

Minutes

ACADEMIC STANDARDS & EVENTS COMMITTEE
November 20, 1984

Present: Barbara Brothers, Chair; Bright, Conser, Munro, Rost Scriven, Tabak, Tribble, West

- I. The Minutes of November 13 were ammended, whereby: Under II. 2., the "satisfies the humanities" statement was included in the course description of Music 520 in the 1984-85, 1983-84 and the 1982-83 Catalogs, but not in the 1981-82.
- II. A request was made by Larry Esterly for the Committee to submit a progress report at the December 5, 1984, meeting of the Academic Senate. Dr. Brothers asks that members prepare questions (to be discussed and organized into one list) regarding any of the general area requirements.
- III. Dean Scriven raised the question, "should our master list include any 700- or 800-level courses if the purpose of general requirements is to broaden student's general education background?"
- IV. The following are the courses questioned by the Committee as fulfilling the social studies requirement:
 1. Black Studies -- ok.
 2. Economics:
 - 624. Economics and Social Statistics I.
--not listed by A & S (missed?)
 - 705. Economics and Social Statistics II.
 - 706. Economics and Social Statistics III.
 - 709. Mathematical Economics.
 - 824. Applied Time Series Analysis of Economic and Business Data.
 - 825. Economic Data and Business Data Analysis.
 - 850. Introduction to Decision Analysis.
 - 853. Applied Econometrics.
 - 899. Individual Study in Economics.
 3. Geography:
 - 732. Advanced Cartography.
 - 813. Field Methods.
 - 822. Special Problems in Cartography.
 - 660. Introduction to Map Making and Cartography.
 - 661. Introduction to Remote Sensing. } --on CAST list but
not on A & S
 4. Military Science:
 - 510. Introduction to Army ROTC.
 - 511. Basic Leadership and Management.

5. Political Science -- ok

6. Psychology:

613. Statistical Methods in Psychology I.

614. Statistical Methods in Psychology II.

724. Statistical Methods in Psychology III.

740. Psychological Measurement.

790. Field Work in Psychology.

--Are these training courses?

805. Interviewing Techniques.

--Do they involve actual practice and testing?

806. Vocational Guidance.

807. Introduction to Counseling.

812. Group Testing.

815. Individual Testing: Intelligence.

7. Sociology:

701. Social Statistics I.

702. Social Statistics II.

751. Social Research.

789. Man and the Technological Society.

--How can this fulfill a science and a social studies requirement?

8. Anthropology:

778. Archaeological Techniques.

781. Archaeological Laboratory Techniques.

9. Social Work:

--Which courses listed can be justified as fulfilling social studies requirements?

10. Criminal Justice:

735. Juvenile Delinquency.

--cross-listed with Sociology 735 (why is this course not listed?)

V. For the next meeting, the Committee will identify courses that are questionable as meeting science/mathematics requirements.
