Academic Standards and Events Committee
Minutes
Meeting of January 27, 1993

Members present---Hoover, Cummings (for Yemma), Kim, Tessier, Beebe, Small, Beary, Gould, Maraffa.

1. Meeting called to order 2:05 P.M.
2. Committee received packet of information on SB140 students and SB140 programs at other Ohio universities. This information will be discussed at next meeting.
3. Van Siatras addressed the committee regarding the SB140 program at Y.S.U. Among his comments were the following:
 - Y.S.U. tends to adhere to the upper 20% of HS class requirement rather than 3.2 gradepoint. GPA of SB140 students are higher than 3.2.
 - The admission procedure was described as follows:
 - a) Process is initiated by high schools in March
 - b) Applicants are interviewed and tested during April and May.
 - c) Determination of admission occurs during June and July.
 - It was stressed that the process is very time-consuming and that demands will increase if program grows. Y.S.U. interviews each applicant.
 - HS curriculum directors are offended that Y.S.U. allows students to take courses available in HS.
 - Parents seem to be looking for tuition free college credit.
 - The program was patterned after program in Minnesota targeted to rural school districts.
 - What is broke?
 - a) Suggest controls on CH taken.
 - b) Nobody at Y.S.U. is specifically designated to oversee the program.
 - c) The program will continue to grow it if is not restricted.
 - d) If program continues to grow more support will be needed in terms of administration and advising.
4. Meeting adjourned 3 P.M.
5. Next meeting scheduled for Wednesday, February 10, 2 P.M., A & S Dean's Conf. Room.
