Old Business

1. University General Requirements - Vice President Gillis was scheduled to appear as a guest in order to clarify concerns regarding overlap with new university admission requirements and university general requirements. Due to another pressing meeting he was unable to attend. Committee members reviewed material received from Kent State and Akron University concerning their new admission policies. Recommendations from YSU's articulation committee were discussed. Since committee is unable to act on this matter until further information is received, Margaret Braden moved that this issue be tabled. Peter Von Ostwalden seconded the motion.
2. Audit Policy  
Committee discussed possibility of presenting to senate points in favor--- not in favor of current audit policy. Feasibility of asking the senate members to make a motion on this matter was examined.

Meeting was adjourned at 12:45.

Respectfully submitted,

SUBJECT PROPOSED REVISION OF AUDIT POLICY

According to the minutes of the Academic Senate Executive Committee meeting, 2-25-82, Dr. Jean Kelty has sent you a memo indicating that I might have some "...constructive suggestions regarding the Audit Policy from the student point of view."

Indeed, at your invitation, I would be very willing to meet with your committee to present some proposed changes to the current Audit Policy which have been discussed, and supported, by the SEC.

I look forward to hearing from you; I can be reached at the Student Government offices, extension 3591.
