlie Harris for a jazz concert tonight at Princeton Jr. High School.

### Sororities Pledge 45 Under New System

Every year at this time the cafeteria begins to buzz with the activity of the new sorority pledges. The various songs of each sorority are ringing through the din as the voices of the actives encourage them to sing louder.

With a new system of rushing the sororities were able to carry out their program of preferential bidding with ease. As in the past three parties were held by each organization during the rush period.

The first two parties were held on Sunday afternoons here at the school in various buildings. The first party was 1/2 hour long and the second party lasted an hour.

The third party was at the discretion of the individual sororities and were held at places of their own choosing on either Saturday, March 9, or Sunday, March 10.

The Beta Sigma Omicron Sorority entertained at the "Pink Lady Soiree". The Gamma Sigma Sorority presented for the rushees the "Gamma Sigfield Follies". Phi Mu Sorority held their party in the form of a "Perfume Party". Phi Lambda Delta Sorority ended their rush period with "Calypso Goes Phi Lamb."

The new members of Beta Sigma Omicron include Rosemary Collins, Ruth McKissick, Marion Minghetti, and Barbara Priore.

Gamma Sigma new pledges include Cynthia Boris, Dorothy Botak, Toni Carlomagno, Bernadine Clark, Martha Clark, Carol Crisahl, Judi Englehardt, Dorothy Fabiny, Shirley Pavlov, Joetta Smur, Betty Lou Storey, and Nancy Veauthier.

The new Phi Mu pledges are Amy Badal, Anna Marie Battaglione, Shirley Bobanic, Donna Jean Cosciano, June Gerlach, Loretta Masaro, Mary Mazi, Jane Moore, Elizabeth O'Neill, Donna Jean Sampson,

### Harris, Pleasant Are Featured In Program

The Zeta Phi Eta fraternity will present a jazz concert tonight in the Princeton Jr. High School auditorium. Charles Pleasant and His Quintet and Charlie Harris and His Orchestra will be featured in the program which starts at 8 p.m.

Most of the program will consist of standards and take-offs on standards by both groups. Charles Pleasant will give a short lecture on the contemporary school of jazz.

The talents of the two leaders will be displayed during the second half of the program when they will play several originals.

#### Is Former Student

Mr. Pleasant, a former student of Youngstown University, has achieved fame with such groups as Arthur Prysock, Teddy Charles, and Ray Hamilton.

Along with Pleasant are Kenny Anderson, sax, formerly with the Woody Herman aggregation; Ronnie Marks, trumpet; Bob Atchison, drummer, formerly with Ray Brown, the Herbie Ellis groups, and Oscar Peterson; Ruben "Red" Lestrice, piano; and Tommy Frabotta, formerly with Stan Kenton, on alto sax.

The group sharing the spotlight will be the Charlie Harris Quartet. This group generally works around Akron where jazz interest is concentrated.

#### Members Include:

Members of the Quartet include Charlie Harris, vibraphone; Newman

(Continued on Page 6)

### Dr. Harder Acts As Speech Consultant

Dr. Jayne C. Harder was recently asked to serve as a speech consultant at a meeting in the field of structural linguistics in the teaching of English at Ohio University.

Dr. Harder was asked to serve at the meeting by Dr. Lester L. Hale, dean of men at the University of Florida and outstanding in the field of speech correction.

He is working with a committee of educators on a special project for curriculum revision in the field of speech and English.

#### Receives Awards

Dr. Harder received an Honor Award Scholarship at Louisiana State University and the Phi Beta Kappa Achievement Award at the University of Florida.

She received the degrees, Bachelor of Arts, Master of Arts, and Doctor of Philosophy at the University of Florida also. She has written numerous articles in her field for publication.

### ACS Plans Open House; Will Discuss Projects

At the last meeting of the student affiliate chapter of the American Chemical Society plans were proposed for the Science Open House to be held Sat., April 27.

The open house is to be held for Youngstown area high school students interested in science. Projects in chemistry and biology will be demonstrated by student members of the Society and Omicron Lambda, the honorary biology fraternity.

#### Obtained Permission

Members have also been informed that the science department has obtained permission from the administration to use the old greek board to post announcements.

A membership drive will be carried on among the second semester freshmen class to obtain new members for the organization soon.

#### Work On Papers

Members of the ACS are also working on papers which will be entered in competition at a chemical contest held by the Penn-Ohio border section.

Dr. C.M. Bridgman has announced that the Chemical Rubber Company has donated a handbook to be given to the outstanding freshman student each year.

Dorothy Thomas, Nancy Urban, Ilona Walko, and Mary Young.

Phi Lamb pledges are Judy Appleman, Sandy Bailey, Dorene Butchko, Elizabeth Davis, Florine Fish, Janice Georges, Brenda Hayes, Mary Helen Hreno, Sandy Marinelli, Norma Neilson, Toni Ross, Carol Saulino, Sandy Sherwood, Diane Stizza, and Geri Zeller.

### Varsity Y Defeats Phi Gams To Win Intra-Mural Play

Varsity Y, paced by big Mike Giambattista, defeated the Phi Gams 33-28 recently to capture honors in the Intra-Mural basketball tournament.

Varsity Y finished the season with 12 straight wins to capture both the Southern division and playoff crowns. The Bombers were winners in the Northern division, but lost to the Phi Gams in the semi-finals of championship play.

(Continued on Page 7)

### Marines Will Interview YU Women Students

Lt. Martha A. Cox, Woman Procurement Officer for the United States Marine Corps, will visit Youngstown University April 11 from 10 am to 3 pm.

Lt. Cox will interview all interested applicants in Room 210 in the Main Building.

### Looking For a Job? See This Directory

The Advancement and Placement Institute has announced the publication of The World Wide Summer Placement Directory which is available to all college and university students.

The Directory gives descriptions of the type of work available with names and addresses of employers regularly needing additional summer employees.

Included are summer theaters, dude ranches, travel tour agencies abroad, work camps, study awards all over the world, national parks, summer camps and resorts, and many others.

Additional information can be secured from the Institute at Box 99B, Greenpoint Station, Brooklyn 22, New York.

**Is Originality Gone?**

It has often been said that during a student's four years in college he develops a great sense of creativeness. This can turn into a very debatable question. If they do develop creativeness where is it to be found?

The editor of the Colorado State University student newspaper recently printed an editorial which was written by a reader who is worried about the lack of ingenuity and originality on his campus.

If you notice at every basketball game or football game you hear the same old "Two bits, four bits, --- stand up and holler" cheer, or the same old pep songs.

This lack of ingenuity and originality exists all over our campus. The argument that it is also found on other campuses does not solve the problem, but instead makes it an even more serious one.

In Hungary students created an unknown freedom that lasted for only five days. In our country we are given that same freedom at birth and don't ever care enough about it to protect it. We trade our freedom of free enterprise for government subsidies. For the right to feather our own nest, we beg for Social Security. These freedoms were created for us by men who risked their necks to sign the Declaration of Independence.

Where is this lack of creativeness and originality going to lead us? Will it lead us to a bright future where everyone is truly satisfied because no one has the desire or freedom to think originally? A civilization in which traditions will never be upset? Will it instead lead us to degradation and downfall of our civilization that will result in another middle ages?

These are problems that students on this campus apparently don't know exist. They are questions we should all be considering.

**Study In Italy Available To Grads**

The Italian Government and four Italian academic institutions will offer fellowships to American graduate students for the 1957-58 academic year. Closing date for the Italian competitions is April 1, 1957.

Six fellowships for advanced study or research are offered by the Italian Government through the Cultural Relations Office of the Ministry of Foreign Affairs.

Men and women candidates may apply in any field. The minimum period of study is six months, but a grantee may extend the duration of study if he has sufficient funds.

Each grant includes a stipend of 600,000 lire. Free tuition is given by the host institution. Candidates in the field of music will be given an extra 50,000 lire for private lessons.

A grant of 10,000 lire will also be provided for travel in Italy. Grantees should have funds to pay their own trans-Atlantic travel and incidental expenses. They may, if eligible, apply for Fulbright travel grants.

The University of Padua will offer two tuition and maintenance fellowships. The competition is open to both men and women under 35 years of age.

The Collegio Ghislieri and the Collegio Borromeo, residential colleges in Pavia, are offering one tuition and maintenance fellowship each to a male graduate student under thirty years of age.

In addition to the courses in letters and science offered at the Collegios, students may attend lectures in the various departments at the University of Pavia. Tuition is free.

The Scuola Normale in Pisa offers one tuition and maintenance award for study at the University of Pisa. Candidates must be men under thirty, preferably those planning to teach.

Eligibility requirements for the Italian awards are: U.S. citizenship; demonstrated academic ability and capacity for independent study; some knowledge of the Italian language; good moral character, personality and adaptability; and good health.

Candidates for the Italian Government awards must have a master's degree or its equivalent in advanced work, such as recognition as an artist, scholar, or a scientist. They must present a project, outlined in detail, for advanced study or research.

Candidates for the Italian university awards must have a bachelor's degree at the time the award is taken up.

Applications may be secured from the Institute of International Education in New York City or its regional offices in Chicago, Denver, Houston, San Francisco or Washington, D.C.

**A Letter To The Editor**

Dear Fellow Students:

Our purpose is to create interest in the football and basketball games. It has been especially gratifying this past season to see the active participation on the part of the students.

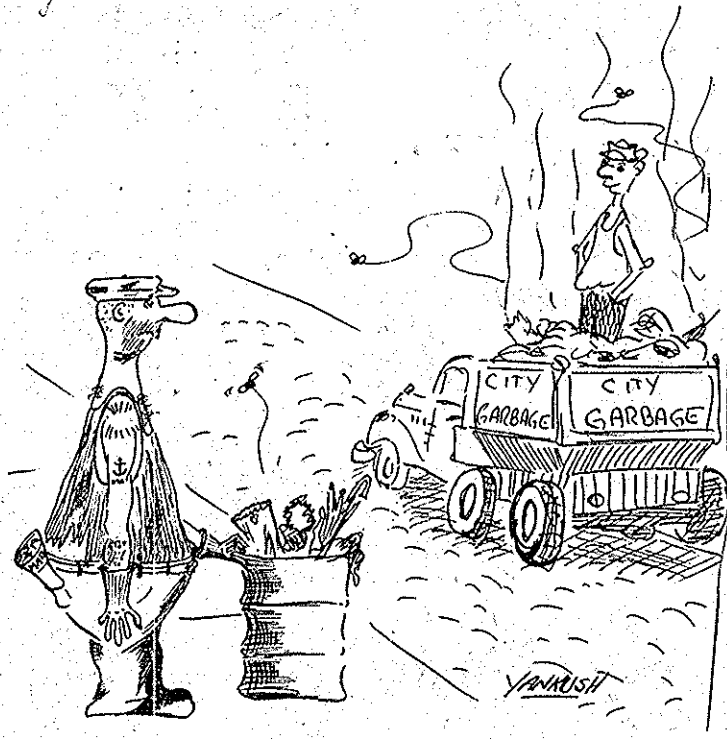

For one thing, we had exceptionally good teams; and as students, we backed them.

We not only commend the team, but also YOU, as the student body for supporting us in backing the teams. We are sure that the football and basketball players appreciated it.

We all like a winning team; but we hope that in the future your support will always be as strong as it was this past season. It is the least we can do to improve our school spirit.

We will always try our best.

The Cheerleaders

**ENGINEER'S ANGLES**

By Two Engineers

Well, we see that all the seniors have their thesis finished and are just sitting around playing pinocle and smoking cigars. We guess that they think if they smoke cigars they won't have to worry about graduating in June.

After being waylaid by the industrialists we had better mention their newly elected officers. They are as follows: Bosch, pres.; Kolenich, vice-pres.; Peterson, treas.; Frantz, sec. Now we've said it and we're glad.

Since the last column we made our stand against cigarette butts on the floor, we have noticed that a great majority of butt throwers are now smoking cigars, and now there are cigar butts all over the floor.

We guess that the only way to keep the butts off the floor is to start a movement to chew tobacco. Then every hopeful engineer can be the spitting image of his favorite dean.

We now have a few reports from the world of unfinished thesis. It seems that John Kuntz's thesis (known as Kuntz's Polly) has refused to give John its full co-operation, and has become the hottest thing in the en-

# Wiretapping

By Janice Simpson and Bob Foreman

Chicago University: Maroon News

An entire press run was confiscated and burned on the orders of the Chicago University's Administration. Then they had a special edition, issued after the incident, reported that, without warning, armed police appeared at the Maroon off-campus printing shop and demanded all the papers, which they destroyed along with the stereotypes from which the paper was printed.

"Crossroads"

A formidable looking matron, battling her way through the Easter shopping mob at Saks-Fifth Avenue, finally managed to get hold of a salesgirl and gave her an order, "Please charge it to my account," said the woman, giving her name and address.

The harassed salesgirl started writing the data on her slip. Pausing midway to catch her breath, she shook her head tiredly at the customer and gave her a wan smile.

"It's a madhouse isn't it?"

"No, young lady," came the chilly answer. "It's a private residence."

## Labor Scholarship Available in G.B.

A program for American union members to study labor problems in Great Britain has been announced by the Institute of International Education, 1 East 67th Street, New York City, and the Transatlantic Foundation in London.

Closing date for application is April 1, 1957.

Four full scholarships for the coming academic year (October 1957 - June 1958) are available; three at Ruskin College of Oxford University and one at Coleg Harlech in Wales.

The awards cover maintenance, tuition and incidentals at Ruskin College; maintenance and tuition at Harlech. Recipients must provide their own transportation and approximately \$400 for miscellaneous expenses.

To Activate Members

The awards are offered to active union members by the Committee on Labor Scholarships in the United Kingdom through the Transatlantic Foundation. The program is administered by the Institute of International Education.

Unmarried candidates between 20 and 35 years of age are preferred. They should be actively participating in some phase of the labor movement and be able to carry on college-level studies.

### Vic Vet says

**DON'T WRITE VA ABOUT STATE BONUSES FOR SERVICE DURING THE KOREAN CONFLICT. THESE BONUSES ARE ADMINISTERED ONLY BY THE STATES WHICH HAVE ENACTED THEM. SO WRITE YOUR STATE DIRECTLY.**

For full information contact your nearest VETERANS ADMINISTRATION office

A drunk was very indignant on being arrested. He staggered up to the desk sergeant, pounded his fist on the desk and shouted: "What I wanna know is why I'm arrested?"

Sergeant: "You were brought in for drinking."

"Well, thass different — thass fine. Let's get started."

## Offer Study In Scandinavia

Fellowships for study in Denmark and Sweden have been offered to American graduate students for the 1957-58 academic year by the two Scandinavian governments.

Closing date for both competitions is April 1, 1957.

Three fellowships have been offered by the Danish Government through the Ministry of Education. These include funds (3990 kroner) for a year of study at an institution of higher education and a short orientation course.

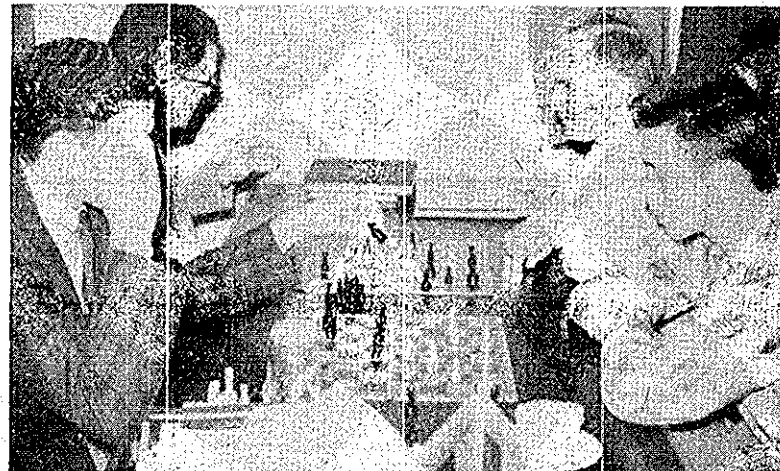

Grantees should have funds to pay their own travel and incidental expenses. They may, if eligible, apply for Fulbright Travel Grants.

Gives Three

The Swedish Government is giving three fellowships through the Sweden-America Foundation. These awards are administered in the United States by the Institute of International Education and the American-Scandinavian Foundation. Stipends include 4500 Swedish crowns for the academic year.

It is expected that tuition will be waived except at the International

## Mate or Stalemate?

Members of the University chess club, (l to r) P. Gargoline, Prof. P. Hahn, chess club advisor, P. Tremmel, and D. Uiselt are keeping in practice with a watchful eye toward inter-state competition.

### YEAH... COULD HAVE BEEN

A psychiatrist was questioning a patient and asked:

"What would you say would be the difference between a little boy and a dwarf?"

The patient thought for a while and said:

"Well, there might be a lot of difference."

"What, for instance," asked the psychiatrist, encouragingly.

"Well," replied the patient, "the dwarf might be a girl."

## "A big company works for me..."

JOHN D. EVANS, University of Pennsylvania, 1952

"I began working on a training program for General Electric in the summer of '52. Right now, I'm 'Employee and Plant Community Relations Manager' of my company's new plant in Burlington, Iowa. One of the advantages I found in working for a big company such as General Electric is that, because of its size, it is able to give me, and other college-graduate employees like me, a wide variety of training and experience in any one of 159 plants all over the country. Through an extensive on-the-job training program, it is providing me with the opportunity to become one of the top men in my field, and I know that as long as I apply myself to each job, I'll keep moving up. The way I look at it, General Electric is helping me help myself. That's why I say I'm working for a big company, but a big company works for me, too."

size. 27-year-old John Evans is just one example of the thousands of college graduates at General Electric, each being given the opportunity for self-development so that he may grow and realize his full potential.

As our nation's economy continues to expand in the years ahead, thousands of young people of leadership caliber will be needed to fill new positions of responsibility in American industry. General Electric feels that by assisting young people like John Evans in a planned program of personal growth, we have found one way of meeting this need.

A Manager of Employee and Plant Community Relations at General Electric holds a responsible position; he handles employee benefits, health and safety, training, wage and salary administration, and community relations.

Progress Is Our Most Important Product

**GENERAL ELECTRIC**

This wide framework of opportunity is a unique characteristic of a company of General Electric's

# IT'S GREEK TO ME

By Pat Hrinko and Pat Gubany

Spring is sprung, the grass is ris  
I wonder where the pledges is?

These seem to be the words at the present moment. Congratulations to all the new pledges. Coming up this Friday evening is the Zeta Phi Eta jazz concert. The boys have worked hard on this so let's really have a turnout. Lots o' luck, boys.

## GAMMA SIGMA

The Gamma Sigs want to welcome their new pledges: Cynthia Boris, Toni Carlemagno, Carol Chrishal, Bernadine Clark, Martha Clark, Dorothy Botak, Dorothy Fabiny, Betty Lou Storey, Joetta Smur, Shirley Pavlov, Nancy Veauthier, Judie Engelhardt.

Many thanks to Kappa Sigma Kappa fraternity for choosing their sister, Madelyn Sweeney, as their candidate for Junior Prom Queen.

The Gamma Sigs are still talking about their fabulous party with the Theta Chi's! The hi-light of the evening was Gloria Katula playing "John the Baptist", and Lou Storey's "new" jitterbug.

## SIGMA DELTA BETA

The third and final rush party of the season was held on March 24, at Chicone's Restaurant. A full course spaghetti dinner was served. Mr. Krietzler, one of the founding fathers of Sigma Delta Beta, was speaker for the evening.

Today is the day when someone will be awarded a brand new G-E 14" portable TV. The drawing will take place at 12:00 noon in the cafeteria.

Plans are being made for a Father-Mother banquet to be held soon. Brother Dom Marino is Chairman.

Congratulations to Clive Unger who has taken the initiative in the effort to ease student parking problems. Clive gave a very good account of the problem recently before the Safety Council of Greater Youngstown.

## THETA CHI

Last week students could spot a Theta Chi very easily, by the YU caps they were all wearing. It seems that Bill Bigley really started something, when he bought one of those caps to wear to Kansas City. Speaking of Kansas City, Larry Nord, Jack Chugdin, and Bill Bigley left for Kansas to see Youngstown play in the semi-finals.

While traveling they heard on the radio that Youngstown had been defeated. So where do you think they ended up? You guessed it -- the flower show in Cleveland.

The first party of the second semester was held at the DAV with the Beta Sigs. It seems that Ed Lavin couldn't make up his mind whether to take a girl home or find one who drove, and ask for a ride.

Following that party, another party was held at the May-Pe Club in honor of Brother Bill Voyzey, who is leaving for the service. All the brothers told Bill to say hello to Uncle Sam for them.

A third party was held last week at the May-Pe Club with the Gamma Sigs. As usual Karl Mogg was calling square dances. Dick Stebleton and Tom Lavin, home between quarters from Ohio State, were guests of honor.

The big news with all Theta Chi's in Ohio is the state convention, called the "Corral", being held at Kent State University, April 12 and 13. Most everyone is going, so you can bet that some good times will go down in Epsilon Delta's History.

## SIGMA PHI EPSILON

The Sig Eps recently enjoyed a weekend in Pittsburg, where they participated in a basketball tournament with their Brothers from Penn-

## Filled to Capacity

This picture of the main parking lot filled to capacity is nothing unusual to the students of the University. Each morning around 9 a.m. many cars try to buck the increasing demand of more parking space.

sylvania, Indiana, West Virginia, and Ohio. After the games they were treated to a hearty dinner, and fine "entertainment."

Coming through their first tilt in the IPC basketball tournament with a win under their belt, the Sig Eps are now eagerly looking forward to their second encounter. Good Luck, men.

Just a word here in recognition of two brothers who have been elected officers of OSPE, Al Fortine and John Gyurek.

"Hilarious" is the only word which comes to mind, after listening to many attempts to describe, to relate the obvious success of the recent Scavenger Hunt party held at the cycle club. It stands first, with only the Rush party with Delta Chi sorority coming in second, this semester.

## PHI LAMBDA DELTA

Congratulations to all the new Phi Lam's: Doreen Butchko; Dolly Stizza; Sandy Bailey; Sandy Sherwood; Flo Fish; Judy Appelman, Brenda Hayes, Janice Georges, Sandy Marinelli, Terry Hreno, Jeri Zeller, Liz Davis, Toni Ross, Norma Neilsen and Carol Saulino. Also congratulations to their sister Ginny Krupa, candidate for Junior Prom.

Coming up in the not too distant future is a square dance with the Sig-Eps. Should prove to be a real hoe-down!

The sisters finally had a long overdue party with the Phi Gams. Highlighting the evening were the on-the-street interviews and Larry. The Zeta Phi Etas and the Phi Lams had a little get-together last Sunday. We hope we will have more parties like that one.

Good luck to the Zeta Phi's on their jazz concert.

## NU SIGMA RHO

The men of Nu Sigma Rho would like to extend their congratulations to the Pledges of Beta Sigma Omicron, Gamma Sigma, Phi Mu and Phi Lambda Delta Sororities, and also their best wishes to Marve Levy, newly appointed Junior Prom Chairman, and to Bill Burby, chairman of the IPC Sing.

The last rush party which was held on Tuesday, March 19, proved to be a great success with the rushees and actives both enjoying themselves under the terrific singing of their advisors Mr. Yozwiak, and Dr. Glen-ny; accompanied by Sam Traficant,

With the sing practice under way, every Sunday, the men are learning their parts with great anxiety. Boy, you should hear Ron Wolfgang, Ace Verdream, Fred Seminara, Ed Hritz, Dick Moskowsky, Chuck Lynn, Dennis Katsaras hummm.

Their get well wishes are extended to Tony Jannetto's father who is very ill.

## BETA SIGMA OMICRON

The Beta Sigs would like to start off with several congratulations. First of all, to the boys on the basketball team for their wonderful showing at Kansas City. Good luck for an even better season next year. Next, to the Kappa Sigs on the success of their St. Patrick's Day Dance.

A special welcome goes to their new pledges - Rosemary Collins, Ruth McKissick, Marion Minghetti, and Barb Priore. Glad to have you, kids.

The fame of the Beta Sig basketball team is spreading. Zet Phi Eta has challenged them to a game (girls' rules of course.) A certain Zeta has offered to stand all bets at 2-1 odds. Save your money, Dan. Plans are also being made for a co-rec volleyball team with the Zetas.

The recent birthdays of Pat Sfara and Bob Bucher were celebrated with a birthday cake and all that jazz. The occasion was the party with the Tekes at the Phi Gam Room. Another good time was had at the Theta Chi party held at the D.A.V.

Barb Bussinger celebrated her birthday by holding a pajama party at her house (Brave mama).

## PHI GAMMA

It's been said that in the spring a young man's fancy turns to love. So what's new, you guys?

The Phi Gam's moved to the finals of the intermural basketball tournament and were beaten in a hard fought game by Varsity Y 32-28. The next outing for the boys was the Inter Fraternity Basketball Tournament. The PG's won the first two games over Kappa Sigs and Kappa Alpha Psi.

Congratulations to our brother Bill Burby on being chosen chairman of the 1957 Greek Sing to be held May 4.

Strange sounds have been emanating from the frat room on Sunday afternoons. This is just a tune up for the big things to come. B. O'Reilly and

# Looking Around...

By Tim Bowser and Bill Sponsler

Did somebody say spring is here? HAH! We should be so lucky. We break out our summer gear and what happens? A crazy, winter type blizzard hits town. We don our short-sleeved shirts, and summer jackets, and what happens? We end up in the sack with double pneumonia!!

And all this isn't bad enough, we are sorely stricken by spring fever, with more homework piled up than we've seen since last year when this happened. Gave it, what a revolting situation.

Oh, well, on to some brighter topics or you'll begin to think we're chronic complainers. Speaking of brighter subjects, that crazy little man with the camera that you've seen running around lately, being our own Tim Bowser, was simply overwhelmed by the things he has been seeing through his warped little view-finder.

If you've found it difficult to get in the door to the library due to large crowds of luscious looking creatures in strange outfits, you no-doubt have just witnessed a world stopping event. Can you imagine? Sorority pledges were actually getting their pictures taken and the actives weren't! Wow!

We interrupt this mass of motely mumble to bring you this week's feature, YU's own little section of Classified Ads:

- Wanted, \$3,000,000.00 for new Annex buildings. President Jones.
- Wanted, some staff members who believe in punctuality. Editor Poulson.
- Wanted, a talented, goodlooking, entertainer. Reasonable (low) wages. Mickey
- Wanted, 500 bottles of VICKS, and 600 bottles of aspirin. "Little Caesar"
- Wanted, some business. Joe Burns.
- Wanted, 5 flakes of horse-dandruff. "Never-say die" Ulioney
- Wanted, a grass skirt. Judy A.
- Wanted, revenge! Sorority Pledges.
- Wanted, a "worry-free" parking spot. Despondent YU student.
- Wanted, 36 hours to a day. Editor Poulson (Yes, again).

And now that we've had our little fancies, we shall continue upon our dingy collegiate way, our corroded minds constantly working. Have we much "dirt" to relate? Yes ... More people seem to know more secrets about a certain Phi Lam pledge whose initials are S.B.

Whats the latest Ern? Peg Carol, Donna, Pat. .... Ya' say you're all confused?

We see our gung-ho little commandos running around in those funny suits again. What a joy it must be to have all the girls looking at you disgustedly. (Kidding!)

Has anyone noticed that crazy fellow prancing about with the authentic Swiss Yodelers hat? What's the brush for, is what we would like to know.

A certain Gamma Sig sure has a knack for tilting her head to just the right angle when she is getting her picture taken. Anybody figure out yet what G.S.L. means? There are a lot of guys who would like to be on that list with all those sharp looking pledges running around.

We were told to ask Sally Gribbon about a certain discussion on the "latest tops in the record field" ... in the driveway one night.

I guess we've about got ourselves into enough libel suits for this issue, so we'll adjourn to Wick Oval until next time. As our Martian friends would say kydzwilruv!!!!

Chuck DeBene will direct the frat in this years sing.

A long awaited party was held last night with the Gamma Sigs and all that can be said now is: "I guess so!"

## ALPHA PHI DELTA

Alpha Phi Delta wishes to congratulate the Rossellimen for a wonderful season and the cheerleaders for helping kindle the school spirit.

The National Executive Meeting will be held at the Pick-Ohio Hotel March 30-31. The Beta Omicron chapter here will act as hosts. They are looking forward to a good time.

Mike Roncone and John Felde seem to have walked into a girls dorm at Kent by mistake. Doesn't sound like a very unavoidable mistake.

## PHI MU

Last Saturday, the Phi Mu Fraternity of Youngstown University installed fourteen pledges. The impressive ceremony took place at Pollock House. The group later progressed to the Kappa Sig's St. Patrick's Day dance.

The new pledges are: Betsy O'Neil, Jane Moore, June Gerlach, Amy

(Continued on Page 8)

**Phi Lambda Delta Pledges**

It looks as though the photographers order not to look at the camera were in vain according to this picture. Pledges of the Phi Lambda Delta sorority this year are: 1st row (l to r) Judi Appleman, Sandy Sherwood, Doreen Butchko, and Sandy Marinelli; 2nd row (l to r) Toni Ross, Elizabeth Davis, Dolly Stizza, Florine Fish, and Mary Helen Hreno; 3rd row (l to r) Sandy Bailey, Carol Saulino, and Geri Zeller.

**Combining Forces**

Combining forces to plan an attack on their actives, members of the four sororities who have pledges are shown above. They are: 1st row (l to r) Donna Cassiano, Sandy Marinelli, Judy Appleman, and Florine Fish.

2nd row (l to r) Ilona Walko, Toni Carlomagno, Nancy Veauthier, Sandy Bailey, Shirley Pavlov, and Rosemary Collins.

3rd row (l to r) Ann Battaline, Ruth McKissick, and Cynthia Boris.

**Phi Mu Pledges**

New pledges of the Phi Mu sorority wear a happy smile as though they enjoyed their duties. They are 1st row (l to r) Nancy Urban, Loretta Messaro, and Donna Jean Cassiano. 2nd row (l to r) June Gerlach, Janie Moore, Anna Marie Battagline, and Betsy O'Neill. 3rd row (l to r) Shirley Bobanick, Mary Young, Ilona Walko, and Amy Badal.

**New On Campus**

Members of the newly formed Chi Delta Chi sorority put on their prettiest smile for the JAMBAR photographer. They are (l to r) Joyce Bryan, social chairman; Terry Capazello, Sgt. in Arms; Anne Mastrian, treasurer; Ruby DePaul, recording secretary; Donna Mastrian, corresponding secretary; Jazy Zemko, vice-president; and Bunny Noga, president.

Missing from the picture are: Donna Gilmore, Madeline Scott, Mary Francis Lichak, Barbara Bradford and Damaris Freen.

**Gamma Sigma Pledges**

Wearing their best smile for the camera are the pledges of the Gamma Sigma sorority. They are 1st row (l to r) Toni Carlomagno, Betty Lou Storey, Dorothy Botak, and Judy Engelhart. 2nd row (l to r) Dorothy Fabiny, Shirley Pavlov, Martha Clark, Cy Borris, and Nancy Veauthier.

**Beta Sigma Omicron Pledges**

Pledges of the Beta Sigma Omicron sorority take time out from their pledge duties to visit the JAMBAR cameraman. They are (l to r) (1st row) Marion Minghetti and Barbara Priore. 2nd row (l to r) Ruth McKissick and Rosemary Collins.

## Annual Scholarship Is Given To Univ. By Women's Ass'n.

An annual scholarship amounting to \$150 has been given to Youngstown University by the American Women's Association, Youngstown Charter Chapter.

The scholarship is to be given to a deserving woman student studying in the field of business administration.

The name of the Scholarship is "American Business Women's Association, Youngstown Charter Chapter Scholarship, and will be awarded for the first time to a student entering the University in September.

Is Chairman

Mrs. Ruth Schnauffer, director of Kimmelbrook Housing Project, and a member of the local chapter of the business women's organization, is chairman of the educational committee.

The winner of the scholarship will be selected by the scholarship committee of the University of which Dr. J. E. Smith, dean of the University, is chairman.

## Fellowships for Study or Research Offered In Iran

The University of Teheran is offering American students two fellowships for study or research in Iran during 1957-58.

Closing date for applications is April 1, 1957.

The awards cover maintenance, tuition and round-trip transportation between the United States and Iran. Men receive room and board in a university dormitory.

The grants are for study or research in the sciences or humanities, with special opportunities for concentration on Persian language and literature. Some knowledge of the Persian language is required.

Get Preference

Candidates under 35 years of age will get preference for these awards. Dependents may not accompany grantees. Eligibility requirements are: (1) U.S. citizenship; (2) a Bachelor's degree by the time the award is taken up; (3) a good academic record and demonstrated capacity for independent study or research; (4) good character, personality and adaptability, and (5) good health.

Applications may be secured from the Institute of International Education in New York City or its regional offices in Chicago, Denver, Houston, San Francisco or Washington, D.C.

## Are Featured In Program

(Continued from Page 1)

Williams, bass; James Noel, tenor sax; and Randy Gillespie, drums.

Compared to other area colleges, the Zeta Phi Eta fraternity contend that student interest in jazz is lacking here at Youngstown. They plan to make this event the first in a series of presentations to promote jazz on campus.

The president of the fraternity, Jim Kane, has been contacting such artists as Eroll Garner, Stan Getz, and Lester Young in order to stage another concert soon.

Sentry: Halt! Who goes there?  
Voice: You wouldn't recognize me anyway. I'm new here.

## JAMBAR Post Open

Applications are now being accepted for post of JAMBAR editor for the 1957-58 year. Applicants should contact John Poulson, present editor, John Tudhope, past editor, or Prof. H.R. Crites, JAMBAR faculty advisor.

Requirements needed for appointment as editor are a 1.75 point average, status as a full time student, and the approval of the University Student Council.

In order to be considered for appointment, it will be necessary for the applicant to spend not less than four weeks in close observation of the elements of newspaper work.

Duties To Include:

Duties of the JAMBAR editor will include: publishing 15 issues of the paper a school year and attending at least three conventions which will be held in distant cities in Ohio and Pennsylvania.

It is also necessary that the appointed editor accept the position for a full year.

Editorship of the JAMBAR will warrant a scholarship of \$37.50 a year.

## Commission In Navy Open To Univ. Women

Opportunity to apply for a commission in the United States Navy is now open to junior and senior women at Youngstown University through the office of the Dean of Women.

Each year approximately one hundred well-qualified women college graduates are commissioned as Ensigns in the Naval Reserve and subsequently are eligible for commission in the Regular Navy.

To qualify for this officer candidate program, women applicants must be graduates of an accredited institution, in good health, of high moral character, and between the ages of 20 and 29½. They will attend a sixteen weeks' course at Newport, Rhode Island.

Also May Apply

Outstanding college juniors who are at least 18 years of age may also apply for the program, and if selected, take eight weeks of basic indo-

Friend: Well, he has as much chance of going out alone as one of the Siamese twins would.

trination during the summer between their junior and senior years.

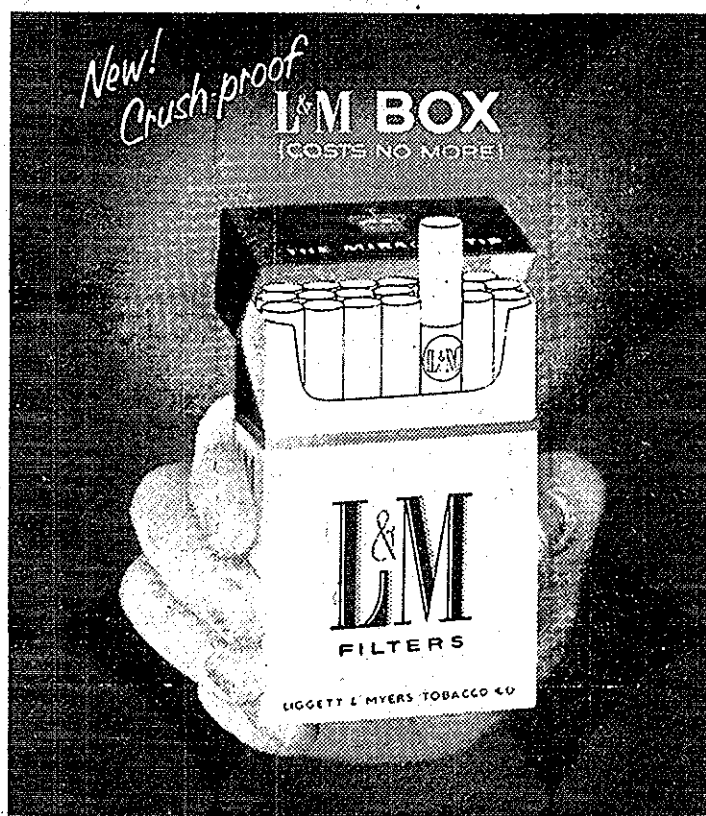

After graduation from college they receive their commissions and complete a second eight-weeks course before going to their first duty stations.

Today women officers are at work throughout the United States and overseas, performing a variety of executive, administrative and operational duties in such fields as communications, personnel, administration, public relations, education and training, naval intelligence, aviation and supply.

# Jet's Jargon

By John E. Tudhope

Interest being shown for the track team is great. Carl S. Christensen has announced that 45 men have reported to him since the team was announced.

Practice will begin the next two weeks with the season opening April 20. Applications are still being accepted and anyone wishing to participate is still welcome to report.

Mr. Christensen requests that men who are able to run distances report as soon as possible. There is a great need for these runners, with no experience necessary.

### Baseball Appears

Along with the major and minor league teams who are now in spring training the Youngstown University team will make an appearance. The men will iron out the kinks under the watchful eye of Dom Rosselli. I guess there is no rest around here for coaches.

After finishing a tough, grueling basketball season he will be ushered right into instructing the baseballers. The same goes for Mr. Christensen who assisted in basketball.

I just hope that these men don't have as much trouble with injuries like the major league ball clubs, especially the Indians, have had.

### Tribe Plagued

Kerby Farrell, who is taking his first shot at managing a major league club, probably has ulcers by this time. Spring training has only been in progress for a few weeks and already almost half of the team has been under the doctor's care.

One of the promising rookies, Larry Raines, fouled a ball off his foot and broke a toe. Ray Narieski broke a finger and Early Wynn injured his hip to deplete the pitching corps.

Cleveland isn't the only club hurting. The Yankees lost the services of Bill Skowron because of a broken arm. They were trying him out at third base and he was doing fine until the accident.

### Same Supporting Cast

The American league race will probably have the same supporting cast that it has had the last few years. New York, Cleveland, Boston, Chicago, and Detroit will furnish most of the fireworks.

In the National League the story may be different. Brooklyn is just as strong as ever but the rest of the teams appear stronger than they were last year.

Milwaukee will be making a do or die effort to overcome the Bums. They almost did it last year.

### Have Murderers Row

Cincinnati will have their murderers row intact to bombard the fences in the league. If I was a pitcher in the NL, every time I pitched against the Reds my uniform would be a suit of armor.

St. Louis and Pittsburgh are going to make a big impression this year. Both teams had new managers last year and didn't get settled correctly. After a year's experience, Hutchinson and Bragan will have tough teams to beat.

The rest of the teams will be fighting to stay out of the cellar.

### LOUSY PUN

Nurse: A woman came into our hospital the other day who was so cross-eyed that the tears ran down her back.

Boy Friend: You couldn't do anything for her, could you?

Nurse: Certainly; we treated her for bacteria.

## HERNANDO'S HIDE-AWAY

With the addition of two new sports to the spring schedule, it should be quite an action-packed program for the next two months. Along with the established sports, golf and tennis, it has just been announced that Youngstown University will definitely adopt baseball and track into the spring schedule.

The announcement that the University will have a baseball team is good news to all. Through the combined efforts of Willard Webster, Dom Rosselli, and President Howard W. Jones, the green light has been given to the diamond sport. There has been a little trouble booking games, but the Athletic Department is certain it can book a full, 14 game schedule. New uniforms have been purchased.

The following games have been booked:

- April 11 ..... Baldwin-Wallace, Home
- April 20 ..... Geneva, Away
- May 1 ..... Geneva, Home
- May 3 ..... Baldwin-Wallace, Away
- May 9 ..... Alliance, Home
- May 22 ..... Alliance, Away

As yet, a home field has not been chosen. Dom Rosselli will coach.

Weather permitting, the golf team will begin preparation for the coming season. An eleven game schedule has been compiled for the linksmen, plus the Ohio Inter-Collegiate Meet at Columbus. Returning lettermen are Pete Rosko, Captain, Joe Galko, Bob Kupka, and Ed Knizner.

### The 1957 Golf Schedule

- April 16 ..... Geneva, Home
- April 23 ..... Westminster, Home
- April 26 ..... Gannon, Away
- May 1 ..... Kent, Home
- May 3 ..... Grove City, Away
- May 4 ..... Fenn, Home
- May 7 ..... Kent, Away
- May 10 ..... Grove City, Home
- May 13 ..... Ohio Meet, Columbus
- May 15 ..... Slippery Rock, Home
- May 17 ..... Gannon, Home
- May 21 ..... John Carroll

All home games will be played at the Mahoning Country Club. Bill Carson will coach.

### 12 Tennis Matches

The tennis team has contracted for 12 matches, with a strong possibility of adding two or three more. The netters, coached by Bill Carson, are expecting another successful season. The following is the 1957 Tennis Schedule:

- April 20 ..... Geneva, Home
- April 25 ..... Hiram, Home
- April 27 ..... Westminster, Away
- April 29 ..... John Carroll, Away
- May 4 ..... Fenn, (Site not certain)
- May 7 ..... Kent, Home
- May 9 ..... Geneva, Away
- May 11 ..... Gannon, Home
- May 15 ..... Slippery Rock, Home
- May 17 ..... Kent, Away
- May 20 ..... Gannon, Away
- May 21 ..... John Carroll

## Penguins Win Two At K. C.; Lose Out To S. E. Oklahoma

By Ron Vanatsky

Coach Dom Rosselli's potent Penguins put the finishing touches to the greatest cage season in University history by giving several fine performances in the NAIA championship tournament at Kansas City.

The whole squad drew many plaudits from the fans and participants of the tourney and was second seeded of 32 teams from all over the nation.

In the Youngstown's first contest at K.C., Herb Lakes 33 markers led the locals to an 81-75 decision over

Westmont College of Santa Barba, Calif. The Penguins were behind through most of the first 15 minutes of the game. But after taking a 41-40 lead at half-time, they went on to win by six points.

*Chevy is America's "hot" car -officially!*

**Chevrolet Wins Coveted Manufacturers' Trophy at Daytona Beach as "best performing U. S. automobile"!**

Want facts about performance?

Then look at the official figures from NASCAR's\* internationally famous Daytona Beach competition for stock cars. Here's what you'll find: Chevrolet, in two weeks of blistering competition, proved itself as America's Number One performance car. Nothing in the low-price field could touch it.

No other car, regardless of price, scored such a sweep. And Chevy walked away with the famous Manufacturers' Trophy, hands down!

The 1957 Chevrolet is, by all odds, the most astonishing performer ever produced in the low-price field. Best of all, this superiority isn't limited to just a few extra-cost high-performance models. Every type of Chevy—from the six-cylinder models right up to the 285-horsepower "Super Turbo-Fire" V8's, from the single-carburetor V8's with Powerglide to the stick-shift "270's"—is a championship car.

## Penguins Win Two

Continued from page 7

George Terzian, a fancy jump shot artist for the Californians, was a thorn in the Penguins side throughout the contest, tossing in 25 tallies. Bob Atterholt's 16 points aided the Ohioans, and Lake grabbed 23 rebounds to keep his performance off the boards up to par.

Rosselli's Raiders had an easier time of it in their second game, topping Emporia State of Kansas, 80-74, although they had to fight off a State rally in the closing minutes to seal the verdict.

The locals fast moving offense almost broke the game wide open in the first half, as the whole squad peppered the hoop from all angles, but things cooled off, and the boys had a 34-29 lead at intermission.

### Yugovich Paces Squad

With freshman ace, Mickey Yugovich pacing the offense, the Penguins widened the spread to 16 points, but once again Emporia came flashing back, narrowing the count to a half-dozen markers at the curtain, and went down to defeat, a hard-fighting ball club.

Dick Thompson's 33 tallies, including a string of 11 straight in the first half, led Emporia, and "Big Orange" Yugovich taking scoring honors for Youngstown with 22 markers. Roy Taylor and Herb Lake had 17 each, and Charlie Moore had 10, as four starters scored in the double digit.

The smooth working Penguins thus entered their third tourney hassle as the lone remaining eastern team in the meet. As their foe the Penguins drew the red hot Southeastern Oklahoma State club, which the night before had banged in 48 of 53 foul shots.

### Almost Won

The Ohio crew almost derailed the S.E. express, controlling the backboards and limiting the Westerners to just 44 shots from the field. Led by the sharpshooting of All-American center Bill Spivey, State's 50% shooting performance crushed the Penguins hope for a berth in semi-final competition.

Although he was held to his five game tourney low mark in scoring by the Penguins tight defense, Spivey's teammates were hot as ever at the charity stripe, where they made up their lack of field goals.

The Penguins were down eight notches at the half, but, all fired up, came storming back to knot the count in five minutes, 33-33. It was a rough second half, the Oklahomans gaining a six-point advantage, 53-47, when Lake fouled out with almost six minutes remaining.

### Back In Contention

Atterholt and Yugovich brought the Penguins back into contention, 54-51 and the Ohioans just missed knotting the count several times in the last few minutes, but Oklahoma staved off the threat to eke out a 69-65 victory, and the next evening gained a berth in the finals.

In the scoring column, Spivey's 31 tallies paced the Oklahomans, and Lake had 18 markers for Penguin honors. Rosselli's cagers thus lost their first game in 14 consecutive starts but still finished the school's most terrific basketball season ever with a 23-4 record against some of the nation's finest quintets.

## GREEKS

Continued from page 4

Congratulations all you cute sorority pledges - have fun. Soon there will be Kappa Sigma Kappa pledges to join the ranks with you.

The Kappa Sigs enjoyed the beautiful weather last week and held a soft-

## ANGLES

gineering world. Due to John and his little flame spewing monster Mr. Gibbs and his E.E.E. class beat a hasty retreat from the exhaust enveloped classroom to a more healthful atmosphere.

### The Word

From the electrical world of ozone, burnt out voltmeters, pegged ammeters, and blackened circuit boards. We received the word that there is a hot race going on in thesis department between "Thomas Elva" Diehl, and "Michael Paraday" Alston. It seems that they are racing to see who can get their electronic peanut vending machine done first. Good luck boys!

Who is that "little" man around the engineering school who is an overflowing orifice of information. We understand that he is never wrong. Quite a trick if you can do it.

Well, I guess we'll say hasta la vista until the next deadline of this scandal sheet.

### ball practice.

The brothers of Kappa Sigma Kappa are glad the basketball team is home safely and are proud of the gentlemanly way they conducted themselves while at Kansas City.

## Golfers Have 12 Matches On Tap

By Ron Vanatsky

The Youngstown University golf team tryouts are bringing indications of another fine season for coach Bill Carson's swingers. The team this spring has 12 matches on tap, with the possibility of a few more being added.

The linkers have almost perennially produced outstanding squads, and this season should bring no exception. Leading the list of returnees is captain of last year's group, Pete Rosko.

One of the steadiest college performers in the state, Rosko has looked sharp in practice and looks forward to a banner season. Only a junior, this is Rosko's third year on the team, after playing with the Woodrow Wilson squad while in high school.

### Hope To Cop Positions

Other boys hoping to cop positions are Bob Siska, Tom Barto, Bob Alt-

### ZETA PHI ETA

The Zetas wish to join in the praise that is being heaped on the University's basketball team. Rosselli and his boys deserve all the plaudits of their supporters a thousand-fold. Next year they'll go all the way!

See you at the Zeta Phi Jazz

## INCOMPLETE CAGE STATISTICS (released by Ken Brayer)

### INDIVIDUAL SCORING

Lake	480 pts.	Moore	222 pts.
Yugovich	460	Taylor	174
Atterholt	305	Melfi	114

### BEST FIELD GOAL PERCENTAGE

Yugovich 183 of 335 (54.6% Average)

### BEST REBOUND AVERAGE

Lake 514 (21.4 Average per game)

### HIGHEST FREE THROW AVERAGE

Yugovich 94 of 131 (71.6%)

### HIGHEST INDIVIDUAL EFFORT FOR ONE GAME

Lake 35 pts. (12 goals and 11 fouls) against Baldwin Wallace

### TEAM OFFENSIVE AVERAGE

83 pts. per game

### TEAM DEFENSIVE AVERAGE

67 pts. per game

man, and a couple of lettermen, Jack Blaski and Joe Galko. There are several dark horses among the list of newcomers and there should be a rough scramble for top spots on the squad.

Approximately 10 qualifying rounds

Concert, to be held at Princeton School auditorium. Hope you didn't forget.

### TAU KAPPA EPSILON

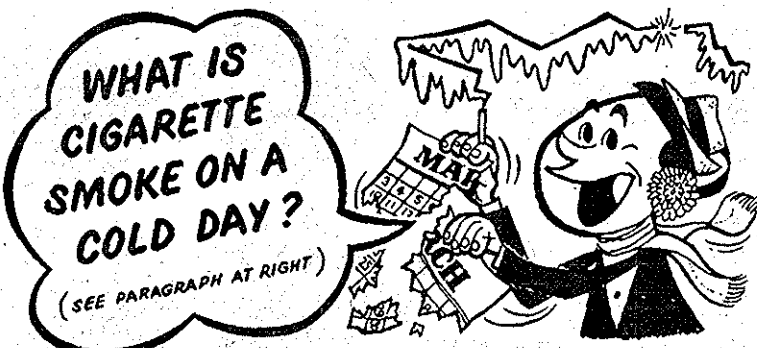

Highlights of the last two weeks for T.K.E. were the annual Installation Banquet last Saturday night, and a terrific party with Chi Delta Chi Sorority which took place on Thursday,

will be played to determine this spring's squad. Rosko's sub-par score paced the first qualifying round played last week at Mahoning Country Club which is a tentative site for the home course.

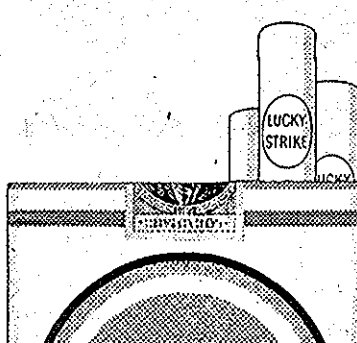

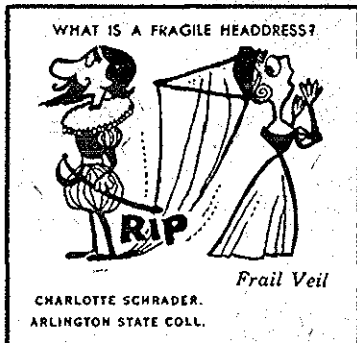

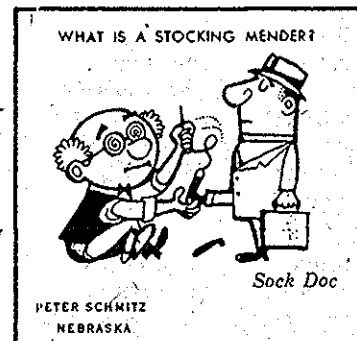

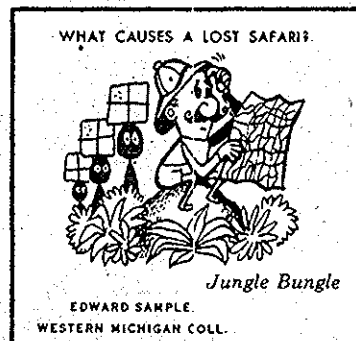

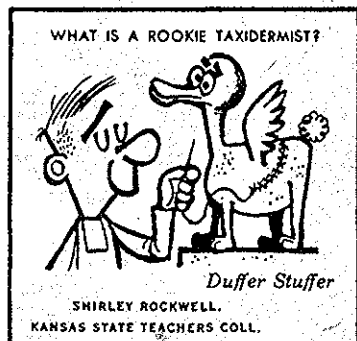

March 21. Everyone present had a marvelous time and TKE is looking forward to more parties in the future with Chi Delta Chi.

Sports News - TKE defeats Theta Chi and Zeta Phi Eta in the Interfraternity Council Basketball Tournament with "Gunner" Jerry King leading the scoring parade.

# Sticklers!

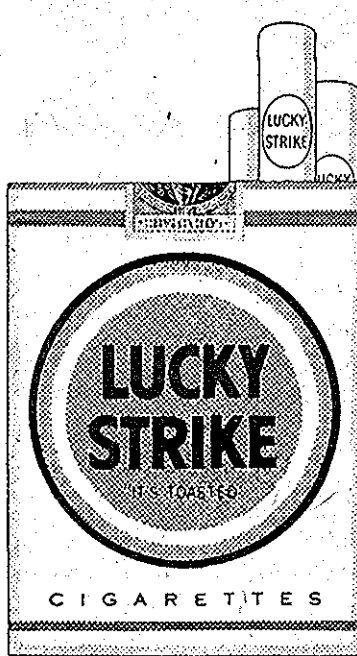

CALENDAR says it's spring... but it ain't necessarily so. The freezin' season may still come up with one last blast. And when that happens, your cigarette smoke makes a mighty *Crisp Wisp!* Of course, with Luckies, you can forget the weather. Luckies taste fine all year round—and no wonder! A Lucky is all cigarette... nothing but fine, mild, good-tasting tobacco that's TOASTED to taste even better. Forecast: You'll say Luckies are the best-tasting cigarette you ever smoked!

STUCK FOR DOUGH? START STICKLING! MAKE \$25

We'll pay \$25 for every Stickler we print—and for hundreds more that never get used! So start Stickling—they're so easy you can think of dozens in seconds! Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send 'em all with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.

## Luckies Taste Better

"IT'S TOASTED" TO TASTE BETTER... CLEANER, FRESHER, SMOOTHER!
