Senate Meeting - November 4, 1998

The Academic Standards Committee met on October 16th and 30th. The first meeting was an organizational meeting. The second meeting focused on criteria for admission related to EAOP and Senate Bill 140 students and determination of a withdrawal date for the semester system. Discussion of these two items will be continued in the next meeting scheduled for Friday, November 6th. The committee plans to have proposals regarding these two issues for the December Senate meeting.
