MEMORANDUM

To: Dr. Jean Kelty
Chairman, Academic Senate

From: Dr. Bernard T. Gillis *B.T. Gillis*
Provost

Subject: Formal Discontinuation of Program

To parallel the Academic Senate processing of approval of academic programs, I am requesting that you refer to the appropriate senate committee the processing of the discontinuance of our program in Educational Media. This program should be purged from our degree inventory and to do so properly requires Senate and Board of Trustees action. I am requesting you to initiate this action.
