

ACADEMIC RESEARCH COMMITTEE

Minutes of Meeting of

October 4, 1990

PRESENT: Harig, Genaway, deBlois, Hotchkiss, Haynes, Kushner

ABSENT: Cicarelli, Messuri. Stoll, Khan, Umble, Tarantine

The meeting was called to order and the election of a committee chair was addressed. On a motion by Dr. Hotchkiss and seconded by Dr. Genaway, Drs. deBlois and Haynes accepted nominations to serve as co-chairs for the coming year and were elected.

It was suggested that someone contact Dr. McBriarty about the possibility of reappointing Daryl Mincey to the ARC in order to continue a project (i.e., FACULTY RESEARCH SURVEY) that was initiated by him last year.

The committee also scheduled QUEST91 for Tuesday, May 7 and Wednesday, May 8. It was also decided to maintain the same format as last year with the possible addition of a poster session. Since the Academic Research Committee does not have a budget, the idea of a keynote speaker was questionable.

The next meeting will be held on Thursday, November 15 at 3:00 p.m. in Jones Hall Room 3009.

Beth Kushner, ARC Secretary
