

ACADEMIC RESEARCH COMMITTEE

Minutes of Meeting of

November 15, 1990

PRESENT: Messuri, Haynes, deBlois, Stoll, Harig, Mincey, Umble,
Cicarelli, Kushner

ABSENT: Khan, Hotchkiss, Genaway

The minutes of the meeting of October 4, 1990 were accepted as distributed.

It was noted that QUEST'91 was scheduled for May 7 and 8. The group then discussed the addition of poster sessions to the QUEST program. Due to limited space it was decided that poster participants would be selected on a first come, first served basis. It was also decided to display faculty publications in the Ohio Room with the posters. The call for papers/presentations will be distributed as soon as possible with a submission deadline of January 31.

The draft of the faculty survey, developed by Daryl Mincey, was then discussed. Drs. Haynes and Mincey will work on the changes and the committee will review the survey again at the January meeting before it is distributed to the faculty.

The next meeting will be announced.
