HAPPY EASTER  
HAPPINESS ALWAYS

To let you know you're thought of  
In a warm and friendly way  
To wish you all the happiness  
That goes with Easter Day  
And especially to remind you  
That today and all year through  
There's someone who remembers  
And who thinks a lot of you!

*Happy Easter to  
all of you.*

*Piroska, when you go Easter  
egg hunting, hope you get a  
Rabbit!*

*Love  
John*
