Subject: **Minutes of Meeting of April 10, 1996; 12:00-12:50 p.m.**

Present: J. LaLumia, L. Sellaro, P. Schuster, C. Singler

1. Minutes of April 3, 1996 were approved.
2. Discussion of proposal for admission of non-matriculated students. Comments and questions raised included:
 - a) The concept is a good one; there clearly is need to accommodate students in this category.
 - b) What is meant by advising in the office of University Outreach? How does it relate to students who change to matriculated status?
 - c) When does registration occur? Will it impact on classes of limited size or special subject that are needed by program-enrolled students?
 - d) What is meant by "special admission and registration procedure" in the second paragraph.
 - e) What is meant by "adults out of high school for two or more years?" Does this mean "graduated" high school students?
 - f) The third bullet, page one is not clear, especially regarding application of 28 hours.

The ASC would seek additional information before reporting to the Senate.

3. Note change in day and time of next meetings:
 - a) Friday, April 19 at noon
 - b) Friday, May 3 at noon

Meeting adjourned.
