

University Receives \$300,000 Gift

A \$300,000 gift presented by the W.H. Kilcawley Charitable Trust gives Y.U. a head start toward a prosperous new year and a name for the proposed Student Union Building.

Presented by the appointers of the trust, Mrs. W.H. Kilcawley and her daughter, Mrs. Bryon C. Christman, the gift will be used toward the construction of Youngstown University's Student Union Building. The building, upon completion, will be known as the William H. and Mattie M. Kilcawley Student Union Building.

Mr. Kilcawley, who died Nov. 17, 1958, had contributed generously to many charities throughout the area and was very interested in the building of a Student Union for the university.

The gift clinches the prospect for construction in 1960 of the building.
