

ACADEMIC PLANNING COMMITTEE

MINUTES

November 2, 1983

PRESENT: Bakos, Brown, Caras, Crum, Horvath, Hovey, Hugenberg,
Khawaja, Richley, Tanner.

Minutes of the meeting of October 12 and October 26, 1983 were approved as corrected.

Dean Brown presented a written statement and explanation for changes in the Mission Statement in the Master Plan. A paragraph was offered which stressed "quality", which was defined in terms of faculty, students and administration.

A discussion followed as to the meaning of quality and measures of it. It was agreed that quality must be defined for each individual program.

Hugenberg suggested that the Committee should try to produce a revised Mission Statement during the fall quarter. Khawaja felt this would be difficult when the Committee meets one hour per week.

It was agreed that each committee member would develop written comments and suggested changes in the Mission Statement for next meeting.

Respectfully submitted,

Ralph G. Crum
