

PROGRAMS DIVISION
ACADEMIC PROGRAMS AND CURRICULUM COMMITTEE

FEBRUARY 18, 1986

PRESENT: Brown, Delost, Deiderick, Hoover, and Lyons
ABSENT: Curry, Henneman, and Kramer

In new business, program changes in the Generic B.S.N. Program in Nursing (substitution of BET 513 for BET 710), and the A.A.S. Program in Dental Hygiene (substitution of BIO/MLT 787/787L for BIO 560/560L) were presented by Delost for Committee review and approval. Deiderick moved to approved the program changes . Hoover seconded the motion. The Committee voted to approve the proposals which will be presented at the March meeting of the Academic Senate.

The Committee discussed the recommendation prepared by Delost, Hoover, and Kramer at the previous meeting. Questions were raised regarding the Committee's power in various areas of the proposal. After subsequent discussions, members decided that both proposals (D.Brown's as well as R. Hoover's) will be revied and revised . Ideas must be resolved into one proposal. The Committee will not be prepared to submit such a recommendation to meet the deadline of the March meeting of the Academic Senate.

Respectfully submitted,

Maria Delost
