Academic Standards Committee Members:

North Central wants a twenty-five word statement of the major functions of each faculty committee. Here is my attempt; change it as you see fit and return it to me. Then I'll try to rephrase it.

To consider, discuss, and formulate educational policies and recommend them to the Senate; and to maintain academic standards by interpreting, reexamining and reformulating these policies.

Should anything be mentioned concerning this being a committee where applications for irregular procedures, such as overloads, uses of class items prepared by the teacher and sold to the student, etc., are received and acted upon? Otherwise, the above statement seems enough.

I think very happily put, and I endorse.
you must be thankful you were not
called on to state what we actually
do in the Acad. Stds. Comm.
