SUBJECT Revised Listing of Committee Assignments, 1984-85

The attached provides a complete listing of faculty, student, and administration membership on Senate Elected Committees, Senate Chartered Committees, and Presidential Appointed Boards and Committees (where recommendations for faculty representation are secured from the Senate Executive Committee). Names of chairpersons, with Department identifications and telephone numbers, are given special emphasis.

It is hoped that this listing will be of particular use to those members of the YSU community who wish to contact a committee or board appointee relative to a perceived problem or concern.
