TO: Members, Academic Planning Committee
FROM: Cyndy Anderson *CA*
SUBJECT: Mission and Goals Statements

Enclosed are copies of *Mission and Goals Statements* from the following departments:

Department of Human Performance and Exercise Science
Department of Health Sciences
Department of Political Science and Social Science
Department of Chemistry
Department of Philosophy and Religious Studies
Department of Educational Administration

As we discussed at the last Academic Planning Committee meeting, it would be helpful if you would examine these documents and identify (in your opinion) what you feel to be unique or distinctive about each department.

Thanks again for your assistance in this important endeavor.
