YOUNGSTOWN UNIVERSITY, YOUNGSTOWN, OHIO

VOLUME 35, NO. 12

"GREEK WEEK-END" BEGINS TOMORROW

WILL DEFEND TITLES: Members of Kappa Sigma Kappa Fraternity and Sigma Sigma Sorority, 1958 Greek Sing winners, will be looking for a repeat performance tomorrow night at the annual sing-fest. The two groups are shown as they appeared in May Day festivities last week.

Fraternities and Sororities To Compete in Sing, Mixer

It will be an "All-Greek" weekend beginning tomorrow night with the annual Interfraternity and Pan-Hellenic council Greek Sing, and continuing all day Sunday at the Greek Mixer.

The sing, to be held at Austintown-Fitch High School, is open to the public. Admission is \$1.00 per person, with the opening curtain set for 8:00 p.m. Each greek organization will sing two songs and will be judged by vocal music instructors from the area.

Fraternities entered in the sing include: Alpha Phi Delta, Theta Chi, Kappa Alpha Psi, Kappa Sigma Kappa, Sigma Tau Gamma, Sigma Phi Epsilon, Tau Kappa Epsilon, Tau Omega, Phi Gamma and Phi Sigma Kappa. Sororities competing include: Alpha Omicron Pi, Beta Sigma Omicron, Sigma Sigma Sigma, and Phi Nu.

Mixer Planned for Sunday

Beginning Sunday morning, Lake Arrowhead will show a resemblance to the ancient Greek sporting grounds, complete with handsome and husky male athletes, and beautiful damsels to cheer the prowess of athletes in the many marathon events.

The contests planned for the day are: the traditional chase, a relay race, a tug-of-war, row boat races, swimming and then dancing in the evening to the music of Al Hreno and his orchestra.

All in all, the Greeks have quite a week-end of events to look forward to, and probably to look back on Monday morning when the aches begin to show.

Co-chairmen for the mixer are Jim Roof and Mickey Kaiser. Sing chairmen are Betty Lou Storey, Mickey Kaiser and Dave Manley.

Drama Guild Re-Organizes; Officers Chosen

The newly re-organized Drama Guild held election of officers for the 1959-60 year at a meeting held on Wednesday, April 29.

Officers are: Jim Sekinger, President; Vilma Terle, Vice-President; Diane Georges, Secretary; and Jazy Zemko, Treasurer. They will begin their terms with the fall semester.

Eligible for membership now are all those students who have performed in a minimum of ten Family Plays or two English Society productions, apprenticing through one semester or one major production on the University stage, and serving an initiative period of two weeks. A point average of C or better is required.

State Purpose

The purpose of the organization is to promote and develop higher dramatic activity for the benefit of Youngstown University, the student body and the community, and to provide an association of friendship and interests for those who desire to express themselves in dramatic work and pledge themselves to secure for the University a worthwhile dramatic program for the interest of the school and the community.

OCNA Delegates Pick Youngstown For Conclave Site

Delegates of the 33rd annual Ohio Collegiate Newspaper Association, held at the University of Akron May 1, and 2, honored Youngstown University when they voted unanimously to conduct next year's convention at Youngstown.

35 editors and their staffs, from all over the entire state, gathered at Akron last week to participate in panel discussions and meetings concerning the problems of publishing a college newspaper. Mickey Kaiser of THE JAMBAR staff served as Convention President.

Youngstown University was honored besides being chosen as next year's convention host. Prof. Harold C. Crites, JAMBAR advisor, was elected by the student delegates to the faculty board of directors, a high position of merit in the annual convention.

In addition, Kaiser will serve as general convention chairman, a job requiring many hours of hard work and the close cooperation of the student body, faculty, and community officials.

3rd Best Cartoon

The highlight of the convention last week was the annual awards banquet, where newspapers from the 35 schools represented competed in 18 separate divisions of collegiate news production.

THE JAMBAR was awarded 3rd place in the Best Cartoon category for the drawing by cartoonist Jim Davis entitled "College Art Show". A certificate was presented.

Top honors went to THE MARCOLIAN, Marietta College - Best Weekly Newspaper, Class I; THE (Continued on Page 4)

Alpha Omicron Pi Installs Eleven New Members

Eleven girls were installed into Alpha Omicron Pi Sorority on Sunday, April 26, at Pollock House. They are: Anita Earl, Kay Hart, Joyce Bardinello, Patty Shaffer, Bernie Polisso, Marda Sebastian, Kathy Schunn, Mary Lou Cifaldi, Sandy Smoyer, Judy Withers, and Eleanor Walsh.

Following installation at Pollock House the sisters dined at the Parkview House in Canfield, Ohio. The new actives were presented with little white lambs, signifying the local chapter-Phi Lambda.

The best pledge award was presented to Patty Shaffer. Each newly installed active presented her big sister with a practical-size paddle, bearing the names of the active and her big sister. The pledge class also presented their pledge trainer, Geri Zeller, with a special paddle signed by the pledges.

The evening was marked by singing of sorority songs, and stories of A O I I.

Civil Engineers Tour MV Sanitary Plant

Sixteen student Civil Engineers travelled to the Mahoning Valley Sanitary Plant at Meador Reservoir, Wednesday, April 22, for a practical study of its operations.

The superintendent of water treatment, Merrill L. Rhiel, conducted the tour.

A book, "Water Treatment Supply," was presented to the Society by Rhiel. The Technical work was given to the University as a gift.

The Society's advisor, Dr. Fok, accompanied the students on the field trip.

Freshman Takes Top Honors In Safe Driving Road-e-o

Bob Loesch, a freshman at Youngstown University and a pledge of Sigma Phi Epsilon fraternity, took first place for the second year in a row in the teen-age driving Road-e-o held at Wick Park last week.

His girl friend, Nancy Hambricht, a Boardman High School junior, took first place for the girls, and his brother Ray, 16, placed third.

Both Loesch boys took drivers' training courses at Boardman, and Nancy was taught her driving skill by her father.

Events included straight driving

between tennis balls placed 14 inches apart, driving a serpentine course between barrels, driving an offset and curve down an alley of flags placed two feet wider than the car, and parking.

Bob and Nancy each won a \$25 U.S. Savings Bond, plus numerous other prizes.

ROTC Will Have Formal Corps Inspection Next Week

Lt. Colonel O.R. Hummel, Professor of Military Science and Tactics, The Youngstown University, announced that the annual formal general inspection of the Reserve Officers Training Corps of Cadets is scheduled to be held at Harrison Field at 11 o'clock on Thursday, May 14. Colonel Joseph O. Gerot, representing the Commanding General, Second United States Army, will be President of the Inspection Board.

This year the annual ceremony for the presentation of awards to outstanding cadets enrolled in the ROTC program will be held in conjunction with the inspection. This ceremony honors those cadets who have consistently demonstrated, through their outstanding efforts and achievements, the highest qualities of leadership and proficiency in the classroom and on the drill field.

Officials To Inspect

In addition to the inspecting officials, members of the reviewing (Continued on Page 4)

Final Edition May 15

The last edition of THE JAMBAR for this school year will be next Friday's issue, May 15. Publication will be resumed next September.

The absolute deadline for the May 15 issue will be Monday, May 11. All organizations and groups planning to have functions after that date, are encouraged to take advantage of this last issue.

The Campus Voice

By

Vilma Terle

A few weeks ago THE JAMBAR listed the Dean's List on several of its pages. 690 students out of the 3,127 full time students last fall made the list. The requirement was a B or a 2.0. As this is a little over 22% of the student body there have been questions as to just how "COVETED" this list is.

Richard Smith

Is a member of Tau Kappa Epsilon fraternity and a junior planning to teach high school math. "He made the Dean's List! Just exactly what should this mean? To me it should signify a special scholastic honor. Most other universities and colleges regard the "Dean's Lists" as one of the highest awards a student can achieve. To qualify for the "Dean's Lists" at other schools which operate on a 4 point or a 3 point system, a student must have a 3.5 or 2.5 point average respectively for that semester. Let's make Youngstown University's "Dean's List" a very special honor by raising the qualifications to a 2.5 point average for a semester."

Margie Behrens

"To have the scholastic honor of being on the Dean's list you must have a 2 point average. I think this is a sufficient average to maintain and it should not be made any higher. College students have a heavy load to carry, especially at Youngstown University. Many students carry an average from 12-15 hours a semester and also have jobs. To cover a subject adequately you must spend at least 6 hours a week, outside of class, for each 3 hour course. If you have the ability to work, to attend college, and to get a B average or above in your subjects, I think that you deserve to have the recognition of being an honor student." Margie is a freshman majoring in business education and a pledge of Sigma Sigma Sigma sorority.

Frank Namesnik

Is a freshman majoring in electrical engineering and a Theta Chi pledge. "The number of students on the Dean's List here at Youngstown University is very impressive. However, I feel that the requirements for being on this list are not sufficient. My opinion is based upon the comparison of the work at other colleges to that here at Youngstown University. In some cases these requirements are satisfactory but as a whole they are not. My solution to the problem is that the required point average be raised from a two point to a two point five."

What do you think? All opinions on this matter in the form of a letter to the editor will be accepted and welcomed!

According to the National Safety Council, more college age people are killed each year by accidents than by all diseases and other causes combined! And more than 9,000 of these are killed in motor vehicle accidents about 70 percent of all accident too deaths in the age span of 15 to 24.

This is the cartoon by JAMBAR cartoonist Jim Davis which took third place in the "Best Cartoon" contest at the Ohio Collegiate Newspaper Association convention last week.

Editorials...

End Parking Woes

THE JAMBAR has no set news policy as such, but we have and always will make it our policy to crusade to improve the parking problem at Youngstown.

This problem is not limited to our campus; on the contrary, the same difficulty is also encountered at the University of Akron, the University of Cincinnati, Western Reserve and many other schools of the commuter type.

Yet, these schools have taken measures to eliminate parking confusion.

For example, one university acquired real estate near the school plant on which to build parking lots. Students are charged ten dollars per semester, but they are guaranteed a parking space when arriving at school. This abolishes missing eight o'clock classes, double parking and tickets for parking overtime.

This solution would work at Y.U. but nothing is being done to start a program to purchase and develop such parking lots.

Another solution that might be employed to alleviate the parking problem would be to restrict driving to school to juniors, seniors and night school students. This would undoubtedly meet with vigorous student opposition. Their opposition would be justifiable, but it is a solution.

What is our administration doing to solve this problem? It is quite obvious they are not doing a thing.

What does the administration plan to do in five or ten years from now, when the college enrollment is at its peak? With this high enrollment will come more students driving to school, increasing the seriousness of the problem.

We hope the administration will show some foresight in solving the parking problem at Y.U.

L.C.N.

Safety Tips For Proper Spring Cleaning

The traditional Spring cleaning is a valuable way to remove accident and fire hazards. It gives all of us a good opportunity to go from cellar to attic with a fine-tooth comb to find and fix any conditions that might cause accidents. Here are some sensible house-cleaning and hazard-hunting rules from the National Safety Council's Campus Safety Association.

See that the CELLAR stair treads and handrails are in good repair and free of obstructions. Inspect and clean or get cleaned -- the furnaces and heaters, including the flues and chimneys. Get rid of the ashes, oily rags, and other flammables unless they are kept in closed metal containers. Ground any electrical appliances in the basement.

Be sure to skid-proof all small rugs. Replace any worn cords on

electrical equipment. Clean stove vents. Replace every broken window pane. Install grab bars and non-slip mats in the bathtubs. Check the stairway and the hallway for lighting and other repairs. Discard all old medicine and drugs.

In the ATTIC get rid of any rubbish, papers and other burnable items. Be sure there is open ventilation with adequate air circulation.

Don't overlook the GARAGE and YARD, either. AS they say in the military services, police the area. If it doesn't grow or isn't nailed down, pick it up. Be sure to remove stumbling hazards and check the height of the clothes line so you don't get hung.

But don't let your Spring clean-up cause accidents. Be sure the ladders are in good condition and always use them at a safe angle. Send the dry cleaning out, instead of trying to do it yourself in closed quarters or with flammable cleaners. Don't remove a storm sash on windy days. And above all don't try to do the job all in one day because you can't anyway. Plan the job, area by area and allow time for safety ... EVERY TIME.

Letters to the Editor...

Dana Student Protests JAMBAR Opera Editorial

Dear Editor:

Your words of "praise" for the School of Music production of Die Fledermaus were, indeed, few, and also completely without the justifiable realm of objective and intelligent observation.

In the first place, whoever it was that saw only 100 persons in attendance upon the Friday evening performance cannot see or count. There were at least 275. It is also incredible to believe that anything, including scenery, can be "amateuristic", and at the same time "contribute immensely" to the authenticity or beauty of a stage production.

To say that the music was "ably conducted", or that the lead parts were "performed very capably", is, in effect, slighting Dr. Dolliver's ability as a professional musician, and commenting dubiously upon the individual abilities of the cast members and the chorus, of whom no mention was made at all. I am sure that without the color, movement and sound, which the chorus displayed, the second act would have been quite uninteresting, to say the least.

I suggest that in future reviews of this nature, your writer at least make an attempt at reasonable, flowery nothings, instead of incongruous ones.

Sincerely,
Gary Glaze

P.S. There is no such word as "amateuristic"; I believe the correct adjectival form of the word is amateurish.

Dear Mr. Hernandez,

We were pleased with your featured article on the Dana opera, "Die Fledermaus", last Friday and would like to take this opportunity to thank you for your assistance.

We are sure your article brought to our performances many students who otherwise would not have known about it. There were more activity books used than has been the case in past years.

The ticket salesmen noticed that in many cases, the ticket for the opera was the first one used from the book. This could be a great asset for an article on the use of activity books.

Thank you again for your cooperation.

Sincerely,
Mark C. Dolliver, Jr.

DANA SCHOOL OF MUSIC OF YOUNGSTOWN UNIVERSITY

900 Fulbright Grants Available This Fall

The Institute of International Education has announced 900 Fulbright scholarships for graduate study or pre-doctoral research will be available for the 1960-61 academic year.

Also, scholarships for study in Latin America under the Inter-American Cultural Convention are being offered.

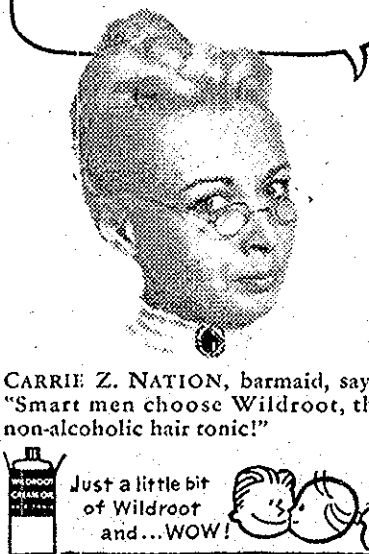

The Fulbright scholarships cover travel, tuition, books and maintenance for one academic year. General requirements for awards are: U.S. citizenship, bachelor's degree or its equivalent, knowledge of the language in the country in which the student wishes to study.

Applicants will be required to submit a plan of proposed study that can be carried out profitably within the year abroad.

Applications for Fulbright and I.A.C.C. scholarships for 1960-61 will be accepted until November 1, 1959.

For further information write to the Information and Counseling Division, Institute of International Education, 1 East 67 Street, New York 21, New York.

Get WILDROOT CREAM-OIL Charlie!

CARRIE Z. NATION, barmaid, says: "Smart men choose Wildroot, the non-alcoholic hair tonic!"

Just a little bit of Wildroot and... WOW!

QUE'S QUIPS

By Jim Quilty

The final outcome may have been somewhat deceptive but any baseball team that pushes 13 runners around all four bases in six times at bat deserves a great deal of praise, and that is exactly what the Kent State baseball team, rated one of the finest in that schools history, did against the Youngstown University Penguins in their recent clash.

Kent tallied five runs in the opening frame with the aid of four hits, all solid, but nine of these hits would have been on the books if it hadn't been for two misplays prior to their origin. With the wind playing havoc with the high flies, even the best of the major leaguers would have indeed had a difficult time.

The Flash's triumph was their eighth in succession after losing three, twice to Ohio State, at the season's outset.

Youngstown's potent offense, following a four day layoff after whipping St. Vincent's, 15-9, failed to conceive any back to back slugging attacks. That was the entire story: Kent's attack attacked, Youngstown's held back.

More serious than the defeat itself was the possible loss of Tom Razum, The Penguins big stick, for the rest of the season. The heavy hitting left field ace re-injured his right ankle making an effort to beat out an infield grounder in the first inning. He was able to walk but couldn't put any pressure on the injured ankle.

Golf is having one of its finest hours at Youngstown University. The Penguins have fine men who consistently fire in the mid 70's.

Dick Schwartz, Ohio Amateur Champion, is the number one man on the team. Schwartz came in with a 78 against Akron followed by a 74 in the 19-1 rout of Alliance.

John Barto and Ed Antonelli, from last year's team, and John "Jabby" Barber make for a fearsome foursome. Add any two picking from Mike Mijic, Fred Quinn, Mike Antonelli or Mickey Pasco and the six man first team is complete. Barto, the Antonelli brothers, and Mijic all come to Youngstown via Warren G. Harding, which has a finerecord for producing outstanding high school golf teams.

Further in the golf line, the N.A.I.A. meet at Ashland has been set for May 19 while the national meet will be staged June 17, 18 and 19 at Quincy, Illinois.

Also the N.A.I.A. state baseball playoff will be held in Youngstown at a date to be set later.

Tennis Team Whips Fenn In Thriller

Coach Bob Thompson's tennis team won their second match of the season over Fenn College of Cleveland, Ohio, by the score of 7-2. The Penguins swept all the singles matches, but only after a hard fight. Four of the six matches were forced to go three sets. These Penguin winners were Ralph Lane, Steve Szabo, Paul McBride, and George Graben, Herm Yassall and Don Kornspan won their matches in two straight sets.

In doubles, there was more trouble. Graber and Kornspan lost in another three setter, 2-6, 6-4, 6-1. Yassall and Sloan were forced to concede their match because of lateness with each side taking a set apiece.

Win Fourth Doubles Match

The other doubles team, comprised of Lane and Szabo won handily, 6-0, 6-3. This made the fourth win in five starts for the combination.

Kent State proved too much for the Penguins with the final score tallying, 9-0. The match was away and a stiff wind ruined the Red and White chances.

Play Against Mt. Union

The netters play tomorrow against Mt. Union at Volney Rodgers at 2 p.m. Another match is scheduled for next Thursday with Alliance at home.

Baseballers Hit Losing Streak

Youngstown University's baseball team had their worst week of the year dropping three starts without a single triumph.

Kent State humbled the Penguins in an abbreviated seven inning tilt a week ago Tuesday, 17-5. Bob Chuey, Mike Santor and Mitch Suckora all proved ineffective with Chuey being the losing hurler. Some six Youngstown errors made Kent's task even more simple.

Thursday, the locals traveled to Alliance College in Cambridge Springs, Pa. Tom Raptis limited the hosts to seven hits against 10 for Youngstown but failed to hold a 3-1 lead over the last four frames in dropping a 4-3 encounter. Rich Suchora, Tom Kussic and "Red" McKinney chipped in with two hits each for the Penguins while Don Parm, Jim Brahnay and Kussic each banged out a double.

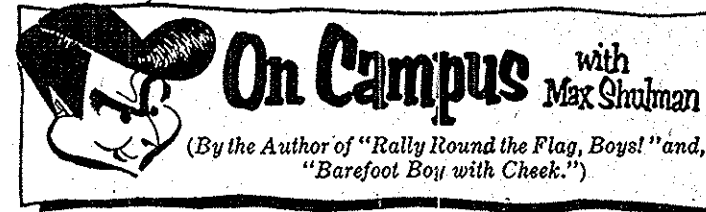

After matching shutout pitching with Baldwin-Wallace over the first seven innings, Bob Chuey allowed five unearned runs in the eighth frame as the Yellow Jackets handed Youngstown their fourth defeat of the year against two victories, 6-1. Baldwin Wallace outhit Youngstown 9-6.

Golfers Capture 2nd Straight Win

Youngstown University's golf team swept to its second victory in a row last week by routing Alliance College of Cambridge Springs, Pa., 19-1.

Ohio Amateur champ Dick Schwartz paced the Penguin linksters with a steady round of 74, which was good enough for medalist honors for the day. Tom Barto carded a 75, while Fred Quinn and "Jabby" Barber each had 76's. Mickey Pasco managed a 79.

The victory brings the Penguin's mark to 2-1 for the season.

SCHULTZ IS A MANY SPLENDORED THING

Beppo Schultz, boulevardier, raconteur, connoisseur, sportsman, bon vivant, hail fellow well met—in short, typical American college man—smokes today's new Marlboros.

"Why do you smoke today's new Marlboros, hey?" a friend recently asked Beppo Schultz.

"I smoke today's new Marlboros," replied Beppo, looking up from his 2.9 litre L-head Hotchkiss drive double overhead camshaft British sports car, "because they are new."

"New?" said the friend. "What do you mean—new?"

"I mean the flavor's great, the filter's improved, the cigarette is designed for today's easier, breezier living," said Beppo.

"Like this 2.9 litre L-head Hotchkiss drive double overhead camshaft British sports car?" asked the friend.

"Exactly," said Beppo.

"She's a beauty," said the friend, looking admiringly at the car. "How long have you had her?"

"It's a male," said Beppo.

"Sorry," said the friend. "How long have you had him?"

"About a year," said Beppo.

"Have you done a lot of work on him?" asked the friend.

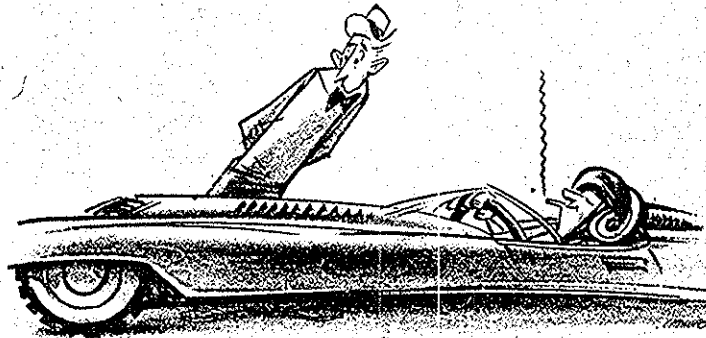

"Oh, have I not!" cried Beppo. "I have replaced the pushrods with a Roots type supercharger. I have replaced the torque with a synchronesh. I have replaced the tachometer with a double side draft carburetor."

"Gracious!" exclaimed the friend.

"I have replaced the hood with a bonnet," said Beppo.

"Land o' Goshen!" exclaimed the friend.

"And I have put gloves in the glove compartment," said Beppo.

"It's a male," said Beppo.

"My, you have been the busy one," said the friend. "You must be exhausted."

"Maybe a trifle," said Beppo, with a brave little smile.

"Know what I do when I'm tired?" said the friend.

"Light a Marlboro?" ventured Beppo.

"Oh, pshaw, you guessed!" said the friend, pouting.

"But it was easy," said Beppo, chuckling kindly. "When the eyelids droop and the musculature sags and the psyche is depleted, what is more natural than to perk up with today's new Marlboro?"

"A great new smoke with better 'makin's' and a great new filter!" proclaimed the friend, his young eyes glistening.

"Changed to keep pace with today's changing world!" declared Beppo, whirling his arms in concentric circles. "A cigarette for a sunnier age, an age of greater leisure and more beckoning horizons!"

Now, tired but happy, Beppo and his friend lit Marlboros and smoked for a time in deep, silent contentment. At length the friend spoke. "He certainly is a beauty," he said.

"You mean my 2.9 litre L-head Hotchkiss drive double overhead camshaft British sports car?" asked Beppo.

"Yes," said the friend. "How fast will he go?"

"Well, I don't rightly know," said Beppo. "I can't find the starter."

High School Girls Participate in Playday

Tomorrow has been designated "High School Playday" by the health and physical education class in the Women's Health and Physical Education Department of Youngstown University.

All Area high schools have been requested to send four girls from their junior or senior class to participate in sports activities including basketball, volleyball, softball, and tennis.

Activities begin at 9:30 a.m. at Rocky Ridge Pavilion in Mill Creek Park. The girls will be put on different teams to participate in the events.

Margaret Reisen, senior, and Delores Forgas, junior are the co-chairmen of this annual affair sponsored by the women's physical education department.

Eagles, Phi Gam Lead Intra-mural Softball

With only two weeks remaining on the regular season intra-mural softball activity, the Phi Gams and the Eagles have moved into first place in their respective divisions.

The Phi Gams have whipped nine straight opponents, mostly on the strength of Jack Tesic's pitching arm. Tesic has one no-hitter numbered among his victories. John Lang also huris for the first place Phi Gamma.

Holding first place in the other division are the Eagles, who have lost but a single game. Sig Taus, with two losses, are in second place.

Playoffs start on May 18th, with the top two teams in each division playing for the divisional crown.

Phi Gamma Cops IFC Golf Crown

Phi Gamma Fraternity outlasted Tau Kappa Epsilon to cop the annual Inter-Fraternity Council golf tournament at Yankee Run golf course by ten strokes last Sunday afternoon.

The Phi Gamma foursome of Art Moore, Frank Nannicola, Jules Roux, and Buck Gibbony hit a combined total of 364, compared to the TKE's 374. Sleepy Williams, Tom Steele Dave Houlihan and Vern Seeley comprised the TKE team.

Low medal honors went to Bill Kish of Sigma Tau Gamma Fraternity who toured the Yankee Run layout in 80.

Track Team Places 2nd at Slippery Rock

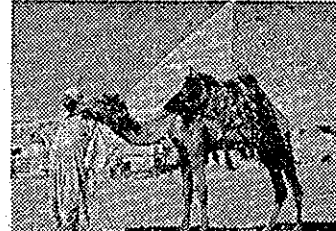

Garnering but two first place finishes in a track meet dominated entirely by host Slippery Rock, the Penguins nosed out Buffalo for second place, 36-31. Slippery Rock accumulated 83 points, while the fourth entry, Edinboro, managed only 12.

Ray Carter featured for Youngstown, grabbing a first in the 100-yard dash, a second in the 220, a tie for third in the high jump and a fourth spot in the broad jump.

Dom Chick kept his undefeated record with a heave of 43 feet 2 1/2 inches. Ralph Morelli placed second.

Other Youngstown results: Wally Boyer, second in 120-yard hurdles and third in the 180-yard lows; John Abdo, second in the javelin, McCreary, fourth in the 880-yard run; and Domitrovitch, fourth in the discus.

**Greeks Active in Elections
Conclaves, and Clean-up**

By Peggy Lou Dignan and Ruth-Hudock

Kappa Sigma Kappa announces the 1959-60 newly installed officers as; president, Ron Pisani; vice president, Jim Corbett; treasurer, Jerry McCarthy; recording secretary, Jim Quilty; and sergeant-at-arms, Jim Ruffing. An informal party honoring the officers was held April 29 with music sponsored by the Klipsch Trio.

The brothers of Upsilon Upsilon Fraternity proudly announce their officers for the coming year. They are: president, David Rosenzweig; vice-president, Michael Knable; recording secretary, Richard Passan; corresponding secretary, Gerald Ortman; treasurer, Allan Blau; historian, Donald Kornspan.

Beta Sigma Omicron sorority national inspection was held May 7. A tea honoring Mrs. Norma Brooks, first vice-president, and Mrs. Goette of the Cleveland Alumnae was held at Pollock House with members of the faculty and student body present.

Sig Taus Clean-Up

The members of Sigma Tau Gamma participated in "Clean-Up, Paint-Up, Fix-Up" week sponsored by the Junior Chamber of Commerce of Youngstown. Brother Bill Hudak worked with the Chamber on the project along with the chapter's support. Later Brothers Hudak and Dan Flasher were on a radio program sponsored by the Junior Chamber of Commerce concerning the campaign.

Dan Murphy, Ralph Egolf, John Collins, Mickey Davis and Bernie Hamrock of Kappa Sigma Kappa spent the last weekend attending business meetings at the Regional Conclave held in Detroit, Michigan.

Beta Sigma Omicron, Laura Coughlin, has been accepted to Miami hospital in Florida where she will do her training in medical technology.

Phi Mu's Recognition Dinner will be held Tuesday, May 12, at Wick Pavilion. The graduating seniors will be honored and a junior in the chapter will receive the Outstanding Junior award.

Mothers of the Kappa Sigma Kappa wish to thank those who purchased tickets for the raffle today.

Newly installed active members of Sigma Tau Gamma include; Paul Jagnow, Frank Court, Jim Prosser, Jim Sullivan, Paul Terlesky, Bill Kish and Ken Wright.

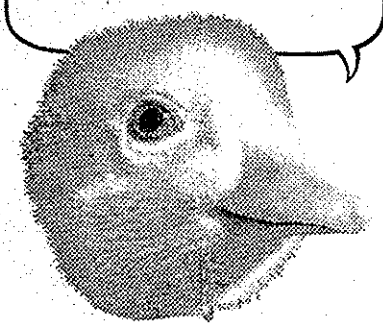

PINNED:

Lucy Liberatore, Beta Sigma Omicron to Jack Sittler, Phi Kappa Tau, Westminster College.

ENGAGED:

Donald Smith, Freshman, to Linda Sandmaun, Cincinnati, Ohio.

MOUNT UNION DYNAMO, Mount Union - Best Weekly, Class II; and THE DAILY KENT STATER, Kent State University - Best Daily Newspaper.

Featured speaker at the banquet was Robert Hoyt, Washington correspondent for the Knight Newspaper chain.

Child's comment on piggy banks: "They teach children to become misers, and parents to become bank robbers."

Don't ride with an immature, reckless driver. HIS next accident may be YOUR last!

Looking Around...

WITH PAT McCARREN AND FRANK GUARNIERI
What a week! ... May Day, Akron, Louisville, Mint Juleps, Greek Sing, more Mint Juleps, Yankees, more Mint Juleps, non Greek Singing, finals on their way, etc ad infinitum

Congratulations to all queens, attendants, winners, singers and Mint Julep inbibers.

Our profuse apologies to the Master Slave Driver who made up the slight of two weeks ago by printing the uncensored parts of two weeks work last week.

Question of the week ... Which coed lost which buttons where so as to become slightly embarrassed on May Day? Any one knowing of this event and wishing to divulge the information may post it in the Snack Bar if they get the consent of the student council.

The Ole' Obidokie Swamp now has sticks in the mud.

An oft asked question ... What happened to "Engineers Angle"? ... Another one ... Where is SLAG?

Now it would only be proper to dedicate at least a paragraph to our mothers ... to whom this column is responsible - indirectly at least. With all due respect for Mamma Mia it is with deepest apologies we must say, Happy Mothers Day Ma but I'll see you after the Greek Mixer.

Brownie the Mutt was an extra added attraction in the May Pole Dance. Anything for laughs.

It happens at every affair. The news photographer who misses the most important event because he is re-loading his camera. The only consolation is that they never get away with it because they are almost as prominent as the celebrities and their missed shot is ultra conspicuous.

Three cheers for Smilin' Sam.
By the way, we found out at the May Day how they twist ropes.

**Akron Group Plans
"Romeo and Juliet"**

Stan Hywet Hall, located at 714 North Portage Path in Akron, will present Shakespeare's "Romeo and Juliet" on three successive week-ends in July and August.

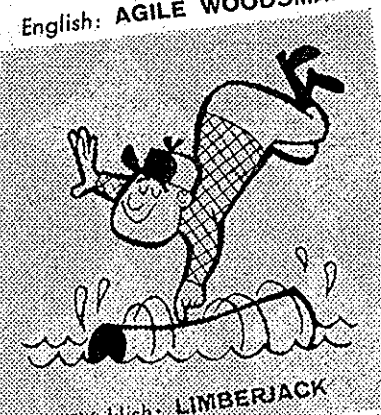

Professor Mae Pyle Andrews of Ashland College, Arthur Lithgow of the Stockbridge School in Massachusetts and Dr. James Dunlap of the University of Akron will present the lectures, giving background material on "Romeo and Juliet".

Nine performances of "Romeo and Juliet" will be featured on Stan Hywet's summer schedule. It will be staged July 17, through the 26th and July 31, August 1, 2, under the stars on the back terrace of Stan Hywet Hall.

Season tickets are \$3 for students and single tickets for students are \$1.

JOSEPH AZLINE, KENT STATE U.

English: DELEGATES TO A JAZZ CONVENTION
Thinkklish translation: When the secretary of this meeting makes notes, he uses a saxophone. The chairman is the only guy who can rap his gavel with a syn-copated beat. The delegates (in Thinkklish it's *heprezentatives!*) come from all schools of jazz: hot, cool, and room temperature. But they're in perfect harmony on one thing: the honest taste of a Lucky Strike. Get Luckies yourself. (You'll trumpet their praises.)

English: MALE FOREBEARS
Thinkklish: MANCESTORS
WAYNE DANIEL, U. OF NORTH CAROLINA

HOW TO MAKE \$25

Take a word—*substitute*, for example. With it, you can make an artificial hedge (*shrubstitute*), a washing machine (*tubstitute*), an English lemonade stand (*pubstitute*) and dehydrated food (*grubstitute*). That's Thinkklish—and it's that easy! We're paying \$25 for the Thinkklish words judged best—your check is itching to go! Send your words to Lucky Strike, Box 67A, Mt. Vernon, N.Y. Enclose your name, address, college or university and class.
