With an 11-0 mark on the season and a No. 2 ranking in Division I-AA, our very own YSU Penguins will host the 1990 post season play-offs hosting Central Florida this Saturday at Stambaugh Stadium.

The Penguins athletic department was forced to endure a grueling week of waiting for the NCAA to decide where to hold the game. YSU received word this past Sunday afternoon that they will be hosting.

YSU was picked as the number two seed in the play-offs and as long as they keep winning, then they will be playing right here at Stambaugh. The

only exception being the National Championship game which is held at Georgia Southern University.

Tickets went on sale yesterday at the athletic department located on the second floor of Stambaugh Stadium. Tickets are \$5 for students with a valid YSU Id, \$6 for general admission and \$10 for reserved seats.

Additional tickets will be available at Vision Centers in Austintown, Boardman and on Belmont Avenue from noon-5 p.m., Monday through Wednesday. Ticket sales at YSU will be from 8 a.m. to 8 p.m., also Monday through Wednesday.

Read about these stories and more on pages 14-15 in the Sports section of *The Jambar*.

**Do it again Ray:** Once again Ray Isaac led the YSU Penguins to victory to secure an 11-0 mark for the troops this year. Isaac will attempt the same feat this Saturday in the opening round of Division I-AA playoff action.
