Students Elect New Members To Serve Student Government

Flad Is Named To Head New Department

By John Hernandez

Prof. William S. Flad, of the Youngstown University Business School, has been promoted to head of the newly created Advertising Department, according to an announcement made earlier this week.

Mr. Flad has been with the University since leaving the service, as a professor in the School of Business Administration, teaching

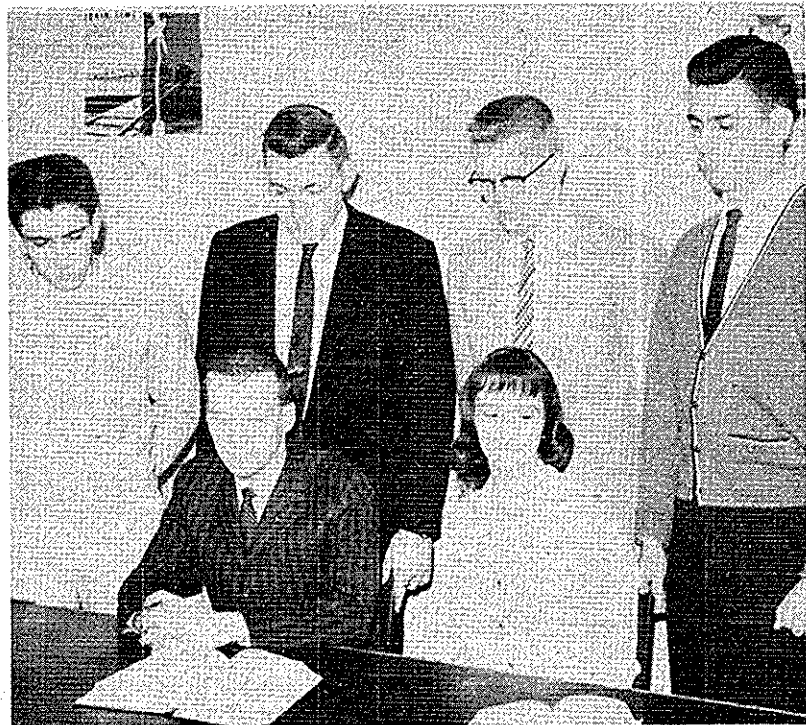

William S. Flad

courses in Advertising, Public Relations, and Merchandising fields. He also serves as an Advertising Consultant to various manufacturers and business firms in the Youngstown area.

Mr. Flad was born in Youngstown, attended Rayen High School, and obtained an A.B. Degree from Lafayette College (in Easton, Pa.) and has a Master's Degree from the Harvard Graduate School of Business Ad-

Six of the ten students elected to Student Council Monday and Tuesday look over a problem that faces the government. Seated (l to r) are Ron Stowe and Vilma Terle. Standing (l to r) are Sam LaLama, Dan Murphy, Gary Swanson, and Tom Flynn.

Record Number Cast Votes As Ten Positions Are Filled

With 10 vacancies to fill, this semester's student council election was a highly competitive one. The total vote was 1066 or 24% of the students who were eligible.

Topsy Turvy King Selected Today

"Pennies for a King!" The only king on campus will be selected today on the basis of the most pennies contributed to a candidate, as Sigma Sigma Sorority launches their second annual Robbie Page Memorial Campaign. The king will be crowned tonight at the Topsy Turvy Dance, sponsored by the sorority, at the Eagles Hall.

Robbie Page Memorial is a National social service project by which each chapter raises funds to be contributed to the North Carolina Memorial Hospital at Chapel Hill. The Memorial was established in memory of five year old Robbie Page, son of a past National President of Sigma Sigma Sigma, who died of bulbar polio and is dedicated to the service of all children.

Voting for the king will be held in the main hall in front of the auditorium. Jars with the candidates picture and name will be set up. Voters will deposit money in the jar of the candidate of their choice.

The candidates for "Topsy Turvy King" are Tony Morano, Alpha Phi Delta; Teddy Seferiadis, Phi Sigma Kappa; Bill Holt, Kappa Sigma Kappa; Jerry Harkelrode, Theta Chi; Mickey Kaiser, Sigma Phi Epsilon; Jerry Weikart, Tau Omega; Frank Nannacala, Phi Gamma; and Howard Williams, Tau Kappa Epsilon.

Chairman for the event is Peggy Lou Dignan. The dance will start at 8:00 p.m. and the admission is \$75. Music will be provided by the "Four Suns"

fill three positions was the most highly contested. Sandy Bailey was re-elected to another term. Also elected were Mickey Kaiser and Velma Terle with "Tish" Davis, serving as alternate.

The Engineering school had three positions to fill. Dan Murphy was re-elected for his second term along with Sam LaLama and Gary Swanson. Tom Reed will serve as alternate.

In the Business School, two candidates were re-elected for another term. Ron Stowe, the present vice-president, and Leonard Loepp, the present treasurer, were both re-elected. The third position was filled by Tom Flynn with the fourth position being filled by Dave Clark. Alternate will be Jim Corbett.

The new members will assume their duties at the beginning of the second semester.

Minghetti Named TKE Sweetheart

Miss Marion Minghetti was elected the 1959 sweetheart of Tau Kappa Epsilon. Miss Minghetti was crowned at the intermission of T.K.E. Red Carnation Ball by last year's sweetheart Marlene Betras.

Marion is a 1956 graduate of Struthers High School. She is social chairman and pledge trainer of Beta Sigma Omicron and a member of Alpha Pi Epsilon service sorority. At present she is a member of student council and an active Newmanite.

Miss Minghetti is employed by the University and works in the Records Office.

Cards Necessary for Spring Registration

Students planning to register Jan. 28-31 should keep in mind that appointment cards are necessary to get into the registration line. Any student failing to keep his appointment must make another appointment at the Registrar's office.

Activity books will again be issued during registration. They should be picked up then so as to not inconvenience the student as well as the Administration.

Between Semester Tourists Should Sign Now for Trip

Youngstown University's fourth annual "Between Semesters Tour" will be held from Jan. 25-29. The train will leave Youngstown at 7:20 p.m. Sunday and return at 9:30 a.m. Thursday. Those going to New York who have scheduled to register at the university

between Monday and Wednesday should change their appointment at the Record's office.

A \$10.00 deposit should be turned in by Jan. 19 to Mr. William Shorr at the Erie Terminal Building. The remaining \$29.50 should be paid by Jan. 23, 1959. The following features are included in this budget priced recess:

1. Railroad fare-round trip
2. Breakfast in the railroad diner Monday morning
3. Pillows on the train
4. Sightseeing tour with stops at various points of interest.

5. Transfers between train and hotel for yourself and luggage.

6. Hotel Picadilly (two nights) four to a room with bath; Double room, \$1.00 extra each night; Single room \$2.00 per night.

7. Tips on train and at hotel.

8. Escorted tour of United Nations.

9. Admission to Radio City Music Hall

10. Plenty of time for shopping and individual sightseeing.

Anyone still interested in going to New York may contact Father Petric or Rev. Linder on the second floor of the main building.

'Cinema 16,' International Films To be Shown for YU Students

Students of the university who are interested in viewing outstanding international films will have an opportunity to do so beginning with the premiere of "Cinema 16". "Cinema 16" is sponsored by Student Council under the chairmanship of Dennis Byron, Tau Omega Fraternity. It will be open to all full-time students of the university. It will be initiated for the purpose of expanding and developing the cultural needs of the undergraduate.

Some of the films planned for presentation include:

- United States - Macbeth, The Good Earth, and Grand Hotel;
- France - Crime and Punishment, and Topaze;
- Great Britain - The Belles of St. Trinian's, and Rembrandt;
- Italy - Open City, and Paisan;
- Mexico - The Forgotten Village,

and The Young and the Damned; Germany - The Marriage of Figaro; Sweden - The Children, and Torment;

Time Marches On

This is the last issue of the University's student newspaper this semester. Next semester, a new editor will be nominated by Student Council.

We have enjoyed publishing the *Jambar* the last three semesters and regretfully give up the editorship. We can look back and remember Friday deadlines, Tuesday night make-up sessions, and the folding of 3000 copies every Thursday.

We also recall the Golden Anniversary celebrations, classes, grades, dances, newspaper conventions, and editorials on apathy. All in all, our three semesters have been filled with many enjoyable moments.

The new editor will be faced with many problems. He will attempt to maintain a weekly *Jambar* until June. If he is successful, the newspaper will remain a weekly. He can overcome these difficulties only with the co-operation of the entire student body.

Our many thanks to the student body for their co-operation the last three semesters.

New Council Members

Did the *Jambar* campaign for interest in Student Council really work? From all indications it seems to have done the trick. In the elections for the seats on council, the number of candidates was one of the largest groups ever to run. In the Business school alone there were six candidates, in Liberal Arts - twenty-two candidates, and in Engineering - six candidates.

This is undoubtedly an indication of increased interest by the students in the governing of Youngstown University. It may also be an indication of the increased spirit that may develop here at the school. Things like this create a little more hope in the people who are campaigning for increased interest and participation in the school.

We wish to congratulate all of those who have been elected to council and extend our hope that you will work to the best of your abilities toward improving the University and in the work that will be beneficial to the students at the University.

The Campus Voice

By Vilma Terle

Happy New Year everybody (one week late). Now that we're back to school for a week, let's see how some have kept their New Year resolutions!

Rosemary Hackett

"I resolve to take 20 credit hours next semester, instead of the 3 that I'm taking now." 2 - "I resolve to live up to 'Auntie Mame's' motto 'LIVE! LIVE! LIVE!' 3 - I resolve to start 'living' in the Snack Bar instead

of 'hemitting' in the Library. 4 - I resolve to get up earlier in the morning so I'm ready for a nap when I come home. 5 - To be 20 in 2 years: I'm 18 now. 6 - How well have I kept them? So far, I've done real well on the last."

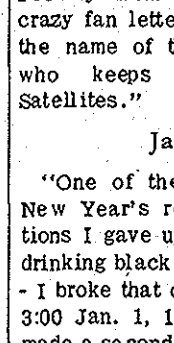

Ray Joyce

"I resolve 1 - to spend more time on the books, sitting on them, because there are never any seats in the Snack Bar. 2 - Never to go salmon spearing in Mill Creek Park, especially after dark. 3 - to sell my guitar because my idol is in the army. 4 - quit making serious resolutions."

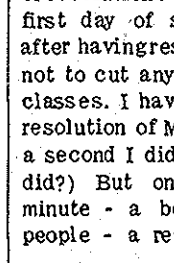

"I resolve 1 - to get up front because 'it's what's up front that counts'. 2 - to get Yul Brenner a years supply of Wild Root Cream Oil Charlie. 3 - to throw a wild party in the Purnell Room. 4 - to discourage Elvis Presley from writing me all those crazy fan letters. 5 - Resolve to get the name of the little blue Martian who keeps throwing back our Satellites."

Carolyn Peluso

"One of the first New Year's resolutions I gave up was drinking black coffee - I broke that one at 3:00 Jan. 1, 1959. I made a second break of resolutions on the first day of school after having resolved not to cut any more classes. I have managed to keep the resolution of MORE STUDYING (wait a second I didn't make that one who did?) But on the serious side a minute - a better understanding of people - a resolution to stick to."

Jake Swartz

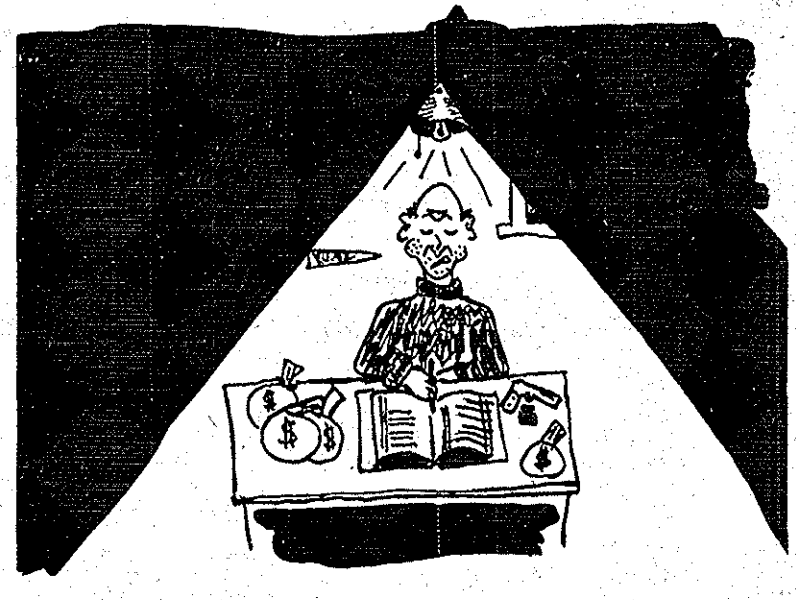

All sorority, fraternity, and social groups who have announcements concerning social events for the Y.U. radio program are asked to turn in the information at Dean Gillespie's office. All social news must be in by Thursday of each week.

This procedure begins the week of Jan. 19, and will continue for the new semester.

Zeta Phi Planning 'Winter Carnival'

Zeta Phi Fraternity's First Annual Winter Carnival will be held Sat., Jan. 17, at the Eagles Ballroom. Dancing from 9-11 will be to the Four Sun's (Al Hreno's band).

Tickets may be purchased from any Zeta Phi member or at the door. Door Prizes will be given. Donation is 75¢.

"Let's see ... Debit to 'Cash' and Credit to 'Brinks Armored Car Co.'"

Russia to Accept Students For Summer Travel Tours

The Soviet Government's Intourist office has approved a series of four summer travel programs for American students and teachers allowing for 31 days of economical touring in the USSR.

These unique seminars will travel by charter motorcoach from Helsinki along the newly opened highway to Moscow, visiting Leningrad, Novgorod, and Kallinin en route as well as many rural villages and country by-ways, seeing a region which, until only recently, was forbidden to foreign visitors.

From Moscow, the itinerary includes explorations through the Ukraine and then a Black Sea cruise. The groups will visit Kursk, Kharkov, Zaporozhie, Mtsensk, the resort city of Yalta in the Crimea, and Sochi in the foothills of the Caucasus. On departure from the Soviet Union, a three day tour is included visiting Smolensk, Minsk and Brest along Napoleon's and Hitler's ill-fated invasion route.

Other Countries to be Visited
These educational tours will also include visits in England, Belgium, Holland, Denmark, Sweden, Finland, Luxembourg, France, plus East and West Germany including the two Berlins, and Poland and Czechoslovakia.

The total length of the tours is 72 days from New York and the all-inclusive cost together with round trip TWA trans-Atlantic transportation is only \$1697 per person. Each tour is conducted by an experienced American leader having a background in European and Russian history and culture, and each of the tours is limited to 30 members. The tours will depart from New York June 14, June 16, June 21 and June 28.

The Maupintour travel organization of 1236 Massachusetts Avenue, Lawrence, Kansas is sponsoring the tour series and illustrated brochures giving all details may be obtained from Maupintour, or any authorized travel agent.

Senior Women Are Eligible to Apply For Scholarship

Tobe-Coburn School for Fashion Careers in New York City announced on campus today that up to four Fashion Fellowships will be awarded this year in their twenty-first annual nation-wide contest among senior college women. Each fellowship covers the full tuition of \$1350 for the One Year Course for the year 1959-1960. All senior women graduating before August 31, 1959 are eligible to apply.

The widely-known New York school offers fellowships yearly to encourage able college graduates to enter a field which holds unusual advancement opportunities for well-trained young women. Graduates hold jobs in buying, advertising, styling, radio and television, and magazine editorial work. The School maintains an active placement service to help graduates throughout their careers.

The One Year Course at Tobe-Coburn emphasizes actual contact with the fashion industry through lectures by important fashion personalities; visits to manufacturers, department stores, buying offices, fashion shows and museums; and ten full weeks of working experience, with pay, in New York stores and other fashion organizations.

Now attending Tobe-Coburn as holders of the 1958-1959 fellowships are graduates of the University of Arizona, University of Oklahoma, and Texas Woman's University.

Senior women may secure Fashion Fellowship registration blanks from the dean's office, the vocational office, or from the Fashion Fellowship Secretary, Tobe-Coburn School for Fashion Careers, 851 Madison Avenue, New York 21, New York. Registration closes Jan. 29, 1959.

Idora Park to be Scene Of IFC Formal Dance

The Inter-Fraternity Council of Youngstown University will hold its fourth annual Sweetheart Ball at Idora Park Ballroom on Sat. Jan. 31. Dancing will be to the music of Lenny Esposito and his orchestra.

The dance will be strictly formal in accordance with the tradition set by the council last year. Dress for the men will be midnight blue tuxedos. The women will wear "strictly" formal dress. Any one not complying with the dress regulation will be refused admission.

This year's theme will be "Countries of the World." Eleven fraternities will compete for honors by constructing a booth. Each of the fraternities has chosen a country as the theme of their booth and will build some aspect of the tradition, history or some event that is associated with the country of their choice.

The fraternity men have chosen four girls one of whom will be the I.F.C. sweetheart. Last year's sweetheart Martha Clark, will relinquish her crown to the new sweetheart at the intermission. The four girls are Judy Brownlee of Phi Mu, Barbara Dailey of Beta Sigma Omicron, Mary Pellizzeri of Alpha Omicron Pi and Nancy Veauthier of Sigma Sigma Sigma.

Only fraternity men and their dates are permitted to attend. Chairmen for the event are Jim Roof and Steve Goryanec with the Inter-Fraternity Council members serving as the dance committee.

APG Hunts New Playwright Talent

A new organization, the American Playwrights Guild has been formed by leading figures in the Broadway theatre world for the purpose of discovering and guiding new writing talents for the stage and television. Headed by President Harold Bromley, APG is composed of theatre and TV producers, directors and editors who furnish playwrights throughout the United States and Canada with a professional, comprehensive and coordinated service in all phases of their craft.

In this attempt to stimulate new talent, Mr. Bromley has gathered such personalities as John Byram as the Executive Editor; producers Herman Levin, Chandler Cowles, Guthrie McClintic; director David Alexander and Paul Stieger, Clarence Derwent and Willard Swire as members of the Editorial Board of APG.

The Guild was organized primarily to ferret out suitable scripts so sorely needed by the legitimate theatre and network television. One of its main functions is to serve as an agency which will foster and encourage young writers by aiding them in their crafts as well as in the proper marketing of their works.

Has Been Designed

To implement this plan, the program of APG has been designed to permit each of the experts to study the particular script to determine its suitability for current Broadway and TV markets. The Guild also furnishes the playwright with a composite, comprehensive, critical analysis of his work and a frank evaluation of its commercial possibilities.

The Policy outlined by the Guild requires each playwright to write for a full set of particulars before submitting scripts to be read. No action will be taken on scripts whose authors do not adhere to the stipulated procedure. All inquiries are to be made to the American Playwrights Guild, Inc. 5 East 76th Street, New York 21, N. Y.

Religious Worship Right Emphasized

Believing that religious spirit and goodness are inseparable from the traditions of all American universities and colleges, Dr. Jones has made every effort to see that every student, regardless of his religious beliefs, be given ample opportunity to worship in his own way and to meet with others of his own religion.

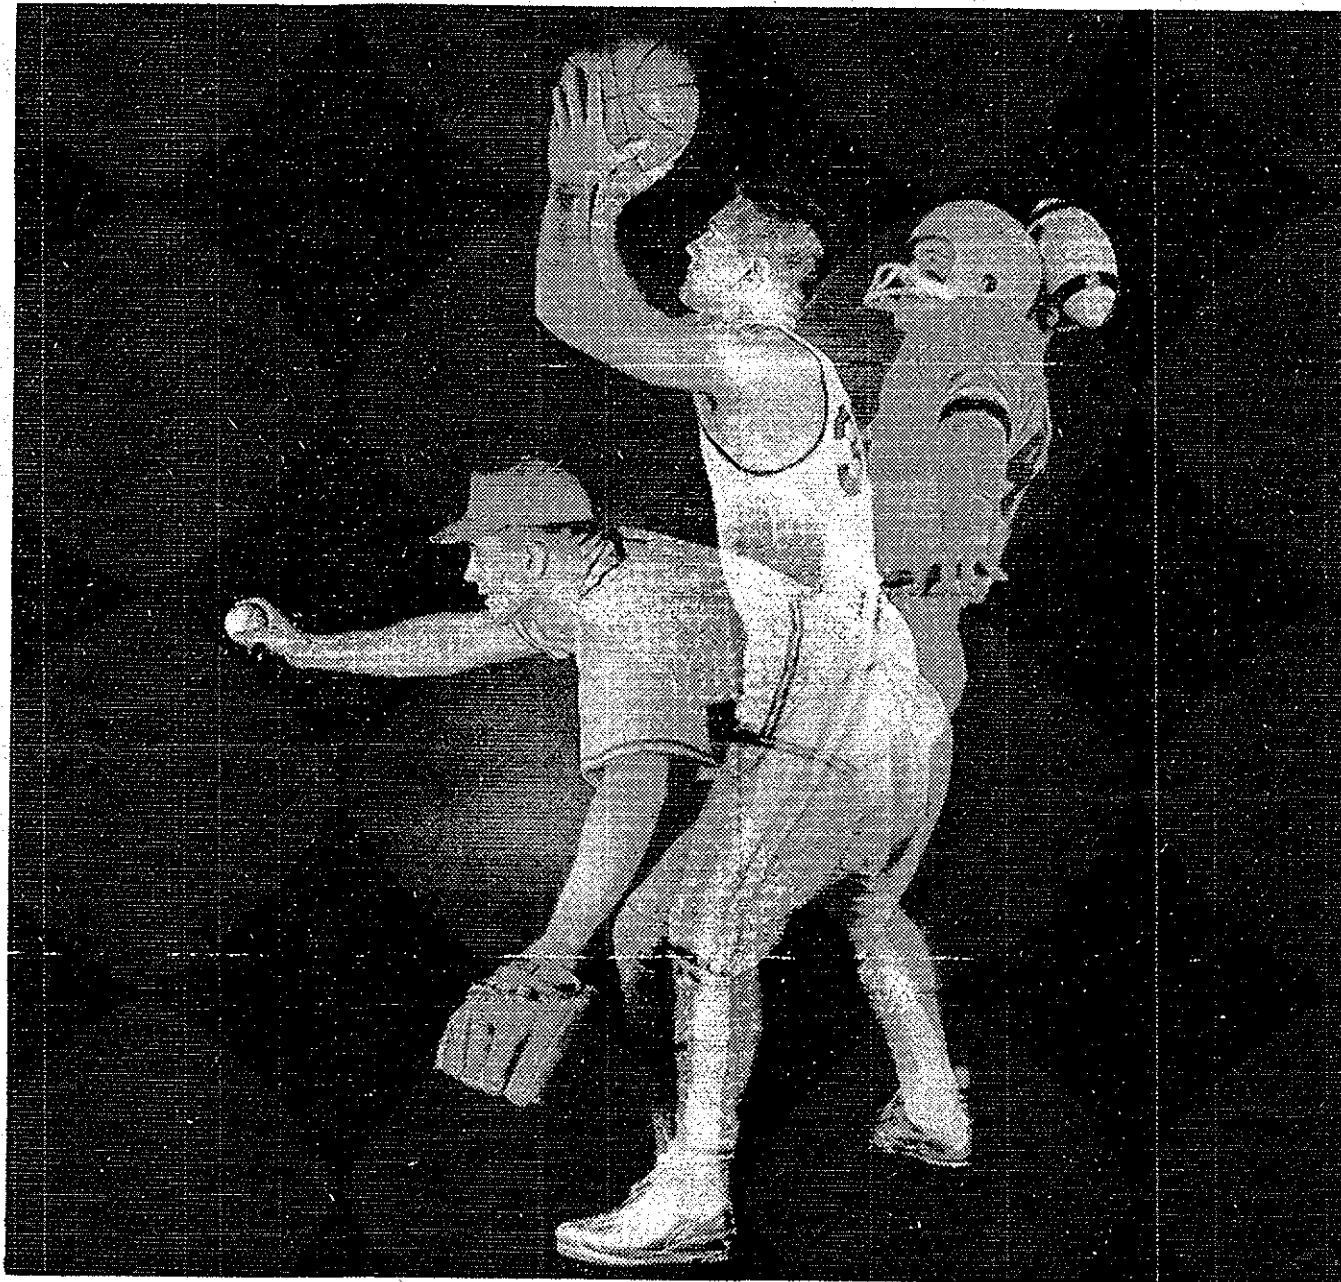

Youngstown University sponsors a weekly chapel service open to all students and holds special chapels on such occasions as Thanksgiving, Christmas and Easter.

In addition, two student-governed religious organizations on the campus are the Newman Club and the Religion in Life Fellowship.

Two full-time religious counselors are now available for advice and aid to all students.

One of these co-eds will be chosen the Inter-Fraternity Council Sweetheart this week. They are (l to r) Judy Brownlee, Phi Mu; Barbara Dailey, Beta Sigma Omicron; Nancy Veauthier, Sigma Sigma Sigma; and Mary Pellizzeri.

Why diversification makes a better all-around man

DIVERSIFICATION of effort makes for versatility—and versatility pays off in business as well as on the athletic field. We've found that to be especially true here at Koppers.

Koppers is a widely diversified company—actively engaged in the research and production of a wide range of related and seemingly unrelated products, such as remarkable new plastics, jet-engine sound control, wood preservatives, steel mill processes, dyestuffs, electrostatic precipitators, coal tar chemicals, anti-oxidants and innumerable others.

Because we are diversified, our work is interesting. Through a system of lateral movement, our engineers and management personnel are given the opportunity to learn many of the diverse operations at Koppers. The result? Versatility.

While you are moving laterally at Koppers, you are also moving up. Your responsibilities are increased. Your ability is evaluated and re-evaluated. And you are compensated accordingly.

You don't have to be with Koppers for 20 years before you

get somewhere. If you have ability, ideas, spark—you'll move ahead, regardless of seniority or tenure.

At Koppers, you'll stand on your own two feet. You'll get responsibility, but you'll also have free rein to do the job the way you think it should be done. No one will get in your way.

Koppers is a well-established company—a leader in many fields. Yet, it's a forward-looking company, a young man's company. Perhaps, your company.

Why not find out? Write to the Manager of Manpower Planning, Koppers Company, Inc., Pittsburgh 19, Pennsylvania. Or, see your College Placement Director and arrange an appointment with a Koppers representative for the next recruiting visit.

Has Impressive Background

After graduation from Harvard Business School, Mr. Flad went to New York where he worked for Pedlar & Ryan, Inc. Advertising Agency as Copywriter and Account Executive on the Procter & Gamble and Bristol-Myers accounts. Later he moved across the street where he worked for Calkins & Holden as Copywriter and Contact Man on the Jones & Laughlin Steel Co. account. After two years in this capacity he moved to Cleveland to become Director of Manufacturers Products Advertising for the American Steel & Wire Co.

During World War II, he enlisted in the U.S. Coast Guard, and received extensive training on Communications at the Coast Guard Academy and Ohio State University. He served four years.

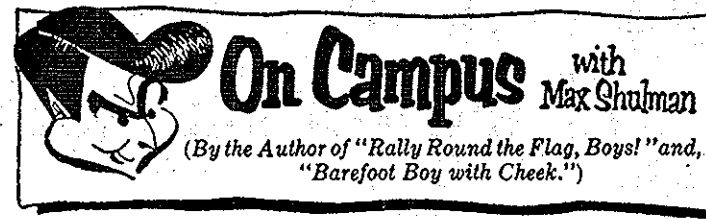

Mr. Flad is a member of the National Industrial Advertisers Association, Youngstown District Industrial Marketers, Pi Delta Epsilon (Honorary Journalism Fraternity), Mill Creek Kiwanis Club, American Association of University Professors, Youngstown Country Club, the Colony Club, and the Cotillion Club.

On campus he serves as Adviser to Kappa Sigma Kappa Fraternity and Alpha Mu, (Honorary Advertising - Merchandising Fraternity.)

those produced in the United States and in Great Britain will bear subtitles in English, and one or two will be silent productions. Film time will be at 3 o'clock each Wednesday afternoon through May 20 in the Audio-Visual Room, and only those students presenting their current Activity Books will be permitted to enter.

IS STUDYING NECESSARY?

Once there were three roommates and their names were Walter Pellucid, Casimir Ping, and LeRoy Holocaust and they were all taking English lit. They were all happy, friendly, outgoing types and they all smoked Philip Morris Cigarettes as you would expect from such a gregarious trio, for Philip Morris is the very essence of sociability, the very spirit of amity, the very soul of concord, with its tobacco so mild and true, its packs so soft and flip-top, its length so regular or long size. You will find when you smoke Philip Morris that the birds sing for you and no man's hand is raised against you.

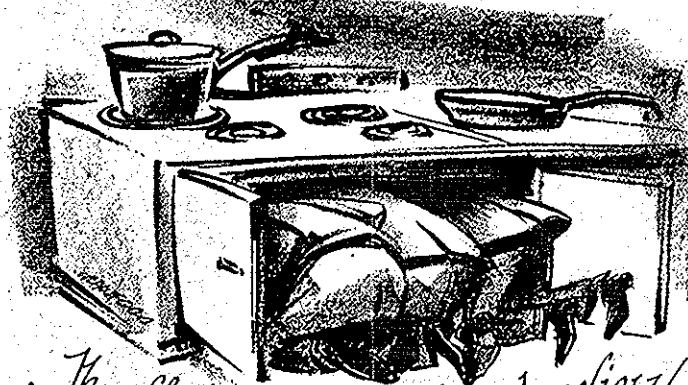

Each night after dinner Walter and Casimir and LeRoy went to their room and studied English lit. For three hours they sat in sombre silence and pored over their books and then, squinty and spent, they toppled onto their pallets and sobbed themselves to sleep.

This joyless situation obtained all through September and October. Then one November night they were all simultaneously struck by a marvelous idea. "We are all studying the same thing," they cried. "Why, then, should each of us study for three hours? Why not each study for one hour? It is true we will only learn one-third as much that way, but it does not matter because there are three of us and next January before the exams, we can get together and pool our knowledge!"

Oh, what rapture then fell on Walter and Casimir and LeRoy! They flung their beanies into the air and danced a schottische and lit thirty or forty Philip Morrises and ran out to pursue the pleasure which had so long, so bitterly, been missing from their lives.

Alas, they found instead a series of grisly misfortunes, Walter, alas, went searching for love and was soon going steady with a coed named Invicta Breadstuff, a handsome lass, but, alas, hopelessly addicted to bowling. Each night she bowled five hundred lines, some nights a thousand. Poor Walter's thumb was a shambles and his purse was empty, but Invicta just kept on bowling and in the end, alas, she left Walter for a pin-setter, which was a terrible thing to do to Walter, especially in this case, because the pin-setter was automatic.

Walter, of course, was far too distraught to study his English lit, but he took some comfort from the fact that his roommates were studying and they would help him before the exams. But Walter, alas, was wrong. His roommates, Casimir and LeRoy, were nature lovers and they used their free time to go for long tramps in the woods. One November night, alas, they were treed by two bears, Casimir by a brown bear and LeRoy by a Kodiak, and they were kept in the trees until mid-January when winter set in and the brown bear and the Kodiak went away to hibernate.

So when the three roommates met before exams to pool their knowledge, they found they had none to pool! Well sir, they had a good long laugh about that and then rushed to the kitchen and stuck their heads in the oven. It was, however, an electric oven and the effects were, on the whole, beneficial. The wax in their ears got melted and they acquired a healthy tan and today they are married to a lovely young heiress named Ganglia Bran and live in the Canal Zone, where there are many nice boats to wave at.

Intricate Methods

From Britannica Film "Flowers at Work"

The mechanics of pollination in flowers is so complex that some flowers can't live except in the presence of specific insects, and vice versa.

Greatest Invention?

From EBFilm "Principles of Home Canning"

The discovery of how to preserve foods by canning may eventually come to be considered the greatest invention of historic times.

Penguin Five Upsets St. Francis

Highly Touted Frankies Previously Undefeated

Youngstown University pulled the years biggest upset by downing previously unbeaten St. Francis. The locals hit on 35 of 68 shots from the field for a 51 per cent average, while foul shooting yielded 17 out of 22 for 80 per cent.

All the regulars hit double figures, with "Beanie" Gordon leading with 22. Gordon hit consistently at long range to keep the Penguins on the winning side. Jim Cramer followed with 20 points with his many corner and drive-in shots. He also made seven out of nine foul shots.

Mickey Yugovich was cold in his shooting in the first half but came on in the second half to score five field goals and end up the evening with 16 markers.

Dependable Herb Lake came through with 14 markers and Howie McElroy also dumped in 14 to round out the scoring.

It seems that every year the Penguins pull an upset over a highly rated team. Several years back it was Dayton and LaSalle. Last year it was Niagara and this year the un-

defeated team of St. Francis.

The taller Frankies were ahead at the half, 44-43, but soon after, the Penguins jumped out to a 57-51 lead and were never headed after that.

The Freshman squad won over a good St. Francis team by 86-81. The little Penguins scored 49 points in the second half to help the victory. Scoring was well balanced with five players hitting the double figures. Larry Gaicik had 17 and Bob Chorey 16, followed by Jerry McKinney with 14, Bob Douglas with 12 and Charlie Day with 11.

Lake Entertains YU Fans With Stellar Performances

By Pete Sloan

Herb Lake is one of the finest basketball players to play for Youngstown University. Due to his ability, he made several Little-All-American teams last year. Herb made the N.A.I.A. tournament team for two years in a row at Kansas City. Several of the nation's top barnscoring units and some professional scouts have been eyeing him.

Since Lake entered Youngstown University in 1955, he has been a regular starter for Coach Dom Rosselli's quintet. In his first year he averaged 16.8 points a game, second only to Tony Knott. His average over 20 points a game and pulled down 20.5 rebounds per game last year. This is a record for rebounds in one season with the outstanding total of 555. In the Geneva game he pulled down 30.

Last year, Lake led the team in scoring and rebounding as he had the previous year. Thus far this year, he is behind Gordon and Yugovich in the scoring, but still leads in the rebound department.

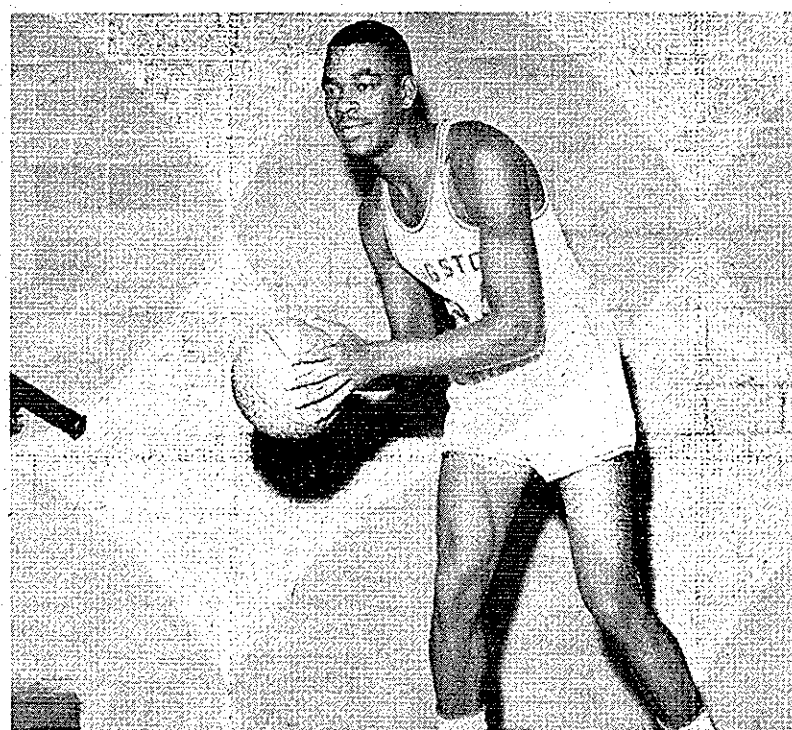

Lake hails from Midland, Pennsylvania where he once dropped in 52 points against Mars High School. His top highest score in one game in college was 35 points against B.W. in the '56-'57 season.

When asked what his best played and most exciting game was, he said the Kent State game at Kent two years ago. Youngstown defeated a favored Kent team that night, 87-85 and Herb was top man in the point department with 25 and tops in rebounds with 24.

"The best player whom I played against was Jimmy Smith of Steubenville. I thought Jim Ellis was good but Smitty had more weight and could maneuver better," answered the smiling Lake.

After graduation, Herb will have a business degree in advertising if nothing else comes up.

Coach Dom Rosselli remarked, "Herb is the finest rebounder in Youngstown history as the records show. He has the ability to jump and get position on the floor. He also ranks as one of our all time scorers."

Patterson Leads YU Rifle Team

Dave Patterson, Youngstown University's rifle team captain has been the outstanding member of the team this year firing an average of 281 points out of a possible 300 per game.

Contributing his great talents to the highly spirited team, Youngstown has completed one half of the seasons competition finding its way into a third position slot. The young cadets were riding high in second place until a recent match with Kent's riflemen last Dec. in which Youngstown bowed out in a final position contest losing 1368 to 1350.

Youngstown, a member of the Lake

Erie Intercollegiate Rifle Conference competing against five other squads, has a 3-3, 500% record with six matches yet to complete. Sgt. Mangum, team coach who may finish his duties here at the Youngstown ROTC Training school, is placing much confidence in his men to finish first place and bringing to Youngstown the rotating trophy going to the winning team of the year. The trophy is now in the possession of Akron University.

Team Standings:

	W	L

2. Carroll	4	1
3. Youngstown	3	3
4. Case	3	4
5. Gannon	1	5
6. Akron	1	5

QUE'S QUIPS

By Jim Quilty

Even before last week's edition of the *Jambar* was out, Youngstown's Penguins demonstrated their equality with, if not superiority to, the tournament entires from here in the past two years.

Maybe it's the familiar thud of the ball bouncing on the floor boards at South Field house. Or maybe it's the enthusiastic cheering for their home appearances. But regardless of which it is, the Penguins are close to unbeatable at home.

The Steubenville Barons stopped a better than 20 game home win skein in the Christmas Invitational meet here last year. Later in the season, Gannon College pulled an upset victory but since that time the Penguins have notched eleven wins in a row (thirteen by now) on the home court.

Defeat Geneva and St. Francis

Last weeks triumphs were indeed sweet. Geneva had posted six straight after an opening game defeat to St. Francis. St. Francis, on the other hand whipped eight straight opponents as well as topping a field of eight top-rated teams in a holiday invitational meet.

Geneva fell to the potent Penguins by more than 20 points. The Frankies led by one at halftime but succumbed to the powerful second half attack by Youngstown, bowing 87-78.

One reason for the big comeback was Herb Lake. Herbie recovered his shooting formand, and combining it with his rebounding ability, showed the form area fans have been accustomed to seeing from him.

Jim Cramer Improves

Another vital asset in these most recent Penguin conquests has been the shooting of Jim Cramer. Cramer, who averaged upwards of 30 points a game in high school and recorded a great shooting percentage, has really come in - to his own hitting better than 15 per game.

The one-two scoring punch of Jim Gordon and Mickey Yugovich produces close to 40 points a game. Beaney combines speed and slight-of-hand with deadly outside accuracy while Yugovich does just about everything and well. Mickey topped Youngstown rebounders by grabbing eleven in the St. Francis game.

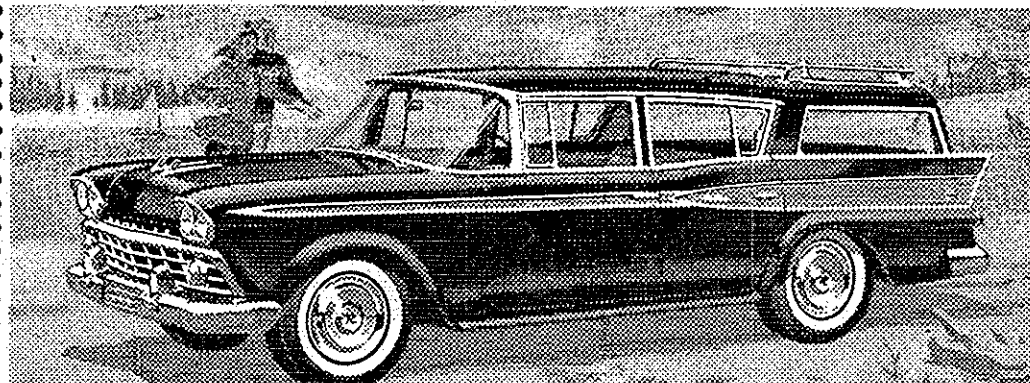

A local boy, Howie McElroy from Youngstown South, has edged out Roy Taylor for the fifth starting slot. Roy received a gash above his eye a few weeks back, then was benched with a slight case of the flu. McElroy has moved into the starting quintet with great fluency. He was number five starter in double figures against St. Francis.

Only four games remain on the home schedule. Mount Union comes Jan. 31; the Akron Goodyears on Feb. 11; Alliance, Feb. 18; and Anderson, Feb. 23. On Sat., Feb. 14, the Penguins hope for a repeat victory over the mighty Niagara quintet at Niagara Falls, New York. Anyone going on a honeymoon?

Student Opens Pizza Shop

By John Hernandez

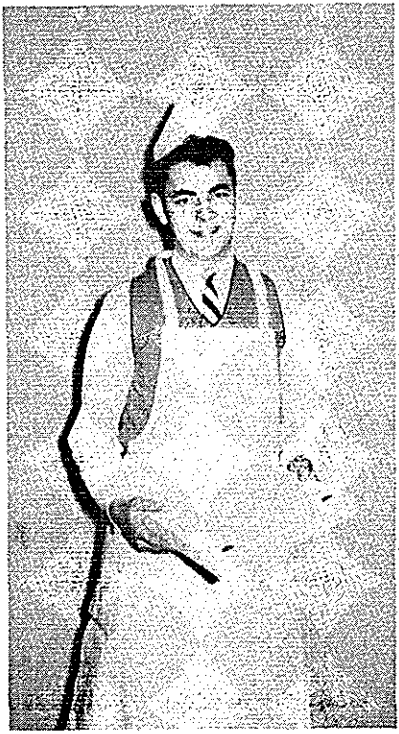

Ang Russo, 20 year old Youngstown University student, is a very successful businessman today, thanks to his willingness to "Take a chance."

Three months ago, Ang was undecided about whether or not he should make his bid for wealth by opening a pizza shop. The big barrier was the fact that there are 27 other pizza shops in operation in the Youngstown area.

Ang's willingness to take a chance spurred him into opening his own shop. Ang spent many hours of hard work in getting his shop ready. By doing most of the work himself, he was able to cut expenses; but at a great cost of lost time from school. Finally he was able to see his shop open for business.

Today, the Newport Pizzeria, at 3515 Hillman St., is the pride and joy of this young businessman. Ang makes his own pizza; using his own recipe, and is the sole operator of a very flourishing trade. Several fraternities and sororities have eaten his pizza at social functions, and neighbors in the area are faithful customers.

Despite all his business, Ang is able to continue his studies and his responsibility to Phi Sigma Kappa Fraternity. All in all, he is a very busy college student who was "willing to take a chance at fame."

Looking Around

John Poulson

Sam Sanfillipo

The wonderful and beautiful world of IN and OUT is about to come to a close. Your's truly is going to graduate, believe it or not. Only one request is in order; don't let any of our instructors in on this because once a year they have a certain amount of pure, unadulterated power. So, read this column in strict confidence (we know it's going to be printed because the Big Boss is short of copy.)

We have an announcement to make to a couple of department heads. We hear there is a sale on Christmas ties downtown.

As you freshmen will soon find out - finals are OUT. Between semester is IN. Grades are OUT. Jobs are IN, but now they are so far OUT that we don't think they'll ever be IN. Next semester is way OUT, but your columnists might be IN the OUT! ("Aren't you glad we graduate?")

Sam, do you realize you're now smoking the last cigarette you will ever bum from me? Isn't that sad? Ok, so Marlboro's are OUT but they're free aren't they? So stop ...

Ok, but don't expect me to give you a cup of tea and a chance to cut Doc. Harders class again!

Just think, no more books, tests, teachers, deans, presidents, term papers; just worry, worry, worry.

No, I don't have any more cigarettes!

Sam, I wonder if this column will count as credit towards my incomplete in advanced composition.

Ok, Ok, I don't like tea either.

In case anyone doesn't know it, we're interested in joining R.I.L. too. Maybe we can run for Student Council and join the herd.

We also wonder about something printed in the last *Jambar*. Why is it that everytime someone gets a new dress they get their picture taken. Maybe if we're read nice, Student Council might buy us a new suit or something.

We wonder if those people going to New York with R.I.L. ever get tired of standing in the snow. They've been standing there for the last three years.

Well, I guess we've done enough damage for one semester's time so we'd better stop before they stop us. It's been really ... but never again. So-Long Y.U. and lots of luck.
