

YOUNGSTOWN COLLEGE  
MINUTES OF THE ACADEMIC STANDARDS COMMITTEE

November 4, 1954

PRESENT: Mr. Behen, Mrs. Botty, Mr. Bridgham, Mr. Dykema, Mr. Franklin,  
Mr. Reilly, Mr. J.E. Smith, Mr. Swartz, Mr. Worley

Mrs. Botty presented a protest against the advertisement in the Vindicator which included Mr. Bare's name and an indication of participation by Youngstown College. A letter from Mr. Ives on the same subject was received by the Committee. The entire meeting was devoted to a discussion of the effect of this advertisement on the reputation of the College and of the personal ethics involved.

The members of the Committee were nearly unanimous in their disapproval of the advertisement, though for rather different reasons. The Committee asked Dean Smith to communicate to the President an indication of the attitude of the Committee (Dean Smith did carry this communication to the President and the offending advertisement no longer mentions the names either of Mr. Bare or of the College.)

Respectfully submitted,

Karl W. Dykema  
Chairman

MINUTES OF THE ACADEMIC STANDARDS COMMITTEE

November 18, 1954

PRESENT: Mr. Behen, Mrs. Botty, Mr. Bridgham, Mr. Dykema, Mr. Franklin,  
Mr. Reilly, Mr. J.E. Smith, Mr. Swartz, Mr. Worley

1. Mrs. Botty commented that we are doing nothing to recognize high scholarship. Dean Smith explained that the impediment is the delay in posting grades in the Registrar's Office. It was generally felt by the committee that as soon as possible the established plan for recognizing scholarship should be put into practice.

2. The discussion of prerequisites begun at the meeting of October 7, 1954, was continued. The discussion centered entirely around the first point of item IV of the minutes of October 7, 1954. Mr. Swartz moved that the Chairman request the heads of all departments to re-examine their prerequisites and to submit comments on their justification to the Academic Standards Committee. He also moved that a subcommittee be appointed to consider the results of this carefully. The motion was seconded by Mrs. Botty and unanimously approved.

Respectfully submitted,

Karl W. Dykema  
Chairman
